## MAYOR'S REPORT.

---

Dartmouth, Nova Scotia.

To the Ratepayers, Town of Dartmouth, Nova Scotia.  
Ladies and Gentlemen:

I have the honor to submit my fifth annual report as Mayor of the Town of Dartmouth.

Many matters of importance have come up during the year and have been dealt with by the Council, in addition to the regular routine business, which in itself commands considerable attention.

Several questions involving the expenditure of money on capital account were placed before you to decide by your vote and it was your pleasure to turn down the question of expenditure for installing a Chlorination Plant, and to give a majority for an expenditure of \$14,000. for the purpose of improving and extending the Sewerage system of the Town; also for an expenditure of \$2,500. for Fire Trucks. I consider that you have shown good judgment by your vote and the money is being wisely and carefully expended.

It was the intention of the Council to connect up the pavement on Prince Albert Road with the Portland or Ochterloney Street pavement via either Prince Albert Road from where it leaves off at the crusher property to Portland Street, or along Ochterloney Street to connect up with the pavement now on Ochterloney Street. But it was found that the sewers were inadequate and it was then decided to postpone this program of work until such time as the sewer trouble is remedied, and in the meantime

to extend the Portland and Pleasant Street pavement southerly as far as Old Ferry Road and negotiations were made with the Department of Highways of the Province of Nova Scotia, the Honourable Percy C. Black as Minister, for the paving of the balance of Pleasant Street from Old Ferry Road to the Town boundary on the 50/50 basis of expenditure. The agreement has been executed with the Department and the work will likely be done during the year 1930. This, when completed, will mean a continuous pavement to Imperial.

In closing my report I would like to express to the voters who elected me into office my appreciation for their loyal support; to the Councillors for their co-operation; to the Town Clerk and staff and other officials of the Town for efforts and time unsparingly given in the interests of the Town.

Respectfully submitted,

WALTER MOSHER, Mayor.

**ANNUAL REPORT OF FINANCE COMMITTEE.**

---

His Worship the Mayor, and Members of Town Council.

Gentlemen:—I have the honor to submit my annual report as Chairman of the Finance Committee for the civic year ending December 1929.

The net assessment for the current year amounted to \$4,735,675.00 or an increase of \$63,675.00 over the previous year. By the adoption of an economical policy concurred in by all the Committees it was possible to reduce the tax rate from \$3.37 to \$3.30 on every \$100.00 on the assessment.

Final payment was made this year on the \$7,000 Lighting Loan at the Bank of Nova Scotia and final payment was also made on the \$30,000. excess overdraft over and above outstanding taxes from the year 1923. This was in accordance with my recommendation at that time.

Provision will have to be made by the new council to take care of the \$2,500. loan on account of arrears due the Provincial Treasurer by the Housing Commission, a temporary loan for which was made at the Bank. This matter had been pending final adjustment during the past six years.

Tax collections have been highly satisfactory, the total amount of the current year taxes collected being \$109,184.68 as against \$109,247.92 in 1928 at a higher rate of taxation. The collection of overdue taxes also compares favorably with the previous year as out of a total of \$61,080, the sum of \$46,846.94 was collected against last year's total of \$68,414., the sum of 54,123.76 being collected.

The practice of guarding against over-expenditure of the various committees' estimates has been adhered to with the result that only one committee shows any noticeable variation, namely the Streets and Public Property Committee, which have exceeded their estimated expendi-

ture by approximately \$1,800. and this was for street work that was absolutely necessary, and recommended to be done by Council.

The overdraft at the end of the year amounted to \$57,269.95 comparing with \$56,968.77 for the previous year. The Town, however, is fully covered by outstanding taxes amounting to \$63,466.01.

The bonded debt at the beginning of the year, including the Dartmouth Ferry Bonds was .....\$1,157,500.00

Debentures matured and were paid off during the year as follows:—

Water .....	\$8,000.00
Permanent Sidewalks .....	2,000.00
Royal Bank Indebtedness .....	25,000.00
Ferry .....	7,000.00
	\$ 42,000.00
	\$1,115,500.00

Debentures were issued during the year as follows:—

Streets .....	\$11,000.00
Sewerage .....	14,000.00
Fire Trucks .....	2,500.00
	\$ 27,500.00
	\$1,143,000.00

In addition to the above the Provincial Government is holding Town of Dartmouth Debentures to the amount of \$189,000.00 as security for the loan to the Dartmouth Housing Commission.

The town's total debt of \$1,143,000.00 is made up as follows:—

Consolidated Debt. ....	\$ 18,500.00
Schools .....	285,000.00

Ferry .....	259,000.00

Motor Fire Engine .....	15,000.00
Motor Ladder Truck .....	14,000.00
Road Roller .....	4,000.00
Widening Windmill Road .....	13,500.00
Cemetery .....	11,000.00
Pavements .....	50,000.00
Streets .....	11,000.00
Fire Trucks .....	2,500.00
	—————1,143,000.00

The Sinking Fund for the redemption of Debentures at the beginning of the year was \$201,276.39

The following amounts were paid out of the funds towards retiring Debentures:—

Water .....	\$8,000.00
Permanent Sidewalks .....	2,000.00
Royal Bank Indebtedness .....	25,000.00
	—————\$ 35,000.00
	\$166,276.39

The fund was increased during the year as follows:—

Cash assessed for 1929 .....	\$20,530.72
Cash Dartmouth Ferry Com.....	500.00
Sewer Frontage Property Owners ....	3,281.97

	—————\$199,722.57

I have pleasure in expressing my appreciation of support and assistance received from the Mayor, Members of the Council and the officials under the management of the Finance Committee. They have carried out their duties efficiently and well, leaving no reason for complaint.

Respectfully submitted,

ARTHUR C. PETTIPAS, Chairman.

**ANNUAL REPORT OF STREETS AND  
PUBLIC PROPERTY COMMITTEE**

---

His Worship the Mayor and Members of Council,  
Town of Dartmouth, Nova Scotia.

Gentlemen:—

I have the honor to submit my second annual report as Chairman of the Streets and Public Property Committee.

The estimates for the several departments and the amounts expended are as follows:—

	Estimated.	Expended.
Streets .....	\$14,640	\$17,681.29
Town Horses .....	3,500	3,650.05
Lighting .....	5,540	5,598.72
Public Property .....	1,500	953.34
	\$25,180	\$27,883.40
Less Credits .....		\$ 913.63
		\$26,969.77
		\$25,180.00
Net Over Expenditure .....		\$ 1,789.77

In comparison with the estimates of the previous year I would like to point out the estimates for this year were less than for the year 1928 by the sum of \$1,440.00, and after the allotted amount had been exhausted it was still found necessary to make considerable repairs late in the year to several of the streets.

The new Stone Crusher which was very badly needed was purchased this year at a total cost, including installing, of \$3,733.18, and it is giving good service, having crushed this year 1774 tons of stone. Continuing the practice of former years a number of streets were treated

with liquid asphalt, particular attention being paid to Ochterloney Street which was given two coats and the result has been very gratifying.

It is to be regretted that Messrs Stephen Bros. Limited who were awarded the tender of laying a pavement on Pleasant Street from where the pavement leaves off on Portland Street to the Old Ferry Road, were unable to carry out the contract. However the Town still holds their deposit of \$2,000. and this is a matter which will have to be taken up by the new Council.

A new shed was built for the housing of the Road Roller and other vehicles, repairs were made to the Town Lockup, the Walker property, and one side of the Engine House were reshingled, a shed was built on the Crusher property, and a few minor repairs were made to the town buildings.

A large number of streets were repaired; ten were macadamized as will be shown by the report of Superintendent Nichols which sets out the work in detail.

I take this opportunity of expressing by appreciation to the Superintendent of Streets, Mr. Eugene Nichols, for his efficiency and untiring energy.

Respectfully submitted,

WILLIAM MCKENZIE, Chairman.

	—32

Two hundred and fifty feet of "Maltese" fire hose, also two hundred and fifty feet of "Para" fire hose, were purchased during the year. The following supplies were also purchased:—

- 11 Firemen's Coats
- 20 pairs "Storm King" Rubber Boots.
- 12 Spanners.
- 6 Axes.

The sum of \$2,500. was borrowed on "Capital Account" and two Chevrolet Truck Chassis were purchased. One has had a body built and has been converted in to a Hose and Chemical Fire Truck, and is being used to fight fires where it is not necessary to take out the expensive LaFrance Pumper, the other chassis is still on hand and the sum of five hundred and eighty dollars is available to place a suitable body on it as the Council may see fit.

The equipment has been well looked after and is in first class condition and good service has been rendered by the three volunteer companies.

Respectfully submitted.

H. A. YOUNG, Chairman.

**ANNUAL REPORT OF CHARITIES COMMITTEE.**

---

His Worship the Mayor and Members of Town Council.

Gentlemen:—I have the honor to submit my first annual report as Chairman of the Charities Committee.

The amount estimated for this service was \$11,082.00, and the amount expended is \$11,303.28. Of this amount the sum of \$238.30 has been recovered, making the net expenditure \$11,064.98, or \$17.02 less than the amount estimated for.

Hereunder is a statement showing how the money has been expended:—

Maintenance of paupers at County Home	
One year to June 30th, 1929 .....	\$4406.16
Maintenance of patients at Victoria General Hospital,	
One year to Sept 30th, 1929 .....	2465.00
Maintenance of patients at Tuberculosis Hospital,	
One year to October 31st, 1929 .....	879.00
Maintenance at Halifax Industrial School, James Moore and M. Tynes, one year to Sept. 30, 1929.....	191.28
Maintenance at Child Welfare of G. Murphy and E. Morgan, one year to Sept. 30, 1929.....	286.50
Municipality of East Hants, maintenance of Nellie Gray, one year to Sept. 30th, 1929.....	289.33
Maintenance of Austin Hecker at River John, one year to Nov. 18th, 1929.....	139.96

Coroner's fees .....	4.00
Sundry .....	36.92

---

\$11303.28

At the beginning of the year there were at the County Home twenty paupers, twelve male and eight female. During the year, one female was admitted, one male and one female died, and one male was taken out, leaving at the close of the year, eighteen paupers, ten male and eight female.

Owing to the fire at the County Home which rendered the building uninhabitable the patients belonging to the Town of Dartmouth were transferred, along with the County patients, to the City Home at Halifax, where they now are, and the board is the same as it was at the County Home, namely, \$4.50 per week per patient.

At the beginning of the year there were at the Victoria General Hospital chargeable to the Town, two patients. During the year eighty-one patients were admitted. Seventy-six patients were discharged and four died leaving at the close of the year three patients. The maintenance cost is \$2.00 per day per patient.

At the beginning of the year there were at the Tuberculosis Hospital, chargeable to the Town, two patients. Four patients were admitted during the year, four died and two were discharged, leaving no patients there at the end of the year. The board is \$10.50 per week per patient.

The Town has been relieved of the maintenance of the Hecker children, with the exception of Austen Hecker, who is still with J. W. Douglas of River John.

The W. F. Wegener family is still a charge upon the

Town, being looked after through the Halifax Welfare Bureau and the Children's Aid Society.

### LUNATICS

The Amount estimated for this service was.....\$1700.00

The amount expended was ..... 2030.64

Of this amount the sum of \$631.75 was recovered

making the net expenditure ..... 1398.89

On January 1st, 1929, there were at the Nova Scotia Hospital, chargeable to the Town, two patients, one male and one female. Three males and two females were admitted during the year, and one female was discharged, making the total number left on December 31, six patients, four male and two female.

The rate of board is now \$45.00 per month.

Respectfully submitted,

L. M. BELL, Chairman.

## ANNUAL REPORT OF POLICE AND LICENSE COMMITTEE.

---

His Worship the Mayor and Members of Town Council.

Gentlemen:—Your Committee on Police and Licenses beg to submit the following report for the year 1929.

The amount placed in the estimates for Police Service was \$6,784.00 and the amount expended was \$6,949.34.

The amount estimated for revenue from Licenses was \$400.00 and the amount received was \$432.50.

At the beginning of the year the personnel of the force consisted of Chief of Police A. S. Johnston, Deputy Chief J. T. Clarke, and Officers J. J. Lawlor and J. Snow. During the year Officer Snow resigned and Mr. H. W. Arnold was appointed to fill the vacant position.

The year has been marked by the strenuous activity of the Chief and his officers in rounding up many offenders against the Nova Scotia Temperance Act, convictions being obtained resulting in considerable revenue in the way of fines paid. There were also several cases of offenders under the Inland Revenue Act, the fines resulting in these cases being paid over to the Dominion Government.

As in previous years there were a number of prosecutions and convictions under the Nova Scotia Motor Vehicle Act.

There have been rather more cases of breaking and entering and theft than usual and the police have been fairly successful in rounding up and convicting the offenders:

It is felt that the smallness of the force impairs its efficiency to some extent and that another man is needed owing to the large increase in the population in the town and the consequent increase in police work. Your Council should seriously consider the appointment of an addition of two officers at an early date. I wish to recommend to your council that an officer be on duty at the intersection of Portland and Commercial Street and the Dartmouth Ferry daily to regulate the traffic and that the Dartmouth Ferry Commission pay half of said officer's salary.

Annexed is report of the Chief of Police showing statistics of the Dartmouth Municipal Court and Police Court for the current year.

Respectfully submitted,

H. A. YOUNG, Chairman.

---

Chairman and Members of the Police and Licenses Committee, Town of Dartmouth.

Gentlemen:—The following is a brief of the work coming under the direction of the Police Department for

the year ended December 31, 1929:—

**ANNUAL REPORT OF WATER COMMITTEE.**

His Worship the Mayor and Members of Town Council.

Gentlemen:—Your Committee on Water and Sewer beg to report on the work of that department for the year ended December 31, 1929, as follows:—

Nine new water and sewer connections, three new sewer only, and one new water only, were made. Five house connections were renewed and leaks were fixed in twelve. Four house sewers were dug up and repaired. Six house service connections were found corroded up. Eight leaks were repaired in the town water mains.

The most important work of the year was the taking up of the Prince Albert Road sewer from Portland to Hawthorne Street and replacing with a larger sewer. This work was necessary to properly take care of that section and also to facilitate the work of paving that street

which is under consideration to be done in the near future. This sewer work has made it possible to give a better grade on Elliot Street if necessary. We also expect to start work shortly on a storm sewer to take care of the surface water from Austenville district and part of Ochterloney Street.

The screens at the Lake were cleaned twice each month and the copper wire screening was renewed this year.

The hydrants have been regularly tested in the cold weather and a plentiful supply of good water has been available at all times.

For further particulars of work see report of Superintendent of Water Works which may be found on another page.

Respectfully submitted,

FRANK W. WALKER, Chairman.

**REPORT OF HEALTH OFFICER.**

---

Walter Mosher, Esq.,

Your Worship:—

The health conditions of the Town of Dartmouth for 1929 have been very satisfactory. No extended epidemic has invaded our town. Compared with other towns and municipalities of Nova Scotia we got off very lightly in regard to infectious disease.

Unemployment situation having improved very much, diseases incident to undernourishment among children were much reduced.

Housing conditions could be improved, many houses are old and have been allowed to escape much needed repairs. These should be gradually weeded out as opportunity arises.

Rigid Spring cleaning of premises should follow the disappearance of snow and ice. Menace of the filthy fly could largely be removed if backyards were depleted of their breeding places in garbage piles. A systematic collection of refuse would be ideal especially in spring and summer months.

H. A. PAYZANT, M. D., Health Officer.

**REPORT OF SCHOOL COMMISSIONERS, 1929.**

---

To the Ratepayers of the Town of Dartmouth,

Ladies and Gentlemen:—

I have the honour to submit the Annual Report of the Board of School Commissioners for the year, 1929.

It gives me much pleasure to state that Grade XI has been re-opened and is well attended, with an enrollment of thirty-seven.

Owing to lack of accommodation in Hawthorne School we have been compelled to combine Grades VII and VIII with Miss MacNamara as teacher.

A number of changes have occurred in our teaching staff; twelve new teachers were appointed during the year and three of our long experienced and faithful teachers have resigned; Miss Bessie Hume, who taught for fifty years, Miss Bessie Thomas for thirty-six years and Mrs. Elizabeth Laidlaw for thirty-six years. All the members of the Board, will I am sure join me in paying a most sincere and high tribute to these ladies, for the wonderful work they accomplished during their long terms of office, and the many pupils who have passed through their hands and received such a splendid foundation for the Senior Grades will no doubt "rise up and call them blessed."

It is to be regretted that the Pension Scheme had not been adopted long ago, thereby making more adequate provision for the future of our teachers.

The Park School Bungalow has been sold and the grounds cleaned up, which makes a better appearance near the school.

On account of a request from the Town Council the Board decided not to renew the lease for the old Park School to the Department of National Defence.

Many changes in the personnel of the staff were made during the past year. Miss Hume, Miss Thomas and Mrs. Laidlaw retired on pension. These teachers have rendered excellent service to the Town of Dartmouth and are deserving of a long vacation. Miss Hume was a member of the staff for a period of fifty-one years. Miss Thomas and Mrs. Laidlaw for thirty-six years.

Miss McPhail, Miss Thompson and Mr. Crandall resigned. Miss Marion Forsyth and Mr. Ian Forsyth were granted leave of absence for one year for further study.

Mr. Moran replaced Mr. Crandall as Science teacher. Mr. Campbell was appointed to the High School Staff. Miss DeVan was also transferred from Hawthorne School to the High School staff. Other appointments were as follows: Miss Margaret Myatt to Grade I, Hawthorne; Miss Vera Vincent to Grade I, Victoria; Miss Gladys Gervais to Grade V and VI Victoria; Miss Clara Quinlan to Grade VII, Hawthorne; Miss Annie Milne to Grade VI, Greenvale; Miss Maude Otto Grade III, Hawthorne; Miss MacNamara to a combined Grades VII and VIII Hawthorne.

The Primary grades at Hawthorne and Park are alternating each month. Grade XI was restored at Park and has an enrollment of thirty-seven. Grade IX at Hawthorne has an enrollment of 61, at Park an enrollment of 58. These grades are too large for effective work.

---

The School Banking, which is carried on by the Bank of Nova Scotia, had a balance of \$8,000 at the end of the year.

I wish to express my appreciation of the co-operation received from you and the other members of the Board during the year.

Respectfully submitted,

G. C. BEAZLEY, Supervisor.

**ANNUAL REPORT OF MEDICAL ATTENTION  
AT SCHOOLS.**

---

Dr. Stevens, Chairman of School Board.

Dartmouth, N. S.

Dear Sir:—I beg to submit the following report on school work.

The annual physical examination was given to the pupils in the four schools by one Doctor and two Nurses. About 1770 pupils were examined and a great many defects found in tonsils and teeth. Yet we were pleased to notice quite a number of defects had been corrected since the last examination.

W. L. FILLMORE, V.O.N.

**DARTMOUTH HOUSING COMMISSION.**

---

His Worship the Mayor and Members of Council,  
Town of Dartmouth, N. S.

Gentlemen:—On behalf of the Dartmouth Housing Commission I am sorry to have to report that collections for the year 1929 have been falling behind somewhat and while we have been perhaps too lenient in the past it is time to call a halt and bring some of the worst offenders to time.

The reasons for this falling off are various. In three cases death has taken the principal breadwinner, leaving a widow and family to get on as best they can and when we know they are doing all they can it places the Commission in a hard position to know just what to do.

Some others while they have steady employment do not seem to realize their obligations to the Commission and in spite of asking them time after time to keep up their payments, continue to drop behind and are really the ones who cause most of the trouble and against whom we

will be obliged to take drastic action.

Then we have seven houses on our hands which we have to keep rented and while we have them all occupied at present one at least has been bringing in no revenue for nearly a year, and is now rented for six dollars less than we have to pay the Government. Others are in the same position although the difference is not so great.

For standing of different properties see Secretary's report which follows:

FRED'K. W. STEVENS, Chairman.

**FERRY REPORT 1929.**

To the Ratepayers of the Town of Dartmouth.  
Ladies and Gentlemen:—

I have much pleasure in submitting my report for the year 1929, especially in view of the improved financial condition of the ferry as shown by the statements herewith.

Our Profit for the year was \$27,672.82, this being the most profitable year in the history of the ferry.

During the year we have increased our Depreciation Account by \$18,081.96. This account now amounts to \$77,020.89.

We have also paid \$500.00 towards a Sinking Fund Reserve, which now stands at \$3314.14. This fund was started six years ago.

Our Invested Reserves now amount to \$59,611.41.

In May of this year we paid off \$7,000.00 of Ferry Debentures which matured on the 2nd May.

The total revenue from all sources amounted to \$182,606.08, being \$14,384.72 more than the year 1928.

All classes of traffic show a substantial increase over previous years. Foot passenger traffic has increased more than vehicular traffic.

Commutation books and passes are becoming more popular with the travelling public,—receipts this year being \$2852.50 more than last year.

We have had no extraordinary expenses during 1929, and all our boats and wharves are in good condition and should last for some time.

Notwithstanding the extra ferry service this year, we have made a substantial saving in coal, the cost of same being \$1740.00 less than in 1928.

I am glad to report that we have had no serious

accidents of any kind during the year, and all the employees have carefully performed their duties.

For any other information, I would refer you to the Auditor's Report attached.

I have the honor to be,

WALTER MOSHER, Chairman.

I have examined the Books and Accounts of Dartmouth Ferry Commission for year ending December 31st. 1929, and in my opinion the above Balance Sheet is correctly drawn to represent the position of the Commission as on December 31st. 1929, as shown by the Books of said Commission.

As in former years and in accordance with resolution of the Commission, the Income from Reserve Fund Investments has been credited direct to Reserve Account and does not appear in the Revenue Account for the year.

(Signed) GEO. H. HOLDER, C.A., Auditor.  
Halifax, N. S., Jan. 17th, 1930.
