#### DISCUSSION

#### **Operating Statement:**

At the end of June 30, 2014, HRM had a projected net General Rate deficit of \$303k (Attachment #1).

The business units have a projected deficit of \$384k along with a surplus of \$81k in Fiscal Services.

The key changes from the business units' budgets are as follows:

- Fire Services projected a deficit of \$184k primarily due to decreased revenue from Fire Prevention Inspections that were planned to start but are not going forward. A significant amount of overtime is being covered with a significant amount of vacancy savings at no additional cost to the business unit.
- Finance & Information, Communication and Technology projected a surplus of \$169k primarily due to net savings from vacancies (\$113k) and less than anticipated costs for the Print Smart Project due to a delay in deploying technology due to technical issues (\$274k). These savings are offset in part by additional resources required to implement IT related projects (\$218k).
- Transportation and Public Works projected a deficit of \$1.1m primarily due to the operating costs of surplus buildings. The 2014/15 budget was reduced on the basis that HRM would not be operating: St. Patricks's Alexandra, Quinpool Road Educational Centre and Gordon Bell Centre, however these buildings continue to remain the responsibility of HRM (\$688k). A projected deficit in staffing costs (\$273k) and a projected deficit in Solid Waste due to an unbudgeted increase in the number of Household Waste mobile events from 4 to 16 (\$160k) is partially offset by a surplus projected in miscellaneous areas (\$58k).
- Halifax Transit projected a deficit of \$395k which will be carried forward to 2015/16 resulting in
  revenue equalling expenses. The deficit is primarily due to additional overtime and repair and
  maintenance for buses requiring structural work. Increases in compensation and noncompensation costs for expansion that were expected to happen last fiscal year are completely
  offset by funding from reserves.
- Community and Recreation Services projected a surplus of \$832k resulting primarily from increased revenues. Based on development transaction values, a surplus has been projected in Development Permits (\$500k total surplus, \$450k related to Nova Centre). Based on transaction quantities, a surplus is projected in Signs & Encroachments (\$245k) and Plumbing Permits (\$60k).
- Halifax Regional Police projected a deficit of \$171k primarily relating to expected savings budgeted in airtime that will not be realized and items that were expected to arrive and be paid out of last fiscal year. This is partially offset by an amount budgeted in equipment purchases that will not be required and an increase in recoveries for extended secondments and increased facility lease revenue.
- Outside Police Services (RCMP) projected a surplus of \$99k due to actual contract costs paid to
  Provincial Department of Justice being lower than budget.

In Fiscal Services, the key changes for the net projected surplus of \$81k are as follows:

- Increase in commercial tax revenue of \$255k is due to a formerly PILT account in addition to a tax exempt account being sold to a developer.
- Revenue from a tax agreement is lower than budget due to budget being calculated on a 4% of gross distribution revenue instead of 2% (\$194k).
- Decrease in Payment in Lieu of Taxes of (\$141k) due to federally-owned property being sold to a developer
- Unconditional Transfers are higher than budget due to HRM's portion of the HST Offset being \$130k higher than anticipated
- Reserve was \$1m under budget due to contribution of Parking Strategy Reserve being incurred in other expenses – Metro Park Parkade account.
- Projected net deficit of \$970k in other expenses is the result of unbudgeted reserve contribution being transferred from Metro Park Parkade account (\$1m) and additional funding required for compensation increases (\$12k) offset by savings in miscellaneous items (\$43k).

The net projected available funds as at March 31, 2015 are \$152.8m. This is a decrease of \$1.4m from the 2014/15 Reserve Budget. #### HALIFAX REGIONAL MUNICIPALITY Explanation of Projected Surplus/(Deficit) For the Period Ending June 30, 2014

INESS UNIT VARIANCE ANALYSIS	Net Surplus /
Auditor General · No changes	(Deficit) \$
CAO - No significant changes	\$1,00
Fire & Emergency Services - The projected deficit is related to increased overtime costs primarily to cover vacancies (\$1.7m); decreased revenue from Fire Prevention Inspections that were planned to start but are not going forward (\$208k). The deficit is partially offset by vacancies (\$1.7m); and net savings in various other categories (\$24k).	(\$184,00
Finance & Information, Communication and Technology - The projected surplus is primarily due to net savings from vacancies (\$113k); and less than anticipated costs for Print Smart Project due to delay in deploying Technology due to technical issues (\$274k). These are offset in part by additional resources required to implement IT related projects (\$218k).	\$169,00
Human Resources - The projected deficit is related to HR Service Review Phase II (\$100k); temporary employment contracts (\$72k); new contract for social media platform and marketing tools for recruitment (\$64k); net overages in various other categories (\$37k). The projected deficit is partially offset by savings in compensation due to vacancies (\$172k); and a portion of the Employee Family Assistance Program now being covered by another business unit (\$28k).	(\$73,00
Legal, Insurance and Risk Management Services - The projected deficit is due to minor changes in non- compensation categories (\$2k); partially offset by savings in compensation due to vacancies (\$2k).	ş
<b>Transportation and Public Works</b> - The projected deficit of \$1.1m is primarily due to the operational costs of surplus buildings. The 2014/15 budget was reduced on the basis that HRM would not be operating: St. Pat's Alexandra, St. Pat's High School and Gordon Bell Centre, however these buildings continue to remain the responsibility of HRM (\$688k). Savings on vacant positions are projected at \$1.3m as compared to the approved 14/15 vacancy target of \$1.57m, a 273k net deficit. A projected deficit in Solid Waste due to the unbudgeted increase in number of Household Waste mobile events from 4 to 16 (\$160k). The projected deficit is partially offset by a surplus projected in miscellaneous areas (\$58k).	(\$1,063,20
Halifax Transit - The projected deficit of \$395k will be carried forward to 2015/16 resulting in revenue equalling expenses. The deficit is a result of additional overtime and repair and maintenance for buses requiring structural work (\$434k). The deficit is partially offset by net savings in various other categories (\$39k). Increases in compensation (\$432k) and non-compensation (\$221k) costs for expansion that were expected to happen last fiscal year are completely offset by funding from reserves (\$653k).	
Planning and Infrastructure - The projected surplus is primarily a result of net miscellaneous savings.	\$5,80
<b>Community and Recreation Services</b> - Projected surplus is primarily revenue related. Surpluses are projected in Development Permits (\$500k total surplus of which \$450k is directly related to the Nova Centre), Signs & Encroachments (\$245k) and Plumbing Permit (\$60k), compensation based on vacant positions (\$30k), program revenues at the Bedford Hammonds Plains Community Centre (\$43k) and savings in various other expense items (\$17k). The net surplus is reduced by deficits caused from incurring recruiting costs (\$33k) and the loss of facility rental revenues at the Lakeside Community Centre (\$30k).	\$832,30
Halifax Regional Police - The projected deficit relates to expected savings budgeted in airtime that will not be realized (\$269k); items that were budgeted and expected to be paid out of last fiscal year (\$51k); net costs in various other categories (\$7k). The deficit is partially offset by amount budgeted in equipment purchases that will not be required (\$85k) and an increase in recoveries for extended secondments and increased facility lease revenue (\$71k).	(\$171,00
Outside Police Services (RCMP) - The projected surplus is due to actual contract costs paid to Provincial Department of Justice being lower than budget.	\$99,00
Library - No Changes	<u>55</u> 5,00
	¥

#### HALIFAX REGIONAL MUNICIPALITY Explanation of Projected Surplus/(Deficit) For the Period Ending June 30, 2014

FISCAL SERVICES VARIANCE ANALYSIS	Net Surplus / (Deficit)
Property Taxes - Increase in commercial tax revenue is a result of a formerly PILT account in addition to a tax exempt account being sold to a developer.	\$255,000
Tax Agreements - Revenue from a tax agreement was based on a 4% of gross distribution revenue. The rate should have been calculated at 2%.	(\$194,100)
Payments in Lieu of Taxes (PILT) - The projected deficit relates to decreased payment on Federal accounts as a result of decreased assessment base due to property being sold.	(\$141,000)
Unconditional Transfers - HRM's portion of HST Offset received from Province of Nova Scotia was higher than anticipated.	\$130,400
Reserve - Contribution of \$1m for Parking Strategy Reserve was budgeted in this category, but the actual transfers occur in Other - Metro Park Parkade account.	\$1,000,000
