Date of Council Meeting: December 14, 2004

Subject: Mount Hope Extension and Caldwell Rd. Connector Rd.

Request: A) I am seeking a status report from staff on the feasibility and time line on extension of Mount Hope Ave, Woodside Industrial Park to proposed Hwy. 111 Interchange.

B) I am seeking a status report of the two proposed routes for completion of the Connector Rd. from the proposed Hwy. 111 Interchange through to Caldwell Rd, Eastern Passage.

Reason:

As we approach major decisions around the Morris/Russell Lake Plan and how it all connects to the proposed Hwy. 111 Interchange, I feel we need some clarity on these issues. I would like specific details regarding where we stand with Canada Lands Corporation.

I would like this response as:

- Email to Mayor and/or Councillor/Municipal Clerk's Office
- Memo to Mayor and/or Councillor/Municipal Clerk's Office
- Information Report to Community Council Regional Council
- Recommendation Report to Community Council Regional Council
