 40 Alderney Dr., Suite 102, Dartmouth  
 PO Box 1749, Halifax, NS B3J 3A5

## MEMORANDUM

TO: Solid Waste Resource Advisory Committee

CC: Laurie Lewis, Diversion Planning Coordinator  
 Robert Orr, Collection & Processing Coordinator

FROM: Gord Helm, MPA, Manager, Solid Waste Resources

DATE: September 17, 2010

**SUBJECT: Waste Characterizations RFP Status**

---

RFP for the Waste Characterization study was issued in August with a deadline of September 15<sup>th</sup>, 2010. HRM staff also conducted an informal information session on September 9<sup>th</sup>, 2010. No other questions were submitted. There was one response submitted to the RFP from CBCL Ltd. Staff are currently in the process of reviewing the response and discussing the next steps with procurement.

---

*Each landfill cell costs \$15 million and is full in three years.  
 Help extend the life of each cell by recycling and composting.*
