Date of North West Community Council Meeting: July 5, 2012

Subject: Funds for Construction of Baseball Field – Hammonds Plains Common Rate/Kingswood Ratepayers Association

Motion for Council to Consider:

That North West Community Council approve \$50,000 from the Hammonds Plains Common Rate (cost centre C170), and \$100,000 from the Kingswood Ratepayers Association area rate (cost centre C135) for the construction of a baseball field along Lakeshore Blvd in Kingswood South.

And request that staff prepare a report for Regional Council as Project # CPX01177 New Ballfield Development will need to be increased by \$150,000 with area rate funding from cost centres C135 and C170 in the amounts of \$100,000 and \$50,000 respectively.

Reason:

The Province has declined funding request, and the Ratepayers of Kingswood are now providing \$100,000 of their funds instead of \$50,000 to make up the difference.

Outcome Sought:

Support of North West Community Council for the funding request.
