When the City was first incorporated, and until April 12th 1849, the Corporation consisted of the Mayor, six Alderman and twelve Common Councillors, the Mayor being elected by the Alderman and Common Councillors from among the Alderman. In 1849 the office of Common Councilman was abolished. From 1850 to 1853 the Mayors were elected by the citizens from the members of the City Council, or from gentlemen who had previously served as Alderman or Common Councilman. Wm. Caldwell was the first Mayor elected by the citizens under this system. In 1854 the Act in relation to the election of Mayor was further amended by providing that the people should not be restricted to persons who had served in the City Council in their choice for Mayor. The only occasion on which this privilege was availed of was in 1870, in the election of Hon. W. A. Henry. From 1841 to 1882 the general civic elections were held in October of each year. From April, 1883, to date, the general elections have been held annually in April. The civic year extends from 1st May in any one year to 30th April in the year following.

CITY COUNCIL.

The Act of Incorporation of the City of Halifax passed the House of Assembly April 10th, 1841. On May 12th, 1841, an election was held in each of the wards of the City for three Common Councilmen for each ward. The first meeting of the City Council was held in the County Court House May 13th, 1841. The Council from 1841 to 1849 consisted of six Aldermen and twelve Common Councillors. The following table shows the dates of election and the names of the gentlemen composing the City Council between those years, designating the Aldermen and Common Councilmen respectively and the wards they represented. The first Common Councillors were elected by the citizens. Subsequently the Common Councillors were elected by the ratepayers. The Common Councillors from among themselves chose the Aldermen; and the Aldermen and Common Councilmen from out of the Aldermen elected the Mayors. Each year six senior Common Councilmen and three senior Aldermen retired, the order of seniority being fixed by the Council. The following lists do not contain the names of gentlemen who were elected but did not serve in the City Council because of unwillingness to serve, disqualification, irregularity of election, or other reasons.
