Date of Council Meeting: November 28, 2006

Subject: Proposed Expansion of the Containment Zone of the Brown Spruce
Longhorn Beetle

Request:

I would like to add "Proposed Expansion of the Containment Zone of the Brown Spruce Longhorn Beetle" to the Regional Council Agenda.

Reason:

It is suggested that the CFIA is going to expand the zone to include 50% of all harvestable forest land in Nova Scotia including all of HRM and parts of Colchester County. I would like to request a report on the status of the proposed expansion of the containment zone of the Brown Spruce Longhorn Beetle.

I would like this response as:
