MAYOR'S OFFICE

Dear Mayor Kelly,

Thank you for your recent letter on the issue of hybrid vehicles. I very much appreciate you sharing your safety concerns with our association.

Vehicle safety systems fall under the responsibility of vehicle manufacturers. As a result, I am forwarding a copy of your correspondence to the Presidents of the Canadian Vehicle Manufacturers Association (CVMA) and the Association of International Automobile Manufacturers of Canada (AIAMC).

These associations each have safety related committees that work on issues of common interest and public policy. I have asked that your concern be relayed to the appropriate committee for review.

Thank you again for raising this issue with us.

Regards,
