# Service Dog Park Criteria

## Site Selection Criteria

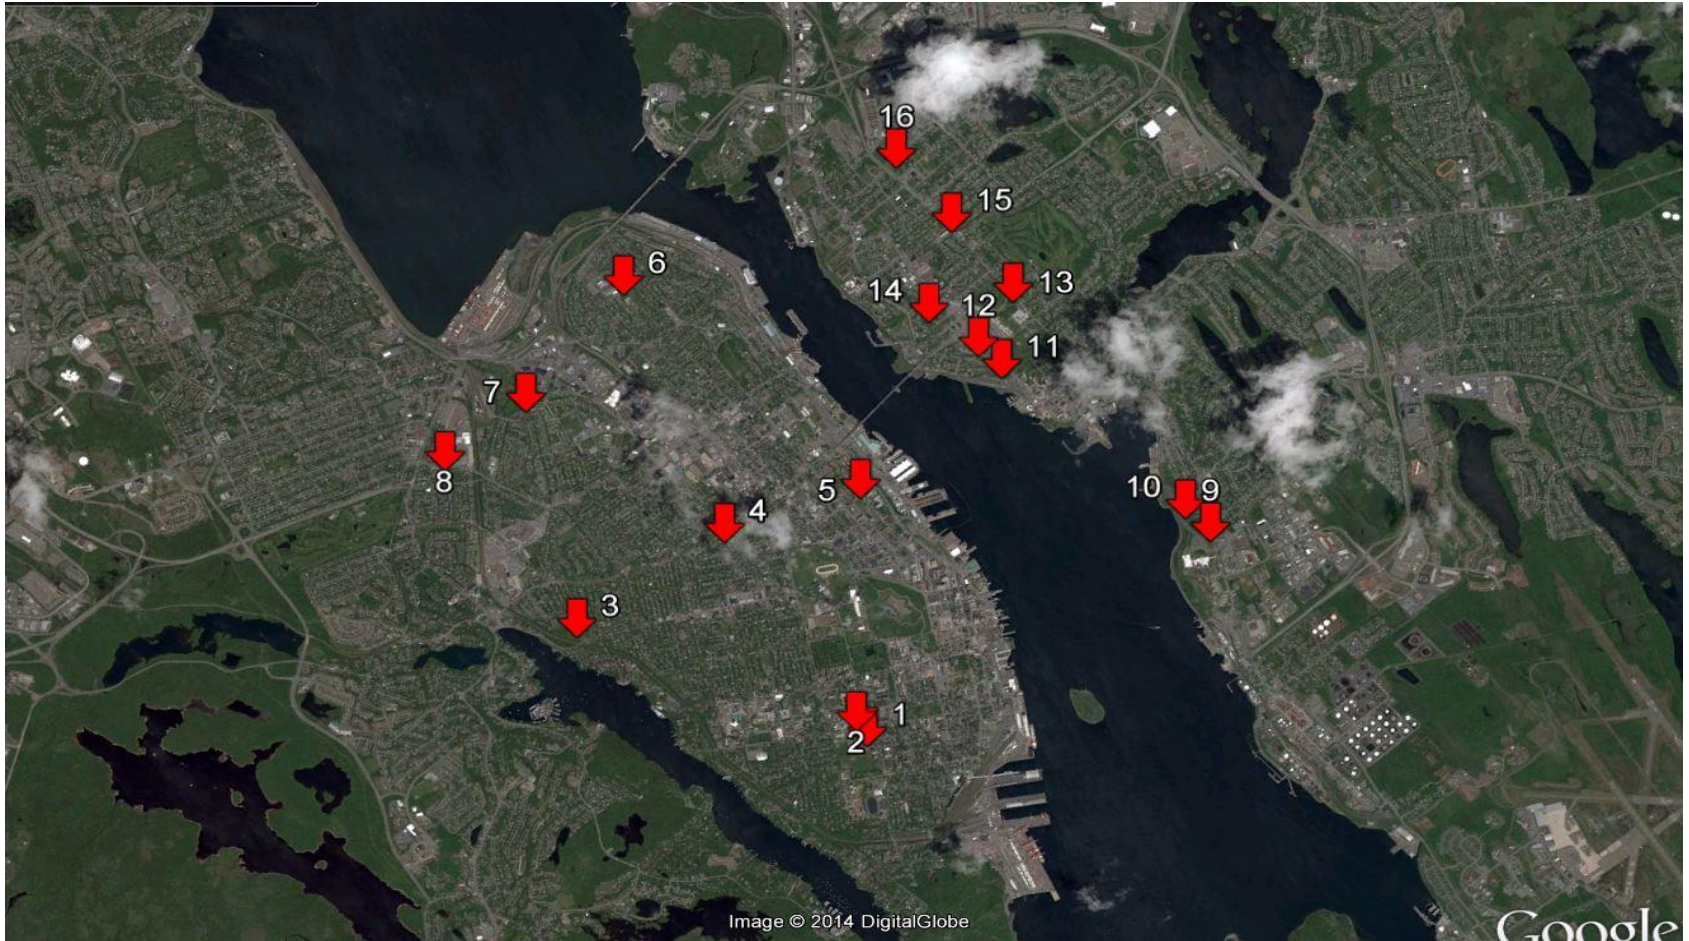

### Service Animal Park

The new site must be located within the urban core. The size of the park should be at least the same as the current location at the corner of Cogswell & Raine Drive or slightly larger.

The following is a list of criteria and their weighted value in the selection process;

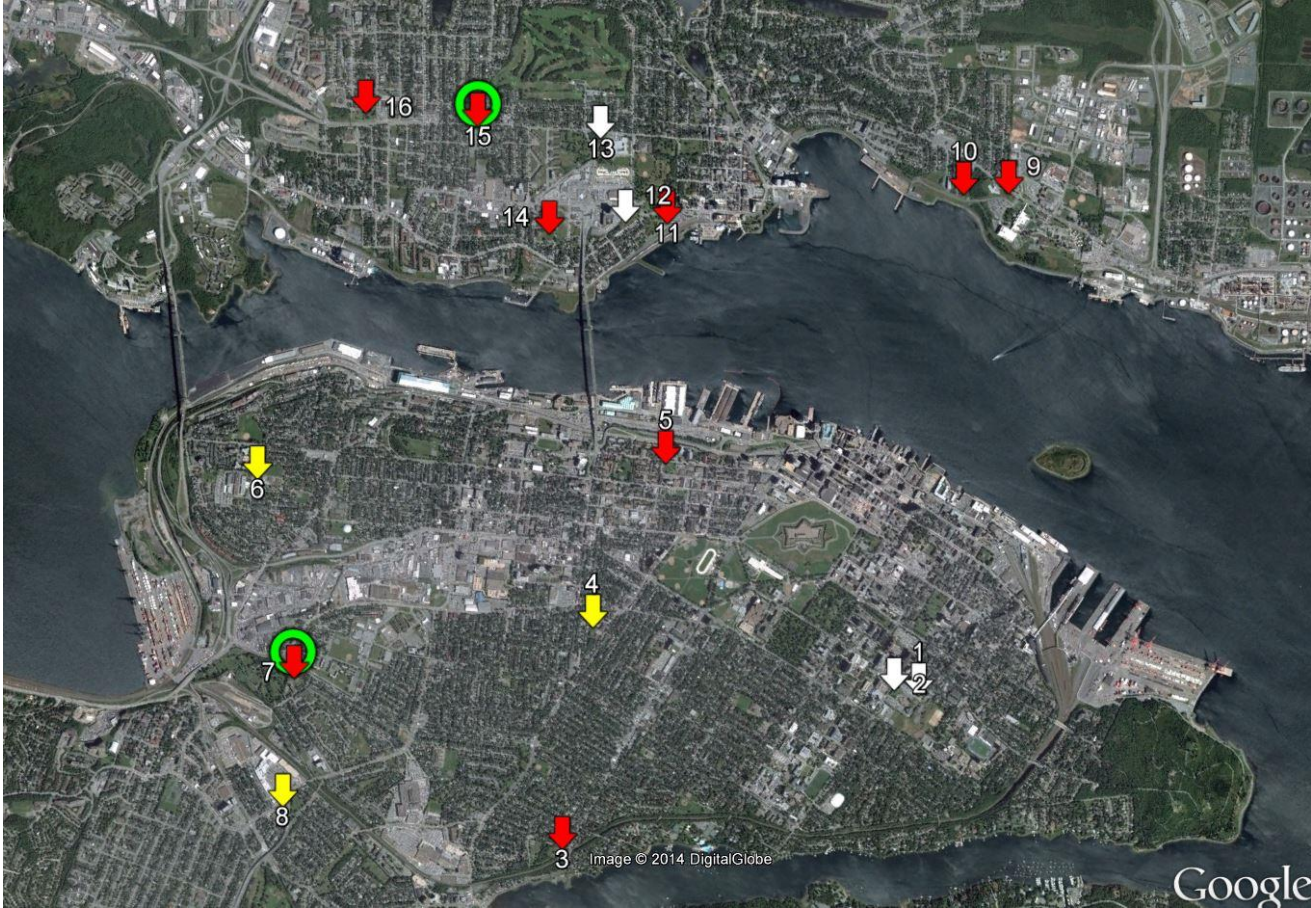

1. on an accessible bus route
2. near accessible on street parking
3. on-site parking
4. near an HRM Recreation Facility
5. near AT trail
