WARNING - This index is to the published version of the minutes, and so the page # references do not match the original minutes that have been digitized and made available on-line.

This index can still be used to identify relevant minutes; however a new search will need to be done on the 1916-1919 Minutes themselves to identify the exact page reference.

Sorry for the inconvenience, the published versions of the 1916-1919 minutes may be digitized in the future.

WARNING - This index is to the published version of the minutes, and so the page # references do not match the original minutes that have been digitized and made available on-line.

This index can still be used to identify relevant minutes; however a new search will need to be done on the 1916-1919 Minutes themselves to identify the exact page reference.

Sorry for the inconvenience, the published versions of the 1916-1919 minutes may be digitized in the future.

[For all references to Lighting, Paving, Sewers, Sidewalks, Water Extensions, Street Improvements, etc., look under the heading, "Streets."]
