Body Worn Cameras

Inspector James Butler
Information Management Officer

Background

- ❑ What are Body Worn Cameras (BWC)
- ❑ National and International topic
- ❑ Why being considered in other communities
- ❑ 2015 Business and Strategic Plans

Research

- ❑ Available reports from other Policing agencies
- ❑ Site visits to discuss and review programs
- ❑ Determine our current needs

Considerations

- ❑ Very complex issue - more than a piece of equipment or technology
- ❑ Technical & Operational requirements
- ❑ Training
- ❑ Governance
- ❑ Storage
- ❑ Disclosure
- ❑ What is the impact?

Next steps

- ❑ Complete research and review of needs
- ❑ Prepare a report and present to Chief of Police
- ❑ Is the deployment of BWC on police officers the right decision for citizens of HRM, both legally and financially?
