SINKING FUND REQUIREMENTS

To: The Members of the City Council  
From: Trustees of the Consolidated Sinking Fund  
Date: February 20, 1963  
Subject: Consolidated Sinking Fund.

Since our evaluation of the Sinking Funds in 1946 your trustees have taken from the consolidated sinking fund surplus \$137,331.13 and also from tax refunding sinking fund surplus \$150,000.00, which totals \$287,331.13, and applied it to the sinking fund of the \$713,500.00 loan which was not adequate. This relieved the current budget and therefore made a saving to the taxpayer and also is in addition to the \$1,047,000.00 which we have taken over the years for the current budget in accordance with the 1946 projection.

Your Trustees have made a further evaluation of the consolidated sinking fund on a 6% basis which has disclosed a surplus of \$336,702.54. We have projected the surplus on a conservative 3½ yield basis over the period of the 1971 sinking fund loan. This will provide an annual reduction from the current estimates of \$55,000.00 of the required instalment of this loan.

Respectfully submitted,

(Signed) J. E. Lloyd,  
Trustee.  
  
(Signed) A. M. Butler,

Resolution - City of Edmonton Re: Missing Aircraft and Crews

The following resolution passed by the City Council of the City of Edmonton was submitted:

WHEREAS the number of aircraft and crews missing each year in our vast Northland causes all citizens concern;

AND WHEREAS search and rescue operations are costly and too frequently unsuccessful;

AND WHEREAS the carrying of survival and rescue equipment does not appear to be compulsory;

BE IT RESOLVED that the Council of the City of Edmonton request the Federal Government to give consideration to adding coloured weather balloons and smoke bombs to the list of rescue equipment and that the carrying of rescue aids be compulsory on all flights over the sparsely settled areas of Canada's Northland;

AND BE IT FURTHER RESOLVED that a copy of this resolution be forwarded to the Mayor and Council of all major cities in Canada requesting their endorsement of the same.

It is recommended that the City Council of Edmonton be advised that if, after consideration of the resolution by the executive of the Canadian Federation of Mayors and Municipalities, it is considered advisable to make a representation to the Federal Minister, the City Council of Halifax would be happy to join with other Canadian Municipalities in endorsing the Resolution.

Uniacke Square Redevelopment Project

A report was submitted from the Acting City Manager outlining the basis on which the Central Mortgage and Housing Corporation are prepared to recommend approval of Federal participation in the Uniacke Square Redevelopment Project. He recommended that authority be granted to indicate to Central Mortgage and Housing Corporation that the City is prepared to proceed with the Uniacke Square Redevelopment project, subject to the modifications proposed by Central Mortgage and Housing Corporation.

It is recommended that the report be approved and that conferences be held with the officials of Central Mortgage and Housing Corporation to review the whole basis of compensation for land expropriated in the Uniacke Square Area, in order to determine a method of compensating the owners of owner-occupied buildings and other owners.

Alderman Trainor presented a petition signed by approximately 150 home owners protesting against the expropriation of their properties by the City of Halifax.

MOVED in amendment by Alderman Wyman, seconded by Alderman Trainor, that the recommendation of the Finance and Executive Committee be referred to a Committee of the Whole Council to be studied after a report has been received

by the Council as to the result of the conferences with Central Mortgage and Housing Corporation regarding the basis of compensation to be paid property owners in the Uniacke Square Redevelopment Area and after study of a report from the Acting City Manager as to the advisability of paying a bonus to the owners of owner-occupied dwellings in the area.

It was agreed to permit any person so desiring to address the Council.

Mr. Charles Sullivan, 104 Maitland Street, addressed Council and questioned the right of the City to expropriate the properties without making provision for similar accommodation and he asked that before expropriation action is taken by the City that a plebiscite of the tax payers of the City be held on the matter.

Mr. R. H. Wilson, 924 Barrington Street, addressed Council and stated that if the market value is paid as compensation for the expropriated properties and it is not sufficient to pay all the costs of alternate accommodation, the City should bear the balance of such cost.

The amendment was then put and passed unanimously.

Lease - City-owned Land - Kempt Road

A report was submitted from the Acting City Manager recommending that a portion of City-owned land on the south side of Kempt Road immediately to the west of the railroad overpass, be leased to Atlantic Building Materials Limited for stock piling purposes on a month-to-month basis and that the lease contain among other clauses the following:

1. A provision that the rental be based upon a land valuation of \$1.25 per square foot.  
  
The annual rental should be at the rate of  $6\frac{1}{2}\%$  of the land value so established, and since the lease would be on a month-to-month basis, the monthly rental payable ~~in~~ advance would be 1/12 of the annual rental.
2. A clause clearly indicating ~~that~~ the lessee may not unreasonably delay traffic as a result of the movement of materials to and from the leased site.
3. A clause which clearly indicates that the month-to-month lease entered into between the City and the Company does not commit the City to the long term disposal of ~~the~~ property to the Company. As and when the City decides to dispose of the property, the Company will have to be prepared to bid competitively for the land.
4. A clause which binds the Company to return the site to the City in a condition satisfactory to the City at the expiration of the lease.

It is recommended that the report of the Acting City Manager be approved.

February 28, 1963.

Subsidized Rental Housing Procedures Re: Contract Changes

A report was submitted from the Acting City Manager recommending that in order to facilitate the processing of change orders to construction contracts covering Federal-Provincial subsidized housing projects and in order to obviate a considerable amount of paper work, that authority be granted to Central Mortgage and Housing Corporation to issue Change Orders against approved contracts without prior approval of the City, subject to the following limitations:

1. No single Change Order in excess of \$5,000.00 shall be issued without the prior approval of the City.
2. No Change Order shall be issued for work which was not contemplated in the original contract without the prior approval of the City.

Example The normal contract contains unit prices and estimated quantities. Actual quantities are adjusted as the work is put in place and Change Orders have to be issued as a matter of course on these items.

3. The accumulated total of all Change Orders shall not exceed \$25,000.00, 10% of the contract price or the approved estimates, whichever is the lesser. When this total is reached, the Corporation must apply for a further general approval.

P.O. Box 8100,  
Montreal, Quebec,  
25 February, 1963.

The Honourable John E. Lloyd,  
Mayor of Halifax,  
Halifax, Nova Scotia.

Dear Mr. Lloyd:

In pursuance to my letter of 5 December and resulting telephone conversations, I am more than pleased to inform you that our Board of Directors has approved the offer of a payment of \$137,000.00 annually for each of the years 1962 to 1966.

In due course our Regional Counsel at Moncton, Mr. J.M. Duncan will be communicating with you with respect to the execution of an agreement.

In one of our conversations I mentioned to you that I had re-examined the total assessment which had been agreed to by the City Assessor and me with the view of arriving at an approximate area of land which might be deemed to be vacant. You will appreciate that it was a rather difficult job, but I show hereunder the details of the total assessment upon which the offer of \$137,000.00 was based.

Land (commercial)	\$3,265,290.00
Buildings	1,644,810.00
Cragg Street - land and building	220,000.00
Freight Handlers' Hall - land and buildings	<u>17,400.00</u>
Total	\$5,147,500.00
Land - Vacant	<u>795,000.00</u>
	\$5,942,500.00

The commercial land at 50% of the commercial rate would produce the sum of \$127,658.00, and the vacant land at 50% of the residential rate, \$9,142.50, for a total of \$136,800.50. The latter was rounded to \$137,000.00.

Yours very truly,

W.G. KELSEY,  
TAX COMMISSIONER

His Worship the Mayor recommended that the terms of the offer be accepted and that the City Solicitor be authorized to prepare the draft

REPORT RE: CONVALESCENT HOSPITAL

To: The Members of City Council.

Re: Convalescent Hospital.

Council,  
February 28, 1963.

Dear Aldermen:

For several weeks prior to his admittance to hospital our City Manager, Mr. Byars, was working with Dr. Tainsh on the reorganization of the administration of City Hospitals.

Because of his previous experience as Medical Director of the Convalescent Hospital, Dr. Tainsh had observed many deficiencies in the operation and administration of that facility.

After preliminary conferences on the matter and after conferences with me, Mr. Byars requested Dr. Tainsh to prepare a full report thereon for the information of the Health and Welfare Committee, which functions as a Hospital Board.

On February 26th I convened a meeting in my office for a general review of the finished report with the Hospital Administrator, Dr. Tainsh, the Commissioner of Health and Welfare, Dr. Morton, and the Commissioner of Finance, Mr. Romkey.

All present agreed with me that the urgency for action on the recommendations in the report precluded deferment until Mr. Byars' return to duty and that the report should be immediately presented to the City Council.

I believe the report of Dr. Tainsh is a constructive and commendable effort to overcome existing shortcomings at the Convalescent Hospital. It is recommended that the report be referred to the Health and Welfare Committee in its capacity as a Hospital Board for immediate attention and action.

Yours very truly,

JOHN E. LLOYD,  
MAYOR.

MOVED by Alderman O'Brien, seconded by Alderman Connolly, that the Staff be directed to cooperate with the Director of Hospitals to implement the recommendations that can be carried out immediately, and that the remaining recommendations be referred to the Public Health and Welfare Committee for consideration.
