<b>Date of Council Meeting: Thursday, May 14, 2015</b>	
<b>Subject: Shearwater – Mount Hope Connector Road</b>	
<b>Motion for Council to Consider:</b>  It is recommended that the Harbour East and Marine Drive Community Council request that Halifax Regional Council request a staff report, the purpose of which would be to provide a status update and go forward plan of action in regard to the Shearwater / Mount Hope Connector Road.  <b>Reason:</b>  The Shearwater/Mount Hope Connector Road was identified as a Regional Council priority outcome in December 2012, however; the Department of National Defence (DND) have reacquired those lands from Canada Lands. Council requests a status update on the Shearwater/Mount Hope Connector Road.  The June 13, 2013 Draft Regional Plan +5 document outlined on page 3 of the Phase 111 Response to Public Input that: "Shearwater Connector (Mount Hope Extension) is in the Plan. Integration with planning of the Shearwater DND Air Force Base will limit how quickly this can be implemented. A Growth Centre is identified in the Plan, but is reliant on the road.  <b>Outcome Sought:</b>  Staff report providing an update on the Shearwater/Mount Hope Connector Road and go forward plan.
