MEMORANDUM

To: Chair and Members of Halifax Watershed Advisory Board

From: Krista Vining, Legislative Assistant, Office of the Municipal Clerk

Date: June 11, 2012

Subject: Halifax Watershed Advisory Board May 16, 2012 discussion re: stormwater runoff issue at Jack Ladder Drive, Sackville

As the Board will recall a discussion was held during their May 16, 2012 meeting respecting a stormwater runoff issue at Jack Ladder Drive, Sackville. During the discussion it was thought that this case may have been raised at a past North West Community Council meeting, to staff would research and report back to the Board.

Upon review of past North West Community Council minutes, it does not appear that the above issue has been raised at a recent Community Council meeting. However, a similar matter was discussed by the Community Council in regard to a rain event of August 2, 2011 and the property at 327 Lakeview Avenue, Sackville.
