October 23, 2007

Dear Ms. Horncastle,

I would like to request time on the Agenda of Harbour East Community Council on Thursday November 1, 2007 to make a short presentation concerning the redevelopment of the Dartmouth 'Y' site at the north end of Lake Banook. I will be the only speaker and will require 10 minutes. I would like to make a power point presentation and assume that I will need to bring my own computer.

Sincerely

Anne Muecke
Senior Planner
