

Deputy Warden Nicholson said that some mobile home parks were providing lots large enough for the largest trailers and of sufficient size to accomodate permanent homes should the demand change in future.

Regarding the motion, Solicitor Cox advised that it was always dangerous when a Municipal body decided that they are not going to abide by their own regulations.

After a considerable discussion of the problem, the mover and seconder withdrew their motion.

Councillor Hudson observed that the description of a Mobile Home should also be revised.

It was moved by Councillor Tonks; seconded by Councillor P. Baker:

"THAT the Mobile Home By-law be referred to the Planning Advisory Committee with a view to revising the By-law, with a report at the November Session of Council." Motion carried.

The Clerk read the Report of the Finance and Executive Committee.

It was moved by Councillor Tonks; seconded by Deputy Warden Nicholson:

"THAT the Report of the Finance and Executive Committee be adopted." Motion carried.

It was moved by Deputy Warden Nicholson; seconded by Councillor Tonks:

"THAT Council authorize the issuing of 2 x \$100,000.00 Debentures to replace 200 x \$1000.00 Debentures previously issued."  
Motion carried.

It was moved by Deputy Warden Nicholson; seconded by Councillor Gaetz:

"THAT the following people be appointed as Special Constables for Halloween night only - October 31, 1970: -

Larry Nicholson	R. Edwards
Ray Hindle	R. Hubley
Fred Murray Sr.	B. Strachan
Richard Hoadley	R. d'Entremont
Fred Murray Jr.	Wyane Siddall
Douglas Blackburn	Ken Blackburn
Walter Milson	Ray Hopkinson
Richard Wadman	Thomas Hindle
Jack Rutt	Ashley Cheesman
G. Weeks	G. Alexander
D. Mitchell	R. King

Address for all the above - Lakeside, Halifax County, N.S. "  
Motion carried.

It was moved by Councillor Johnson; seconded by Councillor Tonks:

"THAT the following persons be appointed as Special Constables for Halloween Night in District No. 16.

Claude Diggs	Marvin Riley
George Ross	William Colley Jr.
Donald Crawley	Donald Colley
Alfred Crawley *	James Saunders
Leonard Kane	Glendon Thomas
Merle Glasgow	Harold Glasgow

Address for all the above - East Preston - Halifax County."  
Motion carried.

Councillor P. Baker advised Council of a complaint from one Charles Connors of Maitland, Hants County, among others who were being refused the services of livestock slaughtering at the Nova Scotia Abattoir on the grounds that they were operating in competition with the Abattoir. Councillor Baker said that he had pushed for meat inspection in the County for a long time but was now having second thoughts because the Abattoir which has been supported by the Provincial Government is the only government inspection station in the area and this facility should be available to all. He felt that the Minister of Agriculture should be made aware of this situation and something done about it because what it amounted to was discrimination.

It was moved by Councillor P. Baker; seconded by Councillor Gaetz:

"THAT the Warden and Clerk interview Mr. Connors to see what the situation is, to see what might be done by this Council to improve the situation."

Warden Settle said that when Meat Inspection came in he felt that the provision of slaughtering stations with government inspection should have preceded it.

Councillor McCabe said that about ninety per cent (90%) of the beef provided by this County came from his area and he had argued that by transporting the beef some sixty (60) miles for slaughtering and then return would cost an additional ten dollars per hundred (\$10.00 per 100) and this had happened. He felt there should be an inspection station in the valley and also in the Musquodoboit area and he thought the Departments of Agriculture were thinking in terms of eight or ten (8 or 10) such facilities in the Province but understood there was some hold up between the Provincial and Federal Governments. Motion carried.

Councillor P. Baker took exception to foreign syndicates and other land speculators coming into the tax sales and being allowed to purchase unlimited acreages in the County, sometimes at the cost of the homes of elderly residents of the County and surrounding our lakes and waterways. He asked that Councillors give serious thought to some action which could be taken to such speculation. He suggested provincial land bank or some other method of limiting such speculation and warned that in the not too distant future the general population would be prevented from using our coastal and lake recreational areas because of this speculation.

It was moved by Councillor Hudson; seconded by Councillor P. Baker:

"THAT we write the Minister of Lands and Forrests and ask him to purchase blocks of lands being sold at tax sales in order to set up a Land Bank for Recreational Purposes.

Councillor McCabe asked what the Province would use the land for "to give to Scott Paper for one dollar per cord (\$1.00)?" He said that the Province owns one third of the Provincial forest land now and he was quite sure they would be pleased to own two thirds.

It was moved by Councillor Tonks; seconded by Councillor P. Baker:

"THAT the matter be referred to the Planning and Advisory Committee." Motion carried.

In reply to Councillor Tonks; Mr. Hattie said that the Shatford Memorial Trust Fund was covered by an agreement and could be used only for the purposes that it was intended.

Councillor Hudson asked whether the fifty thousand dollars (\$50,000) in taxes from Fairey Aviation for this year could be recovered and if there was any way of getting the Provincial and Federal Governments to pay their grants in lieu of taxes in the amount currently of one hundred and sixty thousand (\$160,000) dollars earlier in the year.

It was moved by Councillor Tonks; seconded by Councillor Hudson;

"THAT both the Federal and Provincial Governments be requested to pay all grants due to Halifax County by April 30th each year." Motion carried.

It was moved by Councillor Tonks; seconded by Councillor P. Baker:

"THAT a letter be sent to the Incoming Premier of the Province of Nova Scotia requesting that consideration be given to the dates of Provincial Elections re that there will be no conflict with Municipal Elections." Motion carried.

It was moved by Councillor Tonks; seconded by Councillor C. Baker:

"THAT there being no further business, the October Session of Council adjourn." Motion carried.

MINUTES OF THE SEPTEMBER SESSION OF THE THIRD  
YEAR COUNCIL OF THE THIRTY-SIXTH COUNCIL  
OF THE MUNICIPALITY OF THE COUNTY OF HALIFAX

---

The September Session of the Municipal Council convened at 10:00 A.M. Tuesday, September 22nd, 1970, with Warden Ira Settle presiding.

Following the Lord's Prayer, the Municipal Clerk called the Roll.

The Municipal Clerk presented a letter advising that Lloyd Palmer, formerly Secretary of the two Veterinarian Boards in the County had been replaced by George MacKenzie, Agricultural Representative of Truro and that Mr. MacKenzie's Assistant, Mr. Ralph Murray would take over the duties of Secretary of the two Veterinarian Boards.

The Clerk presented a letter from the Returning Officer - Provincial Election requesting space in the Municipal Building on October 1, 2nd, and October 13th for Advance Poll and Polling facilities in the upcoming elections.

It was moved by Councillor Tonks and seconded by Councillor Cleveland:

"THAT Mr. Bryson be advised that he be authorized to use the old EMO Office as a Poll and that room only for Provincial Election."

Motion defeated. Six for; ten against.

It was moved by Deputy Warden Nicholson and seconded by Councillor C. Baker:

"THAT the matter of accomodation for the Returning Officer be left to staff."

Motion carried.

The Clerk presented a letter from Mr. White re Environmental Control in Pepeswick Inlet, particularly an old ship which had been placed in the recreational inlet and which was causing an eyesore.

Councillor Daye agreed that this situation certainly did nothing to improve the district and the people wanted it out of there.

Mr. Cox pointed out that this was in navigable waters and thus not within the jurisdiction of the County.

Councillor Tonks advised that there was an old light ship stripped and left in his area by the Department of Transport who are supposed to have the power to remove such things and the Department of Transport appears to be the worst offenders in this type of thing.

It was moved by Councillor Tonks and seconded by Councillor Daye:

"THAT a letter to the Federal Department of Transport asking them to remove the three derelicts at St. Margaret's Bay, Petperswick Harbour, and Eastern Passage." Motion carried.

Council agreed that Solicitor Cox look into the Act to see if proper legislation exists to effect a solution to this problem.

Councillor Tonks advised that he had a letter from Mr. Snow, Minister of Lands and Forests saying that a Committee had been set up re this dredging problem in Eastern Passage; that it included representatives from the Nova Scotia Research Foundation and Bedford Institute of Technology, the same institutions, who, years ago said there would be no erosion at Silver Sand; he felt that the situation was serious with the proposal of two more Container Piers to be built in the future and that the Federal Government should be requested to build the breakwater as it had been requested, or else revoke the permit for taking sand out, the people would be satisfied with nothing less.

It was moved by Councillor Tonks and seconded by Councillor Gaetz:

"THAT a letter go to Mr. Snow advising that there is erosion at Eastern Passage, that we are concerned with the situation if a breakwater is not built, Council will not be satisfied until the dredging is stopped." Motion carried.

Councillor Tonks pointed out that there was no report submitted by delegates attending the Union of Municipalities Convention; he felt that his attendance at that meeting was \$100.00 of the taxpayers money wasted and seeing that the County of Halifax had no representation at head tables or Panel Discussions at the Convention, that this County's membership in the Union was a waste of many thousands of dollars and he suggested a Union of Rural Municipalities.

It was moved by Councillor Tonks and seconded by Councillor Moser:

"THAT the Finance and Executive Committee be asked to review the constitution of the Union of Nova Scotia Municipalities and study the possibility of making other recommendations." Motion carried.

It was moved by Deputy Warden Nicholson and seconded by Councillor Gaetz:

"THAT the Minutes of the August 18th Council Session be adopted as amended ." Motion carried.

The Clerk read the Report of the Warden to Council.

Councillor Gaetz commended Warden Settle, Municipal Clerk Mr. Hattie and Councillor P. Baker on their representation to the Federal Government on Housing in what he termed "the best submission I have yet to see."

It was moved by Councillor Gaetz; seconded by Councillor Johnson:

"THAT the Report of the Warden be received." Motion carried.

The Clerk read the Report of the Planning and Advisory Committee.

It was moved by Councillor Gaetz; seconded by Councillor C. Baker:

"THAT the Report of the Planning Advisory Committee be adopted." Motion carried.

Councillor Tonks did not feel it was logical to go to the extremes of sending a commission to Ottawa advising that "we have restrictions for building and at the same time the Nova Scotia Housing Commission have made amendments to our bylaws which do not conform to our Bylaws." He asked, "Why should other people have to conform to the Bylaws but the Nova Scotia Housing Commission does not."

Deputy Warden Nicholson felt it would be better for the homeowner if the reduced setback was approved by Council and pointed out that this Council has run into surveyor's errors of this type before but never refused to approve necessary setbacks. Motion carried.

It was moved by Councillor Tonks and seconded by Councillor Gaetz:

"THAT a letter go to the Nova Scotia Housing Commission saying that the Municipality is concerned about the Nova Scotia Housing Commission not conforming to bylaws asking for their co-operation in locating houses in accordance with the Bylaws of the Municipality, on lands that are being developed by the Nova Scotia Housing Commission."

Solicitor Cox advised that the only way to control any government agency is to depend on its co-operation and that this had been tested in the Eastern Passage area a few years ago, that this is a matter of dealing with the prerogative of the Crown.

Deputy Warden Nicholson did not feel that the Nova Scotia Government was flaunting the County Bylaws, because they had asked this Council for approval of the setback.

Councillor Tonks said the only point he was making was that the building inspectors were not permitted to issue building permits to a person whose setback was not in accordance with the bylaws but the Housing Commission erected the building in a non-conforming use and then asked the County for approval. Motion carried.

The Clerk read the Supplementary Report of the Planning and Advisory Committee. Mr. Cox explained the proposed Bylaw re Row Housing.

It was moved by Councillor C. Baker and seconded by Councillor Smeltzer:

"THAT the Supplementary Report of the Planning Advisory Committee be received."

Councillor Tonks asked what safeguards were in effect to insure sufficient land for the building of schools where new subdivisions were being built.

Deputy Warden Nicholson explained that in most cases when a subdivision plan came in, it included ample open spaces for school and recreational purposes but the problem was that they did not build schools any more on less than five to eight (5-8) acres so that it would have to be larger subdivision to provide this much area on the five per cent (5%) basis. He asked that Councillor Hudson or any other Councillor knowing of instances where the required five per cent (5%) had not been provided, that they advise Mr. Gough.

Solicitor Cox said that under the New Town Planning Act there were better provisions for this sort of thing.

Councillor Hudson felt that the new Bylaw was exactly the same as an R2 only there were more restrictions on residents, i.e. livestock clause.

Solicitor Cox said that they had attempted to bring the Bylaw in line with the two cities.

It was moved by Councillor Tonks and seconded by Deputy Warden Nicholson:

"THAT the Zoning Bylaw and the same is hereby amended by adding thereto a TH Zone." Motion carried.

The Clerk read the Report of the Director of Planning and Development.

It was moved by Deputy Warden Nicholson; seconded by Councillor Daye:

"THAT the Report of the Director of Planning and Development be received." Motion carried.

Councillor Tonks asked whether there would be a representation from Planning and Development to activate an action of the Federal Government as a result of the submission on Housing to them.

Deputy Warden Nicholson pointed out that the Federal Government has said they would review their policy but did not say they would change it.  
Motion carried.

It was moved by Deputy Warden Nicholson and seconded by Councillor Gaetz:

"THAT Planning Advisory Committee meet with Central Mortgage and Housing Corporation with respect to Housing and bring in a report at the November session of Council."  
Motion carried.

The Clerk read the Report of the Public Works Committee.

It was moved by Councillor Smeltzer; and seconded by Councillor Gaetz:

"THAT the Report of the Public Works Committee be adopted."  
Motion carried.

Councillor Tonks asked whether the agreement with Fairey Aviation would be passed on to another company should Fairey sell out. Solicitor Cox replied in the affirmative, that it was binding on the property, not the property owner. Motion carried.

It was moved by Councillor Gaetz and seconded by Councillor Tonks:

"THAT the Warden and the Clerk be and they are hereby authorized to execute on behalf of the Municipality an agreement in the Fairey Canada Limited, a copy of which is attached to this resolution." Motion carried.

Councillor Tonks advised that the road to the Oceanview School owned by the County was in very poor condition, that it served three (3) of County's tenants, Robb Engineering, Eastern Passage Fire Department and Gulf Steel and he felt the County had a responsibility to its tenants there as well as to the parents who had to travel this road to take their children to school and the few loads of gravel needed should not be too expensive.

It was moved by Councillor Tonks; seconded by Councillor Gaetz:

"THAT the Director of Public Works be instructed to gravel and grade the road in Elkins Barracks to the School." Motion carried.

It was moved by Councillor Tonks and seconded by Councillor Smeltzer:

Municipality County of Halifax  
Temporary Borrowing Resolution  
Bedford Pumping Station - \$80,000

THAT WHEREAS by Section 6 of Chapter 186 of the Revised Statutes, the Municipal Affairs Act, it is enacted among other things, in effect, that subject to the provisions of Section 8 of the said Act and notwithstanding any of the provisions of any special or general Act of the Legislature of Nova Scotia, every municipality of a county or district shall have full power and authority to borrow or raise by way of loan from time to time on credit of the municipality such sum or sums as the Council thereof deems necessary for the purpose of constructing, altering, extending, or improving Bedford Pumping Station and acquiring or purchasing materials, machinery, implements, or plant deemed requisite or advisable therefor;

AND WHEREAS by Section 8 of the said the Municipal Affairs Act it is enacted among other things, in effect, that no money shall be borrowed under the provisions of the said Act until such proposed borrowing has been approved by the Minister of Municipal Affairs;

AND WHEREAS it is deemed necessary by the Municipal Council of the Municipality of the County of Halifax to borrow a sum not exceeding Eighty Thousand Dollars (\$80,000) for the purpose of constructing, altering, extending or improving Bedford Pumping Station and acquiring or purchasing materials, machinery, implements or plant deemed requisite or advisable therefore;

AND WHEREAS by the Municipal Affairs Act such sum shall in the discretion of the Municipal Council be borrowed or raised in one sum at one time or in instalments at different times and the sum required shall be borrowed or raised by the issue and sale of debentures of the Municipality to such an amount as the Council thereof deems necessary to raise such sum;

AND WHEREAS it is deemed expedient to postpone the issue of such debentures and to borrow such sum, not exceeding Eighty Thousand Dollars (\$80,000.00) as may be necessary for the purpose aforesaid from the Royal Bank of Canada at Halifax, Nova Scotia, the sum so borrowed to be repaid said Bank from the proceeds of said debentures when sold;
