There were more property transfers in 1965 than in the previous year. The number of recorded deeds in 1965 was 3123 compared to 3022 for 1964.

There has been a small increase in the Poll Tax total. The figure for 1966 is \$165,980, while the total for 1965 was \$165,180. The increase is \$800.

REPORT OF THE DIRECTOR OF ASSESSMENT - 1965

March 1965

The Warden and Councillors,
Municipality of the County of Halifax,
Municipal Administration Building, Armdale, N. S.

Councillors:

There has been an increase of \$7,112,550 in the County assessment this year. This raises the net taxable total from the 1964 figure of \$147,378,000 to \$154,490,550 for 1965.

As in previous years, the main reason for the increase is residential building, but a small part of it has been caused by commercial and industrial development.

Tax accounts now number 43,891, which is 811 more than last year's total of 43,080.

The Poll Tax total is \$4820 greater than last year. The 1965 figure is \$165,180, while the 1964 total was \$160,360.

More deeds were recorded in 1964 than in the previous year. In 1963 there were 2,754 and in 1964 there were 3022, an increase of 268.

The population of the County increased by 1,514 in 1964. The assessors' census in 1964 showed a population of 89,988 while in 1963 it was 88,474.

Assessment appeals this year numbered seventy-four. Of these, fifty-four were confirmed and twenty reduced. Total reductions amounted to \$32,850. The largest reduction was an amount of \$10,450 on telegraph lines owned by Canadian National Railways. Some of these lines have become obsolete due to the installation of new micro-wave system.

There have been no changes in the assessment staff during the past year.

Attached is a report of assessment statistics for 1965.

Respectfully submitted,

W. M. Purcell,
Director of Assessment.

REPORT

OF THE

DIRECTOR OF ASSESSMENT

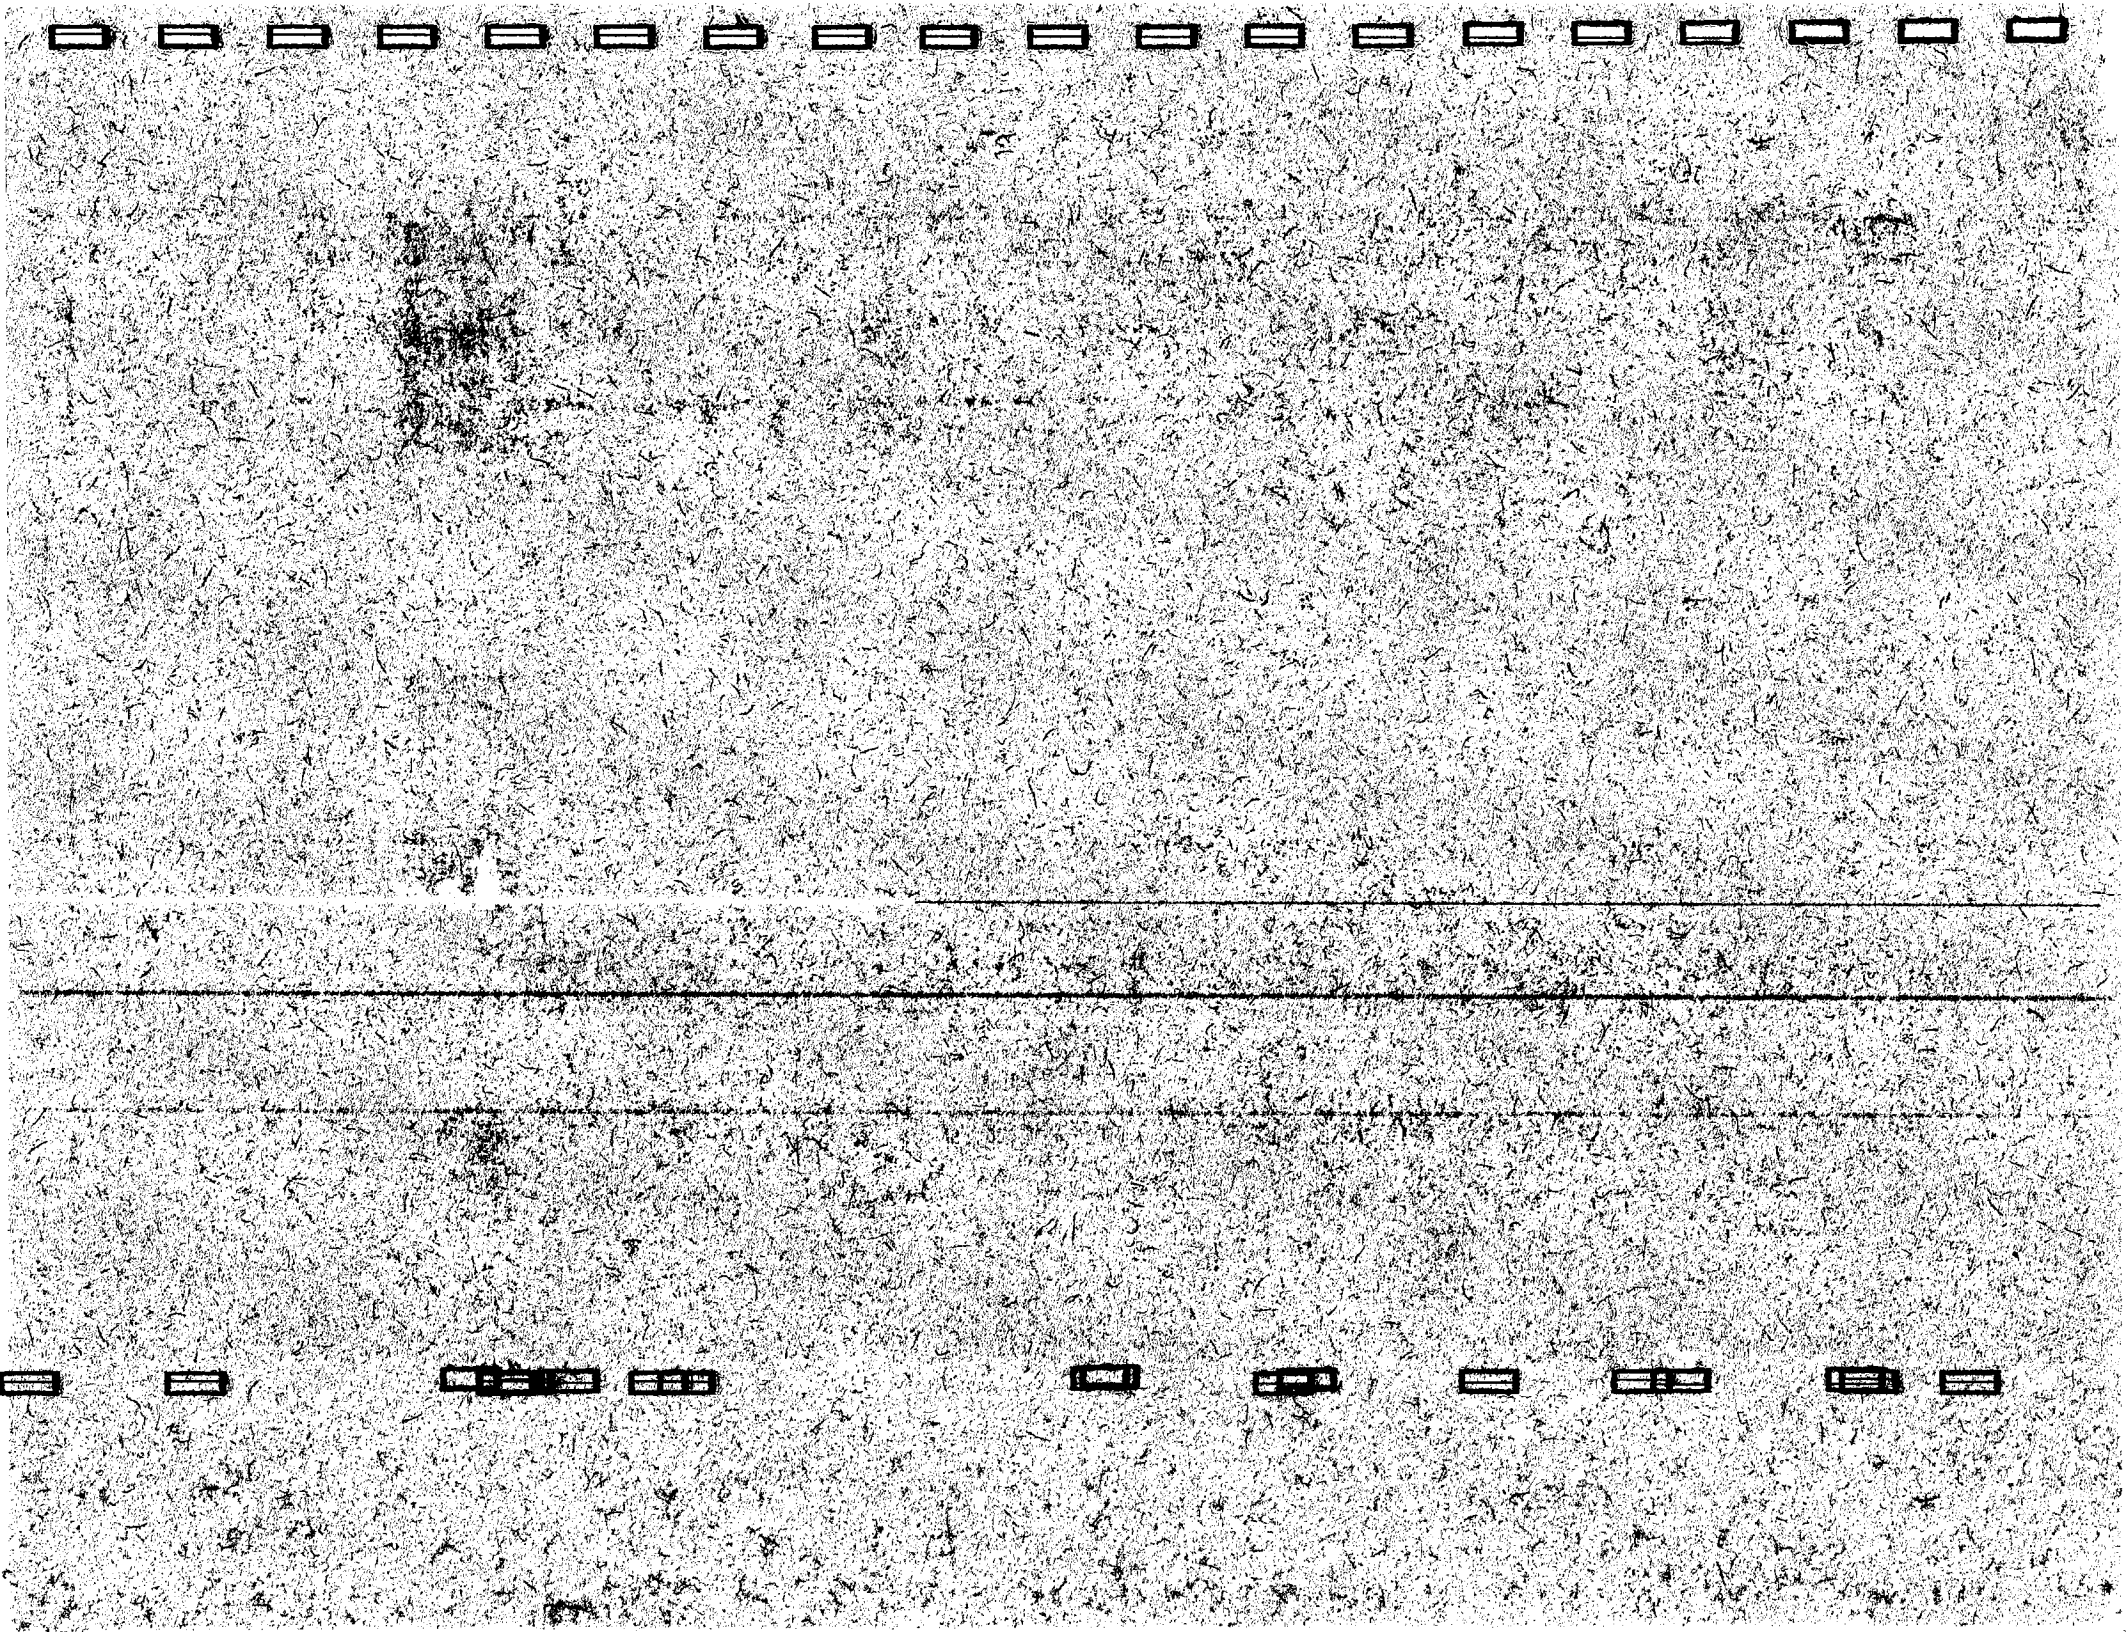

FOR THE YEAR ENDING

December 31st. 1963

FOR THE

ANNUAL CONCIL SESSION

MARCH-1964

REPORT OF THE DIRECTOR OF ASSESSMENT - 1964

March 1964

The Warden and Councillors,
Municipality of the County of Halifax,
Municipal Administration Building, Armdale, N. S.

Councillors:

The total net taxable assessment for this year is \$147,378,000. This exceeds the 1963 total of \$141,796,200 by \$5,581,800. This appears to be the smallest increase in several years, but this impression is caused by the fact that the new Texaco oil refinery at Eastern Passage is under special tax agreement and no assessment for it appears on the Roll. If it were being taxed on assessment rather than by fixed tax, this year's assessment increase would be one of the largest in the history of the County.

The Poll Tax total for 1964 is \$160,360. This is greater than last year's total of \$148,440 by \$11,920.

There has been an increase in the number of tax accounts of 1,624. The 1964 total is 43,080, while the 1963 total was 41,456. We now have the largest number of tax accounts in the County's history, exceeding the total for 1960, the year before the Dartmouth amalgamation. In that year the total was 42,423.

As a result of the increasing work-load in the Assessment Department, an additional assessor has been employed. Mr. Ronald Comstock has joined the assessment staff and is undergoing training in preparation for beginning field work in the Spring. There are now nine field assessors. There have been no other changes in the assessment staff during the past year.

Residential building continues to be the main factor in new assessment. There has been some commercial development, but this accounts for only a small part of the assessment increase. Included among the new commercial structures are several supermarkets, a motel, and several apartment buildings.

The only industrial development during the past year has been the building of the Texaco refinery, which has been referred to above.

The population of the County for 1963 increased by 3,376 over the previous year. The census as taken by the assessors in 1963 showed a population of 88,474, as compared to 85,098 for 1962.

Fewer deeds were recorded in 1963 than in 1962. The figure for 1963 was 2,754, less by 225 than the figure of 2,979 for the previous year.

Sixty-five assessment appeals were filed this year. Four were withdrawn, thirty-two were confirmed, and twenty-nine received reductions of varying amounts. Total reductions amounted to \$70,725. Most of the appeals were of a minor nature. The largest was that of Canadian Pacific Telegraphs, who appealed because some of their lines were no longer in use, and were scheduled for dismantling. Reductions in assessments on these lines amounted to \$35,400.

There have been no appeals taken to the County Court this year.

Last year two appeals against aircraft assessments were scheduled to go before the County Court, but they were withdrawn, as a new amendment to the Assessment Act permitted tax exemption on private aircraft.

Last year the Supreme Court rendered a decision in favour of the Municipality in the matter of the Municipality's appeal against the County Court decision which reduced the assessment on the timberlands owned by the Halifax Power & Pulp Co. Ltd. The full bench of the Supreme Court allowed the appeal and reinstated the assessment.

Attached to this report is a complete compilation of assessment figures for 1964.

Respectfully submitted,

W. M. Purcell
Director of Assessment

REPORT

OF THE

DIRECTOR OF ASSESSMENT

FOR THE YEAR ENDING

DECEMBER 31st., 1962

FOR THE

ANNUAL COUNCIL SESSION

MARCH - 1963

Report of the Director of Assessment - 1963

11 March 1963

The Warden and Councillors,
Municipality of the County of Halifax,
Municipal Administration Building, Armdale, N. S.

Councillors:

There has been another large increase in the net taxable assessment this year, the total for 1963 being \$141,796,200, as compared to \$132,559,850 for 1962. The amount of the increase is \$9,236,350. This is a larger increase than we had last year by \$1,799,450.

There has been a small increase in the Poll Tax total. This year's figure is \$148,440, which is \$5,700 higher than last year's total of \$142,740.

The number of tax accounts has increased substantially. There are now 41,456 accounts, an increase of 1,571 over last year's total of 39,885. The work-load in the Assessment Department is now approaching the saturation point, and it will be necessary to consider the possibility of employing an additional assessor.

Included in the report this year is a table showing the number of assessments each year since 1951. It will be seen from this that the total in 1951 was 25,940 compared to this year's total of 41,456. There has been an increase of about 60%. In 1951 there were six field assessors, while today there are eight. This represents an increase of 33 1/3% in staff compared to a 60% increase in the work-load.

The population of the County continues to increase. The census as taken by the assessors in 1962 showed a population of 85,098. In 1961, the figure was 81,036. The increase was 4,062.

The number of deeds recorded in 1962 was greater than the previous year, being 2,979, which was 111 more than the 2,868 which were recorded in 1961.

Most of the increase in assessment was caused by residential building. There are no new industrial assessments this year. There has been some commercial development, principally in the form of apartment buildings and motels.

There were seventy-eight assessment appeals this year. Two were withdrawn, fifty-one were confirmed by the Board of Appeal, and the remaining twenty-five received reductions. Total reductions amounted to \$42,875.

Two appeals by aircraft owners are being taken to the County Court.

Last year the Municipality appealed against the County Court decision in the matter of the assessment of the timberlands of the Halifax Power & Pulp Co. Ltd. The hearing was held in the Supreme Court on the fifth of February of this year, but as yet no decision has been received.

During the past year there have been no changes in the staff of the Assessment Department.

Attached is a statistical report showing a breakdown of assessments by Districts and School Sections. If any additional information is required, it may be obtained from the Assessment Department.

Respectfully submitted,

W. M. Purcell,
Director of Assessment
