- A copy of DalTRAC's presentation

The Committee had a short discussion on co-hosting a crosswalk safety idea café with DalTRAC. Members present agreed that due to lack of quorum at today's meeting and time constraints around their next meeting date, hosting the café in November 2014 would not be possible. Suggestion was made to holding the café in February 2015 to coincide with the winter safety awareness week and would give the Committee and DalTRAC time to prepare for the event.

Dr. Habib suggested the café include a network of volunteers, a circle of support and the prioritization of ideas from participants who attend; to which members present supported.
