MAYOR'S REPORT

The Ratepayers, Town of Dartmouth.
Ladies and Gentlemen:

I have the honor to submit my eighth annual report as Mayor of the Town of Dartmouth.

We have passed through another year of depression, confronted with many difficult problems which made the governing of the Town no easy matter and much time and energy was freely given by your council in dealing with the problems placed before it.

The unemployed situation, I regret to say, did not improve throughout the year and the Town was called upon to spend much money in order to help out the situation and the work under agreement with the Provincial Government under the Unemployed Relief Act in 1931 was carried on through the winter and well into the summer. In addition to this the sum of \$50,000 was borrowed and spent on pavements thereby giving employment to a large number of men.

The Town has entered into an agreement with the Provincial Government for Direct Relief for the winter of 1932-1933 and an office for the operation of this system has been established at the Town Hall under the direction of a special committee appointed from the Town Council which is giving every attention to this scheme, and I trust that the year 1933 will see conditions improved.

I wish to express my appreciation to the Councillors for their co-operation and the Town Clerk and his staff and other town officials for efforts and time unsparingly given in the interest of the town.

Respectfully submitted,

WALTER MOSHER, Mayor.

ANNUAL REPORT OF FINANCE COMMITTEE.

His Worship the Mayor and Members, Town Council.
Gentlemen:

I have the honor to submit my annual report as Chairman of the Finance Committee for the year 1932.

I am pleased to report that the finances of the Town, despite abnormal and disturbing factors in general business, to be satisfactory.

During the year it was found necessary to issue debentures totalling \$135,000; \$40,000 of which was for the construction of a new public school on Elliott Street. In order that the School Board could be accommodated with the full amount of \$40,000 authorized by Legislation, previously obtained, the money was raised through private negotiation with the Dartmouth Ferry Commission and in this way a saving of nearly \$3,000 was made as compared with what would have been received had the Bond issues been floated in the public market. The Ferry Commission accepted the Town's Bonds at par at 5% which, as stated, effected a saving and at the same time enabled the school Board to carry out its contract without any delay.

Tenders were later invited by the Finance Committee on debentures to cover the cost of permanent improvements and satisfactory prices were obtained, considering the conditions of the money market at that time.

Collection of taxes in arrears and on current taxes were satisfactory during the year. All sinking fund and interest charges were met as required by Law. At the beginning of the year sinking funds for the redemption of debentures totalled \$231,297.87 out of which \$39,212.50 was paid towards retiring water debentures, leaving a balance in the sinking funds of \$192,085.37. The Fund was further increased during the year by

\$30,616.25 so that at the close of 1932 the sinking funds showed a credit balance of \$222,701.62.

The amount of debentures issued during the year totalling \$135,000 does not include the \$50,000 expended for the construction of permanent streets with the Warren Paving Company, nor does it include the cost of improvements made to the Fire Station, the Police Lock-up and other public works. These items will be included in a borrowing to be made in 1933.

The bonded debt at the beginning of the year, including Dartmouth Ferry Bonds was.....\$1,182,000.00

Debentures matured and were paid off during the year as follows:

| | |
|--------------------------|---------------------|
| Water and Sewerage | \$ 62,500.00 |
| | <u>1,119,500.00</u> |

Debentures were issued during the year as follows:

| | |
|-------------------------|-----------------------|
| Streets | \$19,000 |
| Schools | 40,000 |
| Sidewalks | 15,000 |
| Water | 25,000 |

| Unemployed Relief | 15,000 |
| | <u>\$ 135,000.00</u> |
| | <u>\$1,254,500.00</u> |

In addition to the above the Provincial Government is holding Town of Dartmouth Debentures to the amount of \$189,000.00 as security for the loan of the Dartmouth Housing Commission.

The Town's total debt of \$1,254,500.00 is made up as follows:

| | |
|-------------------------|-----------|
| Consolidated Debt | \$ 18,500 |
| Schools | 318,500 |

| Cemetery | 2,526.09 |
| Permanent Streets | 14,998.68 |
| | —————\$222,701 62 |

Your Committee would again emphasize the need of a modern municipal building. It is hardly necessary to state that the existing one does not meet, in any way, the important work which has to be carried out. It is surprising that the work is as efficiently handled as it is but this only reflects upon the efficiency of Mr. W. T. Smith, the Town Clerk and his staff. The Auditors have made recommendations with regard to a change in the Accounting system but it has not been found possible to make any radical changes although the time is not far distant when improvements must be made. It was hoped that a new building would be available when proper and modern office facilities could be provided in keeping with any changes which might be considered advisable. In case of a fire considerable quantity of important and necessary papers would be lost as facilities for preserving these documents are not available with adequate capacity.

I wish to take this opportunity to express my thanks and appreciation of the co-operation given to me as Chairman to the members of the Finance Committee and also to the Town Clerk, Mr. Smith, and his staff for the able and efficient manner in which they have carried out their duties.

Respectfully submitted,

ARTHUR C. PETTIPAS, Chairman.

ANNUAL REPORT OF STREETS AND PUBLIC PROPERTY COMMITTEE.

His Worship the Mayor and Members of Council,
Town of Dartmouth.

Gentlemen:—I have the honor to submit my report as Chairman of the Streets and Public Property Committee for the year 1932.

The estimates of the several departments and the amounts expended are as follows:—

| | Estimated. | Expended. |
|---|------------|--------------|
| Streets | \$11,870 | \$23,124.08 |
| Less Extra Exp. Bonds to be issued | | 6,902.26 |
| | | \$ 16,221.82 |
| Town Horses | 3,000 | 2,601.90 |
| Public Property | 500 | 11,752.03 |
| Less Extra Exp. Bonds to be issued | | 11,252.03 |
| | | 500.00 |
| Lighting | 6,197 | 5,615.18 |
| | \$21,567 | \$ 24,938.90 |
| Less Credits, stone sold, etc | | \$ 2,155.16 |
| | | \$ 22,783.74 |
| Total Estimated Expenditure | | 21,567.00 |
| Net Over-Expenditure | | 1,216.74 |

Work on streets was started very early in the year, there being a demand for employment and there were also a number of streets which needed considerable repairs. A large number of men were kept on street work until the end of November.

The crusher was moved from the Walker Property on Prince Albert Road, owned by the Town, where it had been for many years, to the town property on Crichton Avenue, where a new building had been erected for it. This was necessary as a large part of the Walker Property was sold to the Board of School Commissioners for a site for the Findlay School.

The Fire Station which was in a very dangerous condition and badly in need of repairs was completely overhauled and remodelled. The old stoves which were used many years for heating, at a very expensive cost for fuel and repairs, were taken out and an up to date hot water heating system was installed. It is felt that the new system will mean a great saving in fuel. A concrete floor was laid in the right wing of the building and the stables were taken out and that part of the building was converted into a machine shop for Mr. Harrison, who has charge of all town machinery. A separate stable was built for the housing of the town horses, which now number only two. The town workshop was also repaired and painted and now presents a very creditable appearance.

The roof of the Police Station was reshingled and an addition was built on the rear.

The cost of all this work amounted, approximately, to \$12,000, which will be taken care of in a bond issue. All work in connection therewith was done by town workmen, thereby providing help to a number of families.

A contract was awarded during the year to the Warren Bituminous Paving Company for the paving of Hawthorne Street, Pleasant, between Prince Albert Road and Portland Street, and Portland Street to the town limits, at a cost of\$46,561.98

**ANNUAL REPORT OF WATER AND SEWER
COMMITTEE**

His Worship the Mayor and Members of Council,
Town of Dartmouth.

Gentlemen:—Your Committee on Water and Sewer beg to report on the work of that Department for the year ended December 31, 1932, as follows:—

Twenty-eight new dwellings erected during the year and two new schools were connected with the Water and Sewerage system of the Town. Two new sewer connections and six new water connections were made to dwellings previously erected. Ten water service connections were renewed and thirteen water connections were dug up and repaired. Five house service connections were also dug up and repaired.

The screens at Lake Lamont, the source of the town water supply, were cleaned forty times, within the year. Five casks of lime were also put in the lake and precautions were taken to protect the water supply.

All hydrants were tested monthly. Repairs were made to five of them and one new one was installed.

A number of standpipes were replaced and repaired, and seven leaks in the Water Mains were attended to.

For detailed report of work performed I would refer you to the report of Superintendent Nichols which follows

Respectfully submitted,

IVAN L. HALEY, Chairman.

ANNUAL REPORT OF FIRE COMMITTEE 1932.

His Worship the Mayor and Members of Town Council.

Gentlemen:—Your Committee on Fire beg to submit the following report for the year 1932:—

The estimated expenditure was\$7491.00

The actual amount expended was, and is made up as follows:

| | |
|--|----------------|
| Drivers of Apparatus | \$ 100.80 |
| Drivers of Motor Fire Engines (2) | 2936.90 |
| Substitute Driver of Fire Engine..... | 117.60 |
| Payment on new U. P. C. Truck | 300.00 |
| Lighting | 189.95 |
| Fuel | 264.75 |
| Telephone | 93.76 |
| Installing Magneto telephones, Engine House | 56.00 |
| Accessories and parts, Fire Engines | 550.32 |
| Repairs to apparatus | 93.44 |
| Oil, grease, etc. | 36.00 |
| Insurance | 93.55 |
| Hose | 625.00 |
| Stove Service | 128.55 |
| Rubber Coats and Boots | 30.30 |
| Wrenches, etc. | 149.82 |
| Soap, Sponges, etc. | 21.92 |
| Sundry | 82.26 |
| | —————\$5870.92 |

A Chevrolet chassis was purchased for the Union Protection Company and a suitable body built thereon at a total cost of \$1545.00, the sum of \$300.00 was included in the estimates as a payment on account of the truck, the balance will be taken care of in a bond issue.

Legislation was enacted during the year disbanding the Dartmouth Engine Company and the Dartmouth Axe and Ladder Company; the members of the companies have for many years given faithful and efficient service to the town, but it was felt that the men should all be under one chief and a new company was organized known as the "Dartmouth Fire Department" composed of members of the former companies, which is now operating in perfect harmony.

A copy of the minutes of the organization meeting may be found hereunder:—

Dartmouth, N. S., June 22nd, 1932.

The first meeting of the firemen called by the Dartmouth Fire Committee of which Councillor Haley was the Chairman for the purpose of electing officers of the newly created Dartmouth Fire Department, was held in the Town Hall on the evening of June 22nd, 1932.

Councillor Haley, Chairman of the Fire Committee, presided. Other members of the Fire Committee present were Councillor Paterson and Pettipas.

The following men being chosen to comprise the new department.

| | |
|---------------|------------------|
| J. P. DeVan | Patrick Lahey |
| R. Bowser | Harold Short |
| M. F. Hilton | W. Mott |
| Fred Lahey | George Patterson |
| Wm. Harrison | R. Hilchey |
| H. Preeper | H. Conrod |
| C. Gray | R. Power |
| Gerald Lynch | C. Norman |
| R. Walsh | L. O'Hearn |
| Arthur Barry | P. Turpin |
| Roland Finlay | R. Mott |
| M. Walsh | Joseph Stevens |
| Roy Webber | Henry Stevens |
| Arthur May | Neil Dooks. |
| Bert Blank | |

Councillor Haley outlined the object of the meeting and called for the appointment of a nominating Committee.

The following named Committee was appointed: Fred Lahey, Ralph Power, Richard Walsh and Harry Preeper. The Committee then retired and upon their return submitted a report recommending the election of officers as follows:

- Chief—James P. DeVan.
- Deputy Chief—Reuben Bowser.
- Captain of Hose—Mervin Hilton.
- Captain of Ladder—Richard Walsh.
- Secretary—Gerald Lynch.
- Treasurer—Clarence Gray.
- Marshall—Arthur Barry.

Moved by Fred Lahey, seconded by Ralph Power that the report of the Nominating Committee be received and adopted. Motion put and passed.

On motion it was decided that the By-Laws of the Axe and Ladder Company govern the operation of the Dartmouth Fire Department until such time as new By-Laws were drafted and adopted.

Moved Fred Lahey, seconded by R. Bowser that the Department meet on the first Monday in each month except the present month of June when it will meet on Wednesday. Motion put and passed.

On motion the following were appointed a Committee to draw up Bye-Laws: J. DeVan, R. Bowser, Wm. Harrison, H. Preeper, M. Hilton, Fred Lahey and Roland Findlay.

Due to the remodelling of the Fire Station the apparatus is now all in the one building which facilitates the supervision and care of the Engines, etc.

During the year there were seventeen general alarms and fifty-five chemical calls in Town and one outside the town at dwelling of James Gentles where considerable damage was done.

The general alarms are classed as follows:

| | |
|---------------------------|---|
| No damage | 4 |
| Slight damage | 4 |
| Considerable damage | 5 |
| Burnt down | 2 |
| False | 1 |
| 1 Haystack (burnt) | |

All apparatus is in first class condition.

Respectfully submitted,

IVAN L. HALEY, Chairman.

**ANNUAL REPORT OF POLICE AND
LICENSE COMMITTEE.**

His Worship the Mayor and Members of Town Council.

Gentlemen:—Your Committee on Police and Licenses beg to submit the following report for the year 1932.

The amount placed in the estimates for police services was \$7,210.00 and the amount expended was \$7,542.62. The over-expenditure of \$332.62 is accounted for by the purchase of a motor cycle which was authorized by Council after the estimates were made up.

Th amount received from licenses was \$455.00, and the estimated receipts were \$400.00.

Several meetings of the committee were held during the year and the routine of the force re-arranged so as to incorporate the duties of the truant officer with that of the force. The method by which the officers have followed up the truancy situation has shown its results by the marked improvement in school attendance.

In order to widen the scope of the officer on duty a motor cycle with side-car has been purchased with beneficial results.

In general the force, though small in number, has carried out its work in a commendable manner.

I wish to thank the other members of the Committee and the Chief of Police and Officers for their co-operation.

Annexed is a report of the Chief of Police showing statistics of Dartmouth Municipal Court and Police Court for the current year.

Respectfully submitted,

JOHN PATERSON, Chairman.

Chairman and Members of Police and License Committee,
Town of Dartmouth.

HEALTH OFFICER'S REPORT FOR YEAR 1932.

Chairman, Board of Health.

Dear Sir:—I beg to submit my report for the year 1932.

The past year has been a very healthy year. The incidence of infectious diseases has been of limited extent.

The examination of the town's water supply has been with the exception of two months in the summer satisfactory. During this period colon bacilli were found and I advised boiling of the water as a preventive measure.

I note with approval the gathering of ashes, rubbish, etc. weekly by a private concern. This is good as far as it goes but I think it should be done more extensively as a town measure. It would remove most of the menace by flies which have their breeding places amongst such stuff.

Housing conditions should be improved and such menaces to health and morals as Merlebank house should not exist.

This place in a christian community unfit for animals should not cradle our future citizens, inferior in physical and moral stamina. I would therefore advise that it be condemned.

H. A. PAYZANT, M.D., Health Officer.

REPORT OF SCHOOL COMMISSIONERS, 1932.

To the Ratepayers of the Town of Dartmouth.

Ladies and Gentlemen:—

I have the honor to submit the Annual Report of the Board of School Commissioners for the year 1932.

A modern, six-roomed bungalow school, named the "Findlay School," in memory of Sara Findlay, who for over fifty years was a teacher in the public schools of this town, was completed during the summer. Six classes were opened there, and part time classes which have heretofore been in operation were no longer necessary.

The enrollment of the High School continues to increase, and a second Grade XI was formed. Under normal conditions the pupils enter the sphere of business as clerks, stenographers, etc., but at present they are remaining at school.

Repairs to buildings were much greater last year, partly because they have been delayed from other years. Some exterior painting was done at Greenvale and it is hoped that the same can be done at Hawthorne next summer.

Some equipment was added to the Science Laboratory and additional is being purchased each year by means of the High School grant.

The Supervisor's report carries the statistics for the year.

The record of the High School was among the best in the Province.

I wish to express my appreciation of the way in which the meetings of the Board were held, and also to thank

Supervisor Beazley, the Secretary and his staff for assistance so kindly rendered during the year.

Respectfully submitted,

FREDERICK W. STEVENS, Chairman.

Dr. Stevens,

Chairman, Dartmouth School Board.

Sir:—I beg to submit the annual report of the schools.

The statistics are as follows:

| | |
|--|------|
| Number of pupils enrolled | 1880 |
| Number of Boys', Grades 1 to VIII..... | 824 |
| Number of Girls, Grades 1 to VIII..... | 818 |
| Number of Boys', High School..... | 101 |
| Number of Girl's, High School..... | 137 |

Number of Pupils in the Different Grades.

| 20 years of age..... | 1 |

The construction of the "Findlay School", made it possible to have all classes operating on full time. Grades I to VI were opened in the new school with the following teachers, Mr. John Marsters, (B.A.), Miss Gervais, Mrs. Hebb, (B.A.), Miss Otto, Miss Harrison and Miss Conrad.

On the High School staff there was one change, Mr. L. Clarke, (B.Sc.), replaced Mr. Spinney as Science teacher.

Reference books, a delineoscope, and additional equipment were added at Park.

Due to Grade XI being too large, a division was made and Grade IX at Park was transferred to Hawthorne.

Funds were supplied by the Parent-Teachers Association to purchase two sets of the "Book of Knowledge" as well as the major amount for a modern encyclopaedia.

The School Banking, which is conducted by the Bank of Nova Scotia had a balance of \$9,945.39 at the end of the year.

I wish to express my appreciation of the co-operation received from you and the other members of the Board during the year.

Respectfully submitted,

G. C. BEAZLEY.

DARTMOUTH HOUSING COMMISSION.

His Worship the Mayor, and Members of Dartmouth Town Council.

Gentlemen:—On behalf of the Dartmouth Housing Commission, I beg to submit the following Report.

Two houses have been taken out of the Commission, and fully paid up. L. H. Walker sold to George A. Sterns and Claude Morris paid up balance due on his.

Three have been transferred, the Wyle house to James Wallen, Baxter to B. K. Publicover, and Graham house to Alex. McDow.

There are two houses on our hands which the Commission are anxious to sell.

The \$2,500 borrowed from the Town in May, 1930, has been paid back.

The books of the Commission have been audited up to December, 31st, 1932, by Major H. D. Crieghton, C. A., and found correct.

The following lists will show the difference in payments for

FERRY REPORT 1932.

To the Ratepayers of the Town of Dartmouth.

Ladies and Gentlemen:—

It is with a great deal of pleasure I submit my report for the year 1932 as notwithstanding a large falling off in our revenue, we were able to close the year's business with a profit of \$7040.92, after paying \$500.00 towards our Sinking Fund.

This Sinking Fund now amounts to \$5353.67 and was started nine years ago.

During the year just passed we were compelled to make extensive repairs to our Dartmouth Wharves at a total cost of \$7990.02. Minor repairs to our Halifax Dock also cost \$2240.28.

The cost of repairing the three ferry steamers amounted to \$22,302.36. It was found necessary to renew fifteen plates on the Steamer "Chebucto", and also renew several frames. The repairs to this vessel alone cost \$11,756.02.

All our buildings have been thoroughly gone over and are in good condition. The cost for this for the year being \$876.41.

The total cost of repairs to boats, wharves, docks, landings and buildings amounted to \$34,391.21. This amount has all been charged directly to Operating Expenses.

In August the Commission paid \$500.00 towards the Natal Day expenses. We also this year made a grant to the Victorian Order of Nurses of \$300.00.

The total expenses for the year were \$3,648.75 less than for the year 1931.

Our Reserve Fund Investments amount to \$93,986.81. We also have \$58,438.25 of our Current Account invested

in Dominion of Canada, Provincial and Municipal Bonds, and \$10,601.50 in the Bank and on hand.

During the year we have increased our Depreciation Account by \$17,367.96, and this account now stands at \$129,932.55.

I regret to report the death of the oldest employee of the ferry, viz. Mr. David Barry, who passed away in February. He had been with the Ferry for forty-two years.

I am glad to report that we have had no serious accidents of any kind during the year, and all the employees have carefully performed their duties.

For any other information I would refer you to the Auditor's Report attached.

I have the honor to be

WALTER MOSHER, Chairman.

Manager's Report For Year Ending December 31st, 1932.

I am pleased to report that although our revenue has fallen off very considerably during the year 1932, we were still able to close our books with a profit.

In making a comparison of ferry revenues for the last four years, I find that the receipts from sales of ferry tickets for the year 1932 was only \$522.99 less than the year 1929, which at that time was considered an exceptionally good year.

It is interesting to note that pedestrian traffic in 1932 was \$842.14 less than in 1929, while vehicular traffic increased \$319.15.

The revenue for the years 1930 and 1931 were exceptionally high. I make the comparison with the year 1929 as it was the average year for the last six years.

Our expenses have been kept as low as possible, but

as the boats are growing older, every year, it is necessary to do a larger amount of repairing in order to pass the annual Government inspection.

The cost of our coal has increased considerably during the year 1932. This has been caused by extra service, making coal tests, and increased cost of coal, and also owing to the fact that on account of strikes in the mines it has been necessary to buy coal in the open market.

Considering the falling off in employment and the hard times generally, I think our statement compares favorably with that of former years.

C. A. HUNTER, Managr.

I have examined the Books and Accounts of Dartmouth Ferry Commission for year ending December 31st, 1932, and in my opinion the above Balance Sheet is correctly drawn to represent the position of the Commission as on December 31st, 1932, as shown by the books of the said Commission.

During the year under review the sum of \$34,391.21, for Repairs and Replacements was charged direct to Operating Expenses.

As in former years and in accordance with resolution of the Commission, the Income from Reserve Fund Investments has been credited direct to Reserve Account and does not appear in the Revenue Account for the year.
