MAYOR'S REPORT

The Ratepayers, Town of Dartmouth.
Ladies and Gentlemen:

I have the honor to submit my report as Mayor of the Town of Dartmouth for the year 1936.

Many matters of importance were dealt with at meetings of Council at which I presided.

Mr. Eugene Nicholls, a faithful employee of the Town, who held the position of Superintendent of Streets and Waterworks for many years, was granted a well deserved pension.

The boundary lines of wards of the town were changed as follows:—

WARD I—Beginning at the Harbor front to the east and south from the centre of Canal Street, Prince Albert Road, to Nowlan Street, both sides of Prince Albert Road from Nowlan Street to town boundary line.

WARD II—Beginning at Harbor front to the west and north from the centre of Canal Street, Prince Albert Road to Nowlan Street, across Lake Banook in direct line to end of Banook Road to the south side from the centre of Banook Road, Crichton Avenue, Dahlia Street, Park Avenue to Harborfront.

WARD III, Section "A"—Beginning at Harborfront to the west and north from the centre of Park Avenue, Victoria Road to town boundary line.

WARD III, Section "B"—From the town boundary line at the end of Victoria Road, the east side from the centre of Victoria Road to Dahlia Street, the North side from the centre of Dahlia Street, Crichton Avenue, Banook Road to Lake Banook.

Maps showing the change are being prepared and will be submitted along with the by-law, to the Governor-in-Council for approval.

A close check was kept on the estimated expenditures of the various Standing Committees, and a net saving of \$1,709.74 was effected as follows:—

| | | |
|--------------------------------|------------|-----------------|
| CHARITIES, under expended..... | \$1,745.02 | |
| FIRE, under expended..... | 123.06 | |
| FINANCE, under expended..... | 2,618.97 | |
| | | —————\$4,487.05 |
| LESS | | |
| STREETS, over expended | \$2,613.54 | |
| POLICE, over expended | 163.77 | |
| | | —————\$2,777.31 |
| | | ————— |
| NET SAVING..... | | \$1,709.74 |

An over-expenditure of two thousand dollars was authorized by Council to satisfy the demands of rate-payers for street improvements after the estimates for the year had been passed and the tax rate fixed.

I take this opportunity of thanking the voters who elected me into office and the councillors for their co-operation, also the Town Clerk, Town Engineer staff and other officials for their services unsparingly given in the interests of the town.

Respectfully submitted,

WALTER MOSHER, Mayor.

ANNUAL REPORT OF FINANCE COMMITTEE 1936

His Worship the Mayor and Councillors.
Town of Dartmouth.

Gentlemen:

As Chairman of the Finance Committee I have the honor to submit by report for the year 1936.

A check up was made on the outstanding Personal and Poll taxes and determined efforts were made to collect, civil summonses were issued in many instances which helped to stimulate collections. Tax collections on real estate were also very good as total tax collections amounted to \$182,237.61 as compared with \$175,909.93 the previous year. This is the largest increase for several years.

The overdraft on General Account on December 31, 1936 was \$86,737.68 which is offset by outstanding taxes considered collectable to the amount of \$83,708.59.

The Bonded Debt at the beginning of the year including Dartmouth Ferry Bonds was—\$1,354,000.

Debentures matured and were paid off during the year as follows:

| | | |
|---------------------------|----------|--------------------------|
| Water | \$5,000. | |
| Permanent sidewalks | 3,000. | |
| | | —————\$8,000. 1,346,000. |

Debentures were issued during the year as follows:

| | | |
|-----------------------|---------|--------------------------|
| Water (renewal) | \$3,500 | |
| Water | 5,000. | |
| | | —————\$8,500. 1,354,500. |

In addition to the above, the Provincial Government is holding Town of Dartmouth debentures to the amount of \$189,000 as security for the loan of the Dartmouth Housing Commission.

The Town's total debt of \$1,354,000 is made up as follows:

| | |
|--------------------------------|-------------|
| Consolidated Debt | \$ 18,000 |
| Schools | 318,500 |
| Water and Sewerage | 379,700 |
| Permanent Sidewalks | 35,000 |
| Motor Fire Engine | 15,500 |
| Motor Ladder Truck..... | 14,000 |
| Road Roller | 4,000 |
| Widening Windmill Road..... | 13,500 |
| Cemetery | 11,000 |
| Permanent Streets | 266,000 |
| Fire Trucks | 2,500 |
| Electric Light | 3,500 |
| Unemployed Relief | 27,500 |
| Crusher | 3,100 |
| Royal Bank Overdraft..... | 24,000 |
| Public Works | 22,200 |
| Tractor, Plough and Truck..... | 8,500 |
| Ferry | 188,000 |
| | \$1,354,500 |

The Sinking Fund for the redemption of debentures at the beginning of the year was....\$368,262.34

The following amounts were paid out of the funds towards retiring debentures:

| | |
|---------------------------|--------------|
| Water | \$1,500 |
| Permanent Sidewalks | 3,000 |
| | \$ 4,500.00 |
| | \$363,762.34 |

The fund was increased during the year as follows:

| | |
|----------------------------------|--------------|
| Cash assessed for 1936..... | \$ 36,701.25 |
| Cash Dartmouth Ferry Com..... | 500.00 |
| Interest earned on investments.. | 15,807.86 |

| | | |
|---------------------|----------|---------------------|
| Gain on bonds | 1,017.25 | |
| | | \$ 54,026.36 |
| | | <u>\$417,788.70</u> |

To the credit of the following:

| | |
|-----------------------------|---------------------|
| Ferry | \$ 64,154.90 |
| Water and Sewerage..... | 124,621.85 |
| Permanent Sidewalks | 14,409.45 |
| Schools | 103,539.85 |
| Consolidated Debt. | 86.46 |
| Motor Fire Engines..... | 23,112.77 |
| Road Roller | 2,054.58 |
| Cemetery | 4,360.83 |
| Permanent Streets | 52,713.31 |
| Electric Light | 878.64 |
| Widening Windmill Road..... | 3,041.44 |
| Unemployed Relief | 6,237.59 |
| Improvements | 2,324.85 |
| Stone Crusher | 323.60 |
| Truck and Tractor | 3,646.93 |
| Overdraft Royal Bank | 12,281.65 |
| | <u>\$417,788.70</u> |

The Town has not defaulted on any of its payments into Sinking Fund and has maintained its high credit as evidenced by the fact that this year 3½% Bonds issued by the Town were sold at slightly over par.

I wish to take this opportunity to express my thanks and appreciation of the co-operation given me by the other members of the Finance Committee, and also to Mr. Smith, Town Clerk, and his staff who though handicapped as regards office space and equipment have been faithful in the performance of their duties.

Respectfully submitted,

L. M. BELL, Chairman.

TABLE SHOWING THE TAX RATE LEVIED.

| Year | Town Rate | School Rate | Total |
|------|--------------|----------------|--------|
| 1905 | .79 | .55 | \$1.34 |

**ANNUAL REPORT OF STREETS AND PUBLIC
PROPERTY COMMITTEE.**

His Worship the Mayor and Members of Council,
Town of Dartmouth, N. S.

Gentlemen:

I have the honor to submit my report as chairman of the Streets and Public Property Committee for the year 1936.

Snow Removal—Frequent snow storms occurred during January and February necessitating constant snow-ploughing. In accordance with instructions from the Council all snow was removed from Portland Street, between Prince Albert Road and Commercial Street; from Commercial Street between Portland Street and Park Avenue and Ochterloney Street, between Commercial and Edward Streets. This cost \$596.35. The total cost of snow removal during the year was \$2,535.79.

Toward the end of the year a new caterpillar tractor, model 22 was purchased for sidewalk snow ploughing. The necessary attachment for using the Town sidewalk plough with the new tractor has been made. This outfit will greatly facilitate the clearing of snow from the sidewalks.

It should be noted that removing snow by shovelling and truck is very expensive and although it is a great benefit to the citizens, improving traffic conditions by allowing cars to park close to the curb, further extension of this service should only be undertaken after having given due consideration to the heavy additional cost.

Stone Crusher—In the month of March permission was given unemployed men to quarry stone on the Town property north of the stone crusher. Payment was made at the rate of 25 cents per ton, half to be paid when quarried and the balance when weighed and finally checked at

the crusher. The amount quarried under the agreement was 852 tons. The crusher was put into operation on May 11th and the stone crushed, the hauling agreement being 35 cents per ton.

A total of 1625 tons were crushed during the year at a cost of \$1.15 per ton, not including overhead charges. This is a little higher than in 1935 due to heavier repair costs.

Macadamizing—Macadamizing work was commenced about the end of April. The principal streets which were given a good coating of stone preparatory to being asphalt treated were:—Maynard, Summit, North from Commercial to Edward, Myrtle, Sinclair and Wentworth from Ochterloney to Park Avenue.

Street Oiling—Thirty streets with a total length of 3.6 miles were treated with one or two coats of asphalt. The materials used were 4783 gallons of primer, 13,858 gallons of retread and 631 cu. yards of screened gravel.

Concrete Curbs and Gutters—Concrete curbs and gutters were laid on James Street, Cleveland Crescent and the north side of Dahlia Street from Maple to Beech.

Street Cleaning—Street cleaning was continued during the spring, summer and autumn on a weekly basis as in the previous year. The work was done in a very satisfactory manner. The increasing number of streets having concrete curbs and gutters and the increasing mileage of asphalt streets is making street cleaning more extensive. It will soon be impossible for one man to handle the work.

Dumps—The disposal of garbage, cans, paper and rubbish is becoming a more serious problem every year. The increasing use of oil burners is making it more difficult for citizens to dispose of old papers and other rubbish, thus causing an increasing use of the Town dumps. The Town now has two public dumps, one on the northeast side

of Wyse Road, extending northerly from School Street and the other on Maitland Street. These are conveniently situated for the north and south end of the Town. They require constant attention in order to keep them in as tidy and inoffensive condition as possible.

General—Careful supervision of catch pits, gutters, drains and gratings was carried out. The Town is always liable to damage by heavy storms on account of its hilly location. No matter how carefully and often gratings and catch pits are cleaned sudden rain storms wash sticks and rubbish from the banks of the streams and cause blockage at the gratings.

Public Property—Repairs to the various Town buildings have been made as required. The council chamber and engineer's office in the Town Hall were redecorated. Improvement in lighting was made in the Clerk's and Engineer's offices.

Street Lighting—With the exception of a new light on Elmwood Avenue at the corner of Bedford Street and one on Hester Street between Henry Street and Elmwood Avenue the street lighting system has been maintained as in 1935.

Due to vandalism certain streets in the Town have not received the lighting service that they might have had. This applies especially to a section of Wyse Road which has been without lights for some time.

A large part of the expenditures made by this Committee consists of the cost of such services as snow removal, streets cleaning, oversight of dumps, cleaning catch pits, and gutters; upkeep of buildings and plant and operation of the street lighting system. The balance of the estimates is used for street improvement and the endeavour is made to do this work in such a manner that after a few years the streets as a whole will attain a more permanent

surface. The following figures gives the amounts spent for this purpose during the last two years.

| | | Macadamizing | | |
|------|-----------|----------------------|--|-----------|
| | Ward I | Ward II | | Ward III |
| 1935 | \$ 739.19 | | | \$3423.22 |
| 1936 | 1082.18 | | | 1397.62 |
| | | Street Oiling | | |
| 1935 | \$1348.14 | \$ 42.65 | | \$3447.06 |
| 1936 | 1772.69 | 135.13 | | 1969.05 |

Respectfully submitted,

W. G. OTTO, Chairman.

ANNUAL REPORT OF WATER AND SEWER COMMITTEE

His Worship the Mayor and Members of Council,
Town of Dartmouth.

Gentlemen:

I have the honor to submit my report as chairman of the Water and Sewer Committee for the year 1936.

MAINTENANCE

Every endeavour was made during the year to maintain a pure, clean water supply. The screens at the pipe house were kept clean and in repair. The water mains from the supply lakes and throughout the Town were thoroughly flushed during the nights of April 24th, 25th and again on the nights of November 19th and 20th. Periodic flushing of local mains was continued in order to remove sediment from the pipes.

Early in July the supply lakes were treated with copper sulphate to keep down a growth called "algae" which causes a fishy taste during the summer season. Systematic inspection of all hydrants was made, and pressure checked.

The pipe house at Lamont's Lake was thoroughly cleaned, repaired and painted. Overhanging bushes were removed from the shores of the head-pond.

Careful attention was given to all complaints of poor water pressure. Were it found that the curtailed supply was due to any obstruction in the Town's portion of the house connection or at the main stop the pipe was dug up and renewed if necessary, or the main stop blown out. Everything possible was done to give the householders a good, pure water supply.

Sewer and sewer man-holes were cleaned and flushed from time to time.

The 18 inch vitrified sewer and six inch cast iron water main on Pleasant Street were extended 41 feet along Pleasant Street to Esson Road and 336 feet along Esson Road. A hydrant was installed at the end of the main opposite Edward A. Preeper's house.

A 6 inch vitrified sewer and 4 inch cast iron water main were laid on Newcastle Street extending from Albert Street north-westerly 81 feet.

In accordance with an agreement between the Town and L. E. MacDonald, Winnifred Dillman and W. G. Spencer under date September 8th, 1936, water connection from Cameron Street was supplied. The supply line consists of 211 feet of 1½ inch and 180 feet of ¾ inch galvanized iron pipe.

31 new house connections were laid. -

3 new houses on the Preston Road outside the Town limits were connected with the Town main, the owners paying the full cost of making the connection and agreeing to pay a yearly charge of \$20.00.

Respectfully submitted,

W. AUSTIN, Chairman.

ANNUAL REPORT OF FIRE COMMITTEE.

His Worship the Mayor and Members of Town Council,
Town of Dartmouth.

Gentlemen:

I have the honor to submit my report as Chairman of the Fire Committee for the year 1936.

The estimated expenditure was\$5,590.58

The actual amount expended was, and
is made up as follows:

| | |
|-------------------------|------------|
| Salaries | \$3,855.02 |
| Lighting | 237.15 |
| Fuel | 323.74 |
| Repairs apparatus | 231.39 |
| Gas and oil | 27.57 |
| Insurance | 78.25 |
| Fire extinguisher | 82.99 |
| Extension ladder | 100.00 |
| Telephones | 129.18 |
| Coats | 102.50 |
| Boots | 29.75 |
| Sundries | 120.40 |
| Convention | 75.00 |
| Prevention week | 75.00 |
| | \$5,467.94 |

Following is a list of fire alarms responded to by the Dartmouth Fire Department in the year ending December 31, 1936:

March 24—Corner Mayflower and Rose Streets.

April 2 Corner Maple and Dahlia Streets.

June 15—Halifax Shipyards (Marine Slip)

June 20—Woods (Brightwood)

July 8—Pelzant Street.

August 5—Cleveland Crescent.

August 20—Automobile on Church Street.

Sept. 4—Corner Pelzant Street and Windmill Road.

Sept. 11—Charles Bell workshop.

October 5—A. A. McDonald garage, Pleasant Street.

October 10—Edgemere Apts, Crichton Avenue.

December 10—Cleveland Apts., Myrtle Street.

December 25—Garage, 33 Johnstone Avenue.

General Alarms13

Chemical Calls63

The work of the Fire Department was highly satisfactory during the year. Every cooperation being given by Chief Lahey and his men. The Town, I feel is fortunate in having such an efficient volunteer Fire Department and the happy relations which have existed between the personnel of the Department and the Town Council has done much to bring about beneficial results, and it is hoped that this same happy situation will continue.

It should not be overlooked that the Fire Department is maintained at a small expenditure which only represents about eleven cents in the tax rate and for this expenditure property owners have adequate and effective protection. Any concessions granted by the Council from time to time, in my opinion, and in the opinion of the Committee, can be fully justified. The firemen are deserving of every consideration and I cannot speak too highly of their work and the way in which they look after the property interests of the Town and without any remunerative reward.

I again wish to express my appreciation of the kindly feeling which has existed between Dartmouth Firemen and the Town Council, through the Committee, and the generous spirit of cooperation which has been so manifest during my term as chairman.

I wish to personally express my deep appreciation to Fire Chief Lahey, who has since retired, for the splendid

work which he accomplished during his term of office. The leadership shown and the deep personal interest which he manifested at all times for the betterment and general welfare in the ministration of a more highly efficient Fire Department for the Town of Dartmouth. The work which he has accomplished will, I feel certain, reflect in a continued general improvement during the years to come. In paying this tribute to him I am not overlooking the splendid cooperation which he received from those who came under his personal guidance and direction.

Respectfully yours,
ARTHUR C. PETTIPAS, Chairman

ANNUAL REPORT OF CHARITIES COMMITTEE.

His Worship the Mayor and Members of Council,
 Town of Dartmouth, N. S.

Gentlemen:

I have the honor to submit by annual report as Chairman of the Charities Committee:

| | |
|--|------------------|
| The amount estimated for this service was..... | \$13,246.00 |
| The amount chargeable to 1936 estimates | 12,797.91 |
| Of this there was recovered..... | 1,306.79 |
| | —————\$11,491.12 |
| Making an underexpenditure of..... | \$ 1,754.88 |

Hereunder is a statement showing how the money has been expended:

| | |
|--|------------|
| Maintenance of paupers at City Home | \$ 3683.69 |
| Maintenance of patients at Victoria General Hospital... | 2783.00 |
| Maintenance at Industrial School of Ellsworth Keddy, George Keddy, Gerald Gordon and Stanley Bauld | 448.79 |
| Maintenance at Child Welfare of Emily Morgan, George Murphy and Henry Short | 361.56 |

| | |
|---|------------|
| Maintenance at Nova Scotia Sanitorium of Clifton Bird and James Graham | 547.68 |
| Maintenance at Home of the Guardian Angel of Teresa Williams | 130.08 |
| Maintenance of patients at Morris St. Tuberculosis Hospital | 1229.50 |
| Grace Maternity Hospital, treatment of patients..... | 130.00 |
| Municipality of East Hants, maintenance of Nellie Gray | 307.69 |
| St. Teresa's Home, maintenance Miss Olsen..... | 181.92 |
| Halifax Visiting Dispensary (Grant) | 75.00 |
| Board of Poor in Town..... | 306.00 |
| Relief orders, groceries, fuel and clothing..... | 2228.50 |
| Secretary's salary | 256.50 |
| Sundries | 128.00 |
| | \$12797.91 |

At the beginning of the year there were at the City Home twenty paupers, thirteen male and seven female. One male died during the year, and one male and one female were admitted, leaving at the close of the year twenty-two paupers, fourteen male and eight female, at a cost of \$4.00 each per week.

At the beginning of the year there were at the Victoria General Hospital chargeable to the Town, five patients. During the year one hundred and eighteen were admitted one hundred and ten were discharged and nine died, leaving at the close of the year, four patients. The maintenance cost is \$2.00 per day per patient.

At the present time the Town of Dartmouth is paying for treatment of a number of tubercular patients, one at the Nova Scotia Sanatorium, Kentville, and four at the Morris Street Tuberculosis Hospital, Halifax.

Owing to the increased demands for groceries and coal and the necessity of investigating many cases coming before your Committee, it was deemed advisable to re-

appoint Miss Robb, who is keeping a careful record of all families helped.

LUNATICS

| | |
|--|-----------------|
| The amount estimated for this service was..... | \$4,342.00 |
| The amount chargeable to 1936 estimates | \$5,183.11 |
| Of this there was recovered | 831.25 |
| | —————\$4,351.86 |

Making an overexpenditure of.....\$ 9.86

At the first of the year there were at the Nova Scotia Hospital chargeable to the Town nine patients, four male and five female. One male and four female patients were admitted during the year, leaving at the close of the year five male and nine female patients.

In conclusion I wish to express my appreciation to the other members of the Committee, Councillors Pettipas and Malcolm, to Miss Robb, the Secretary and the Town Clerk and his staff for the co-operation and assistance rendered during the year.

Respectfully submitted,

L. J. ISNOR, Chairman.

ANNAUL REPORT OF POLICE COMMITTEE

His Worship the Mayor and Members of Town Council.
Gentlemen:—

As a member of the Police Committee during part of the year, I beg to submit a brief report, covering the activities of the Committee and the Police Department during the civic year 1936.

It is a pleasure to report that Law and Order was well maintained during the past year as indicated by a detailed

report submitted by the Chief of Police and incorporated as part of this report. Dartmouth, I am happy to say, is a law-abiding Town. The citizens co-operate generously with the Police Department to not only control but eliminate crime and the same policy will be continued; the officers not being interfered with by outside influences in the execution of their duties.

The personnel of the Department includes a Chief and three officers, but it is doubtful if the number is sufficient to provide that standard of service required and if possible it would be desirable to increase the staff by an additional officer so that more attention may be given to late calls at night and during the early hours of the morning. When finances are available I feel that a new appointment should be made.

Respectfully submitted,

ARTHUR C. PETTIPAS,

Member of Committee.

ANNUAL POLICE REPORT

His Worship the Mayor and Members of the Town Council
Dartmouth, N. S.

Gentlemen:

The following report is respectfully submitted covering the year 1936:

The complaint record book shows that 537 complaints were received and investigated by the Police.

| | |
|---|-----|
| Persons placed under arrest | 218 |
| Persons given shelter | 43 |
| Number of automobile accidents..... | 39 |
| Number of persons injured in auto accidents.. | 9 |
| Number of persons killed..... | 1 |
| Number of automobiles stolen and recovered.. | 8 |

| | |
|-----------------------------------|-----|
| Shop doors found unlocked..... | 24 |
| No. of Civil Summons served | 300 |
| No. of Executions issued..... | 30 |

The Safety Patrol System which was organized among the school children of the Town during the year has met with every success.

The following is a list of the various cases tried before the Police Court:

| | |
|-----------------------------------|-----|
| Non-support. | |
| Motor Vehicle Act | |
| Vagrancy. | |
| Assault | |
| Theft | |
| Burglary | |
| Intoxication. | |
| Obstructing police. | |
| Resisting arrest. | |
| Damaging property. | |
| Town by-laws | |
| Receiving stolen goods. | |
| Truancy. | |
| Threats. | |
| Disorderly house | |
| Affray. | |
| Total number of prosecutions..... | 246 |
| No. of convictions | 225 |

Resulting from the above cases \$594.45 was received in fines and in the Police and Municipal Court \$1,101.80 was received.

Respectfully submitted,

JAMES T. CLARKE,

Chief of Police.

Respectfully submitted,

W N. FORBES,

Plumbing Inspector.

HEALTH OFFICERS' REPORT FOR YEAR 1936.

His Worship the Mayor,
and Members of Board of Health.

Gentlemen:

I beg to submit my report as Medical Health Officer for the year 1936

The town water has been examined at frequent intervals and showed no evidence of harmful contamination. During the summer months the water supply was again treated, and the objectionable odour and taste satisfactorily removed.

Cases of Diptheria and Scarlet Fever were reported during the year, the latter being quite widespread and more prevalent than in the previous year. Most of the cases reported, appeared to be of a mild type.

Whooping Cough, Measles and Chicken Pox were reported throughout the year in quite wide distribution.

The problem of the care and support of cases of open and active pulmonary tuberculosis, still continues to be a pressing one and one that warrants serious consideration from the view point of public health measures.

Yours truly,

E. I. GLENNISTER, M. D.

COLLECTORS' REPORT

His Worship the Mayor and Members of Council,
Town of Dartmouth.

Gentlemen:

Hereunder is a statement of collections made by me during the year 1936 and commissions earned on same, viz:

| | | | | | |

| Poll Tax | 1,138.20 | @ | 15% | | 260.73 |
| Sidewalk Rates | 21.82 | @ | 5% | | 1.09 |
| Water Rates | 894.30 | @ | 5% | | 44.71 |
| Hospital Accounts | 41.00 | @ | 15% | | 6.15 |
| Dog Taxes | 23.00 | @ | 5% | | 1.15 |
| Sewer Rates | 71.78 | @ | 5% | | 3.59 |
| | \$14,302.28 | | | | \$1,014.66 |

Respectfully submitted,

J. M. HENNEBERRY,

Tax Collector.

AUDITORS REPORT

His Worship the Mayor and Members of the Town Council
Dartmouth, Nova Scotia.

Gentlemen:

We take pleasure in submitting herewith audited statements of the accounts of the Town Clerk and Treasurer and of the Board of School Commissioners for the year ending December 31st, 1936.

All books and transactions have been audited, balances verified and Sinking Fund Accounts examined. We believe the statements submitted herewith to be correct in every respect and to represent the true financial standing of the Town of Dartmouth as at December 31st, 1936.

Respectfully yours,

A. J. CONRAD,
E. A. BAILEY, Auditors.

REPORT OF SCHOOL COMMISSIONERS 1936.

To the Ratepayers of the Town of Dartmouth
Ladies and Gentlemen:—

I have the honor to submit the Annual Report of the Board of School Commissioners for the year 1936.

The Supervisor's report covers the statistics for the year.

The School Board and the entire personnel of the school system mourns the passing of our chairman, Dr. Stevens, who gave his interest and his time to the welfare of the schools of the Town for so many years.

A step forward this year has been the installation of mechanical stokers in Hawthorne and Greenvale schools which are proving successful in reducing the cost and also the labor of heating these schools.

Extensive repairs were made to Park School. A great deal of the brick work had to be replaced and, while this was a heavy expenditure, it was necessary and the Board is satisfied that a good job was done by the contractor.

Grade XII will be available in the High School after the summer holidays and no doubt will be greatly appreciated by the students concerned and their parents.

Looking a little further ahead, the time is now here when a new large school building should be planned for, on a site with sufficient grounds for playground activities. The present school accommodation is becoming congested and if modern educational methods are to be followed, as, the teaching of commercial courses in connection with the High School, manual training classes for boys, domestic science for girls, and auxiliary classes for retarded children, expansion is imperative.

The increase in the population of the Town will also make further accommodation essential.

The Board feels that the ratepayers would welcome any reasonable expenditure that can be justified by increasing the efficiency of our youth. Surely there is no better investment than in our schools, where the future hopes of our country are being trained.

Respectfully submitted,

F. F. P. MALCOLM, Chairman.

Dr. F. F. P. Malcolm, Chairman
Board of School Commissioners,
Dartmouth, N. S.

Sir:—

The statistics are given for a period of years so that a comparison may be made.

| 18 years of age..... | 19 | 28 | 31 | 31 |
| 19 years of age..... | 2 | 10 | 14 | 8 |
| 20 years of age..... | 0 | 1 | 8 | 3 |
| 20 years and over..... | | | 1 | 1 |

The increase in attendance of pupils beyond the section is shown by the following:

| June 1930 | June 1932 | June 1936 | Dec. 1936 |
|-----------|-----------|-----------|-----------|
| 9 | 25 | 44 | 91 |

The changes in personnel were as follows: Miss Ernst resigned at Park School being replaced by Miss Cleworth, B. A. Miss J. Eisener resigned at Victoria School in November being replaced by Miss Bryson.

When schools opened after the vacation the age groups which were formerly divided into (1) grammar school with grades I to VIII and (2) high school with grades IX to XI were changed to the modern organization of three groups (1) an elementary school with grades I to VI, (2) junior high school, grades VII to IX; and (3) high school with grades IX to XI.

An excellent start has been made in the high school to make the school a part of life instead of something apart from life.

The junior high school work was departmentalized and this will result in better teaching and a better standard of grading.

The abolition of external examinations in the elementary grades has resulted in better teaching and has discouraged memorization of notes for examination purposes only. Education is growth and not accumulation of facts. This idea will bring greater changes in education when adults cease to persist in the old system.

The Bank of Nova Scotia held on December 28th, 1936 the amount of \$4,900.96 to the credit of the pupils banking through the schools.

The death of Dr. Stevens, chairman of the Board for many years, was a loss to the Town. He was a gentleman in the true sense of the word and in his quiet manner accomplished much. His passing is regretted.

I wish to express my appreciation of the co-operation received from the Board during the year.

Respectfully submitted,

G. C. BEAZLEY.

**ANNUAL REPORT OF MEDICAL ATTENTION
AT SCHOOLS.**

Annual physical examination given to children in 5 schools.—Park, Victoria, Greenvale, Hawthorne, Findlay. Grade 1 to 6 inclusive by Dr. Payzant, assisted by two nurses.

Children have all been weighed by nurses.

631 notices sent to parents for defects found.

Defective Tonsils—115.

Defective Teeth—451.

Defective Vision—34.

Skin and Scalp Diseases—31.

128 Home School visits follow up recorection of defects.

128 Vaccinations given by doctor.

M. FILLMORE, V.O.N.,

Nurse in Charge.

H. A. PAYZANT, M.D.

DARTMOUTH HOUSING COMMISSION.

His Worship the Mayor and Members of the
Dartmouth Town Council.

Gentlemen:—

On behalf of the Dartmouth Housing Commission, I beg to submit the following report for the year, 1936:—

The Commission found it necessary to take over the properties 25 Pleasant Street and 77 Rose Street, but later was able to effect negotiations whereby Mr. F. W. Bailey has signed an agreement to purchase the property 25 Pleasant Street under the usual terms and payments. No. 11 Rose Street has been rented for the time being.

The Commission has two other properties on Maple Street, Nos. 11 and 13, which we would like to sell either on terms or for cash.

During the past few years, economic conditions have made the situation very difficult in respect to some of the properties and the Commission has used every effort to retain the present occupants with as little danger as possible to the capital investment, and we are able to report some improvement in the past year.

It is with deep regret we have to report the passing of our late Chairman Dr. F. W. Stevens, who had served in that capacity for a number of years, and by his ability and wise counsel the Commission now finds itself in a better position than it has been for many years.

The books of the Commission have been audited to the 31st December, 1936, by Major H. D. Creighton, C. A., and found correct

The following comparative statement of payments for 1935 and 1936 may prove of interest and value, as it will be seen by the statement that in 1936 there were 58 more monthly payments than in 1935.

| 1935 | | | | 1936 | | | |
|------|--------|------|-----------|------|--------|------|-----------|
| 9 | owners | paid | 12 months | 15 | owners | paid | 12 months |

(H. C. in name column indicates houses taken over and held by Commission.)

Mr. P. H. Creighton who had been appointed by the Town Council to fill the vacancy caused by the death of the late Dr. F. W. Stevens took his place on the Commission, December 8th, 1936. The following officers were than elected—Mr. A. T. Croft, Chairman, and Mr. V. M. DeVan, Vice-Chairman.

EDGAR H. LEVY, Secretary.

FERRY REPORT 1936.

To the Ratepayers of the Town of Dartmouth.

LADIES AND GENTLEMEN:

In addition to the usual routine of your Ferry Commission relative to the transportation of passengers and vehicles between Halifax and Dartmouth, a decidedly active interest has been taken in the further improvement and development of the wharves, docks, landings, etc. The condition of the Dartmouth terminals was such that \$12481.83 had to be spent to place them in a proper state for the safe lading and unloading of traffic. Special attention has been given to the Halifax terminus where practically the whole terminal equipment is being renewed and improvements made by the addition of a temporary dock and landing. To date, a capital expenditure of \$10,000.00 has been made and the work is far from complete. The temporary docking facilities have been a long felt need and will greatly relieve transportation conditions in the future.

Serious consideration by the Commission, strengthened by the appeals from business men and private citizens has resulted in the extension of running hours of the ferry. From May 1st. to October 18th, the hour boat service was from 6.00 a. m. to 1.30 a. m. while the quarter hour service was extended from 8.15 to 10.15 p. m.

The annual transfer of \$500.00 was made to the Sinking Fund, which with accumulated interest now stands at \$8,772.34. Transfer of \$10,000.00 has also been made to the Town of Dartmouth in accordance with Section 126 of Chapter 56 of the Acts of 1902.

The valuation now placed on real estate, plant and equipment is \$439,131.08. A total of \$13,381.68 has been written off as depreciation making the reserve fund for

depreciation now \$170,362.53. Maintenance expenses relative to boats, machinery, and buildings may be learned through a perusal of the financial report as also the revenue from other sources such as rentals.

During the year exclusive of drivers of cars and trucks, the ferries carried 1,055,802 adults and 61,918 children. The total revenue from passengers and vehicular service being \$174,410.38. It is the earnest desire of your Commission and management to have the service as accomodating and up to date as is possible under existing conditions.

My thanks and appreciation are extended to the Commissioners and employees for their co-operation at all times during the past year.

I have the honor to be

Yours very truly,

WALTER MOSHER, Chairman.

General Superintendent's Report.

To the Dartmouth Ferry Commission,
Dartmouth, N. S.

Gentlemen:—

We have passed through a very active year even though the ferry profits may not appear so large as in 1935.

During the latter part of January and the first of February difficulties were encountered due to inclement weather conditions, but these were overcome without delay to the transportation of passengers and vehicles, by the immediate action of the ferry staff.

The usual annual inspection and overhauling of the several boats was made in February, March and April. The S.S. Halifax had the following repairs made:

Two shell plates near waterline.

Five main frames in part.

Eight reverse frames in part.
Screen bulkheads repaired.
Tail shaft drawn for inspection.
Two propellor blades fitted to after end.
Rudder lifted and repairs made.
Two pieces of hardwood guard renewed.
Sea connections inspected and reconditioned.
Hull scraped and painted.

The S. S. Chebucto had the following repairs made:

New tailend shaft fitted to after end.
New outer bearing fitted to after end.
Rudder stock rebushed after end.
Stern gland packing renewed both ends.
Zinc plates fitted to stern frames both ends.
Sea connections reconditioned.
Hull scraped and painted.

The S. S. Dartmouth was repaired as follows:—Hull washed, wire-brushed and given two coats of paint; after tailshaft drawn inboard and the outer bearing renewed, sea connections reground and stern glands repacked.

New steel trusses were fitted to the main bridge at Dartmouth and have proved very satisfactory.

Extensive repairs have been made to the ferry wharves, and to Bishop's wharf at Dartmouth. The Halifax terminus is being practically all renewed and improved.

A special trip was made to Halifax at 4.00 a. m. April 22nd for the purpose of getting equipment and supplies to assist in the rescue at Moose River. No charge was made for this service.

The Natal Day traffic was carried out in a satisfactory way without congestion. 17,852 passengers and 1,420 cars crossed on the ferries.

Attention is being given to the installation of steel

bridges, and plans and specifications have been prepared in an effort to arrive at the probable cost of same.

The sudden passing of Howard Conrad on April 13th, a valued member of our staff, after a service of twenty-one years is regretted.

Throughout the year 281,568 vehicles travelled on the ferries or an average of 771 daily.

For information relative to ferry statistics you are referred to the Chairman's report or the statement as presented in the Town Report.

In closing, I wish to express hearty appreciation of the services as rendered by the several branches of the ferry staff.

Respectfully submitted,

C. E. PEARCE, General Superintendent.

I have examined the Books and Accounts of Dartmouth Ferry Commission for year ending December 31st, 1936, and in my opinion the above Balance Sheet is correctly drawn to represent the position of the Commission as on December 31st, 1936, as shown by the Books of the said Commission.

During the year under review the sum of \$33,532.26 for repairs and replacements was charged direct to operating expenses.

As in former years and in accordance with resolution, of the Commission, the Income from Reserve Fund Investments has been credited direct to Reserve Account and does not appear in the Revenue Account for the year.

GEO. H. HOLDER, C.A., Auditor.

DARTMOUTH PARK COMMISSION

To the Members of the Park Commission,
Dartmouth, N. S.

Gentlemen:

The following is my report of the work done and the money spent during the year, 1936:

Month of April.

Ordered from Stone & Wellington in Toronto, fifty shrub bushes of different varieties; had five new benches and six more signs, asking the people to protect their own property, made and painted.

Month of May.

Engaged Mr. Robinson as Park Keeper and Constable for the summer at \$15.00 per week, and another man to assist him to uncover the rose bushes of their winter coat of spruce boughs and make a general clean-up through the park.

Procured red and green paint and had the Summerhouse painted two coats. Planted fifty bushes in the section between Park Avenue and the Summerhouse.

Had eight benches set out; five below the Summerhouse and three on top of the hill. Replaced twelve Mountain Ash Trees on Park Avenue which had been destroyed and staked them around and put wire over them to protect them. They are all doing fine, as are the bushes. Kept the boulevards mowed for the month and cut out a lot of under-brush through the park.

Month of June.

Engaged another man and the three men were busy for about three weeks digging out rocks standing above the ground, cutting off those that could not be removed, and filling in the holes and levelling up all the roads and

paths in the park. In all, about ten or twelve tons of stone were removed, taken to the town crusher and used by Mr. Allan in road and gutter work.

Placed the new signs in the Park, two on Windmill Road, one at Victoria School, one at the top of School Street, and one on Park Avenue at Wentworth Street. Mowed the boulevard for the month and cleaned up the Park.

Month of July.

Had the grass mowed and clipped around the rose bushes and other bushes; trimmed out the paths on both sides making them wider for people to walk through; kept the paths and roads up around the Common in good condition; cut out a lot of dead wood all through the Park. The boulevards were kept mowed by the Park Commission men in return for work done in the park by the Chairman of the Streets Committee.

Month of August.

The boulevards were kept mowed by the Park Keeper this month. Cleaned up and repaired any holes in the paths and roads after a rain storm. The Green Road which was always in bad condition has been built up some and covered with ashes by our men and is now in good condition to drive over.

The general public have taken a greater interest in the Park this year in every way. A great many complimentary remarks have been extended to the Park Commissioners on the splendid condition of everything in and about the Park this year. Every one seems to be pleased that we had a Park Keeper and Constable on duty there most every day. He was on duty every Sunday this summer and we let him off duty one day in the week to offset his Sunday on duty. He has been a good official and has

done his work to our entire satisfaction, and I am pleased to report that he never had any occasion to use his authority in any way. As the season for Park work is about over I let him go this month; outside of a day's work sometime in October covering up the rose bushes with spruce boughs for the winter.

The following is a statement of Receipts and Expenditures for the year 1936:
