

Chapter 7: Cultural and Heritage Resources – Supplementary Table (Comments from June 17/13 Open House)

PROPOSED POLICY CHANGE / ISSUE RAISED	COMMUNITY FEEDBACK	STAFF RESPONSE	CDAC DIRECTION
Heritage Districts	1. What about transfer of development rights for heritage districts – like they do in Vancouver?		
Preservation of Built Heritage	1. Please, no more huge chunks of glass plopped on top of our wonderful heritage buildings!		
Definition of Culture	1. When HRM is taking an inventory of culture concerns are you considering writers, books and studios? It is easy/easier to inventory visual art, sculpture, film, etc. but writers are less visible.		
Library and Community Services	1. We need more library hours in Musquodoboit Harbour, more heritage buildings and recreational facilities. The library is open for only 20 hours and lacks programming events because of it. 2. Musquodoboit Harbour – we need to extend our library hours at the library. Halifax gets a new library while we have only 20 hours.		
Scenic Views and Landscapes	1. Musquodoboit Harbour – in terms of culture and heritage and scenic views, we need to better protect our coastline and beaches.
