When the City was first incorporated, and until April 12th 1849, the Corporation consisted of the Mayor, six Alderman and twelve Common Councillors, the Mayor being elected by the Alderman and Common Councillors from among the Alderman. In 1849 the office of Common Councilman was abolished. From 1850 to 1853 the Mayors were elected by the citizens from the members of the City Council, or from gentlemen who had previously served as Alderman or Common Councilman. Wm. Caldwell was the first Mayor elected by the citizens under this system. In 1854 the Act in relation to the election of Mayor was further amended by providing that the people should not be restricted to persons who had served in the City Council in their choice for Mayor. The only occasion on which this privilege was availed of was in 1870, in the election of Hon. W. A. Henry. From 1841 to 1882 the general civic elections were held in October of each year. From April, 1883, to date, the general elections have been held annually in April. The civic year extends from 1st May in any one year to 30th April in the year following.
