Date of Council Meeting: November 21, 2006

Subject: Multiple Lane Crosswalk Controls - "half signal" traffic light installations.

Request:

Please add the following item to the Agenda for the next meeting of Regional Council scheduled for Tuesday, November 21, 2006.

Reason:

It is my intention to ask staff for a report containing a plan to "retrofit" existing multiple lane crosswalks in HRM.

By motion of Regional Council on Nov. 14th, Council is committed to traffic signal controls for crosswalks installed on multiple lane roads. My intention is to seek Council's support for a plan to install the "half signal" traffic lights at existing multiple lane crosswalk locations, as well as future locations.

I would like this response as:

- Email to Mayor and/or Councillor/Municipal Clerk's Office
- Memo to Mayor and/or Councillor/Municipal Clerk's Office
- Information Report to Community Council Regional Council
- Recommendation Report to Community Council Regional Council
