Added Item

by Noon Monday)

Date of Council Meeting: July 4, 2006

Subject: Armdale Rotary

Request:

Please add the above item to the July 4, 2006 Regional Council agenda.

Reason:

In light of the rules change for the Armdale Rotary, I would like an update from HRM staff regarding the status of the physical conversion from a rotary to a roundabout. As measures such as metering legs entering the rotary and large entry deflection have not been implemented, during peak periods it is difficult for drivers to find "a gap" to enter the rotary.

Due to the fact that Council is entering its summer break period,

I would like this response as:

- Email to Members of Council suitable for distribution to Citizens
 Memo to Mayor, Council and Municipal Clerk's Office
 Recommendation Report to Community Council Regional Council
