**SUBJECT:** **By-law T-221 Tax Exemption for Non-Profit Organizations 2007-08:  
Corrections and Amendments**

---

### **SUPPLEMENTARY REPORT**

#### **ORIGIN**

This report identifies the budget implications of corrections and amendments to the staff report dated November 20<sup>th</sup>, 2007, regarding renewals and new applications for property tax assistance in 2007-2008, By-law T-221. Two (2) corrections total an additional \$25,832.66 and brings the projected program budget over-expenditure to a total of -\$48,184.66 in 2007-2008. Three appeals are also noted. The recommendations set out in this report are a summary.

#### **RECOMMENDATION**

It is recommended that Regional Council approve:

1. The exemptions or partial exemptions awarded to 182 organizations under By-law T-200, as per Schedules 26 to 30 shown in Attachment 1 of the staff report of November 20, 2007, for fiscal year 2006-2007 be renewed for fiscal year 2007-2008 for a combined total cost of \$1,968,587;
2. The addition of five (5) properties to By-law T-200 for fiscal year 2007-2008. Namely, Supportive Housing for Young Mothers (Schedule 27), Affirmative Industries Association of Nova Scotia (Schedule 30), Ecology Action Centre (Schedule 29), Alexandra Children's Centre (Schedule 29) and Dartmouth Kinsmen Club (Schedule 29) for a combined total cost of \$36,566 as detailed in Attachment 2 of the staff report dated November 20, 2007;
3. The decline of four (4) applications as per Attachment 3 of the staff report of November 20, 2007 and the appeal from Club 24 as detailed in this report. The deferral of twenty-eight (28) applications to fiscal year 2008-2009 (as per Attachment 4 of the staff report of November 20, 2007), excluding

Dartmouth Non-Profit Housing Society whose exemption status shall be effective as of April 1, 2007, as detailed in this report, and the removal of seven (7) exemption recipients (listed in Attachment 5 of the staff report of November 20, 2007).

4. Acceptance of a late application from Canoe-Kayak Canada: Atlantic Division for the 2008-2009 program.
5. An adjustment to the Feed Nova Scotia grant as per this report.

### **BACKGROUND**

First reading of By-law T-221 was approved by Regional Council, as amended, on December 4<sup>th</sup>, 2007, and a public hearing date was set for January 8<sup>th</sup>, 2008. Appeals received prior to and during the public hearing can either (a) be addressed by Regional Council upon a motion after the public hearing has closed, or (b) referred to staff and the HRM Grants Committee for a separate report. Typically, recommendations referred back to the Grants Committee are reviewed with respect to the basis for appeal. For example, new information, interpretation of legislation or policy, or a technical error. Given the exceptionally high number of requests deferred due to the program's limited budget capacity, staff anticipate there may be a number of appeals. A separate report regarding appeals will be prepared (By-law T-222) and presented to Regional Council for approval. An additional public hearing will be convened.

### **DISCUSSION**

#### **CORRECTIONS**

##### **1. Club 24, 3 Dundas Street, Dartmouth - Appeal**

Club 24 is a federally registered charity that owns and operates a meeting/social facility for local Alcoholics Anonymous meetings. The club was added to By-law T-200 at 50% Exempt at the Residential rate (By-law T-201). In 2003, the club requested an increase in exemption level to 100% exempt (By-law T-212). The request was declined but exemption increased to 75% Exempt at the Residential rate. The rationale for an increase in assistance stated: "*Staff recommend an increase in exemption level to bring the level of subsidy to that of Al-Care and the Freedom Foundation of NS*" (December 16, 2003, Item 20, p.9)<sup>1</sup>. In a letter dated October 31, 2007, Club 24 requested an increase in exemption level from 75% exempt at the Residential rate to full exemption. In 2007-2008, property taxes total \$3,874.63; the club pays \$307.73 and HRM pays \$3,566.90. At the Grants Committee meeting of November 5, 2007, the request was declined. See: Attachment 1.

**The committee's decision should have been noted in the Grants Committee report to Regional Council, dated November 20<sup>th</sup>, 2007. This omission was corrected through an amendment at First Reading December 4<sup>th</sup>, 2007.**

---

<sup>1</sup> In 2001, the Freedom Foundation of Nova Scotia requested an increase in exemption level from 75% to 100% exempt. The request was declined (By-law T-2001, January 16, 2001). Al-Care has since been re-named the Society for the Rehabilitation of Addicted Persons and is on By-law T-200 at 50% exempt. The Society for Women Healing from Addictions is on By-law T-200 at 50% exempt at the Residential rate.

*The applicant will be advised of the recommendation and the date of the public hearing; they may elect to appeal. Councillor McCluskey has appealed the committee's decision and the application will be reviewed and included in a separate report for appeals (By-law T-222).*

## **2. Feed Nova Scotia, 213-217 Bedford Highway, Halifax**

The property located at 213-217 Bedford Highway is owned by HRM and under a lease-to-buy agreement with Feed Nova Scotia. The property was added to By-law T-200 in 1998 (Schedule 9) at 50% Exempt at the Residential rate. However, the lease agreement was not registered and therefore there was no assessment or tax account. In 2006, the society applied for 100% tax exemption but the request was deferred pending the creation of a tax account. In 2007, an award of 100% tax exemption was approved (By-law T-220) effective April 1, 2006. As of December 9th, 2006, a tax account was created.

**There has been an error made by HRM with respect to payment of the 2006-07 taxes; only 50% was paid by the program and not the full amount as per By-law T-220. Hence, there is a balance remaining for 2006-07 in addition to this year's award. This is an HRM error and should be corrected within this year's program budget.**

*To correct the adjustments to the Feed Nova Scotia tax account in accordance with awards previously approved by Regional Council will total \$18,150.66. This amount covers the balance outstanding for 2006-2007 and the 2007-2008 award and should be paid from this year's program budget.*

## **AMENDMENT**

## **3. Dartmouth Non-Profit Housing Society, 53-55 Ochterloney Street, Halifax - Appeal**

In March, 1988, HRM transferred title to the property located at 53-55 Ochterloney Street, Dartmouth, to the long-term tenant Dartmouth Non-Profit Housing Society. The former lease agreement had not been registered and therefore no tax account created (the property was Exempt Commercial). HRM requested Assessment Services assess the property for tax. In 2004, Dartmouth Non-Profit Housing Society was added to By-law T-200 at 100% exempt based on the registered heritage status of the property. Due to a delay on HRM's part in executing the formal Agreement of Purchase and Sale an assessment account was not created in a timely manner. In December, 2007, HRM was advised by Assessment Services that a tax account has been created effective April 1, 2007. The property has been assessed as Commercial and taxes for 2007-08 are \$7,682.

**The delay in effecting a property tax account is HRM's responsibility. Therefore, based on the timing of the assessment, it is recommended that this award not be deferred to 2008-2009 and that the exemption be in effect as of April 1<sup>st</sup>, 2007. The estimated annual value is \$7,682.**

*Councillor McCluskey has appealed the 100% level of exemption based on the society's stated intention to charge for parking to recover some portion of operating costs now assumed with property ownership. Specifically, the cost to Dartmouth Seniors Centre located at 45 Ochterloney Street who previously enjoyed free parking at this location. Additional information is required regarding any former parking arrangements and municipal subsidies. Hence, the level of award (100% tax exempt) will be reviewed within this context and included in a separate report for appeals (By-law T-222).*

## ELIGIBILITY APPEAL

### **4. Canoe-Kayak Canada: Atlantic Division, Lot B Crichton Avenue, Dartmouth - Appeal**

In 2004, HRM entered into a license agreement with the Canadian Canoe Association (since re-named Canoe-Kayak Canada: Atlantic Division) for a portion of HRM-owned land abutting Lake Banook, Dartmouth. The society has a boathouse located on the land, a dock, and a judges tower in the lake. A license fee of \$250/year plus HST was charged but a tax account was not created; in part this omission is a consequence of the land not having been sub-divided or individual lots identified for assessment purposes.

The society anticipates a major capital investment (~\$1,000,000) to what is now the boathouse to expand on-site capacity (ie. washroom upgrades, accessibility, office space etc) for a high performance paddling centre. The aim is to complete upgrades, in cooperation with HRM, for the World Championships to be hosted in 2009. As such, a long-term less than market lease may be preferable and a tax account should be created for the land. If assessed, the land will be Commercial. An appeal has been received requesting acceptance of a late application (December 10, 2007) for the 2008-2009 program.

**Staff recommend acceptance of a late application for the 2008-2009 Tax Exemption for Non-Profit Organizations Program to (a) correct the lack of a tax assessment, and (b) to enable consideration of property tax assistance in the 2008-09 fiscal year.**

### **BUDGET IMPLICATIONS**

The correction to the Feed Nova Scotia account totals \$18,150.66 and the Dartmouth Non-Profit Housing Society award will cost \$7,682 for a combined total of \$25,832.66. Hence, the revised cost for 2007-2008, excluding any appeals, exceed the program budget by -\$48,184.66. However, this one-time program budget overage will be offset by the residual in the *Community Grants Program*.

See: Report to Regional Council from HRM Grants Committee, titled By-law T-221 Respecting Tax Exemption for Non-Profit Organizations: 2007-2008, dated November 5, 2007.

### **FINANCIAL MANAGEMENT POLICIES / BUSINESS PLAN**

Except as noted in the Budget Implications section of this report with respect to costs exceeding the program's budget, this report complies with the Municipality's Multi-Year Financial Strategy, the approved Operating, Capital and Reserve budgets, policies and procedures regarding withdrawals from the utilization of Capital and Operating reserves, as well as any relevant legislation.

### **ALTERNATIVES**

1. Regional Council could revoke a previous decision, overturn or amend a staff recommendation.

This action is not recommended: The Feed Nova Scotia adjustment is a correction to a staff error in applying the correct value of award to the applicable fiscal year (100% not 50%) and the timing of Dartmouth Non-Profit Housing Society's assessment is HRM's responsibility.

DATE: October 18, 2007

SUBJECT: By-law T-221 Respecting Tax Exemption for Non-Profit  
Organizations: 2007-2008

### ORIGIN

This report originates with staff of HRM Finance. The report makes recommendations for the approval of the HRM Grants Committee regarding renewals, applications deferred from the prior year (2006-07), new applications for fiscal year 2007-2008, and records management.

### RECOMMENDATION

It is recommended that:

1. The tax exemptions or partial exemptions awarded to 182 organizations under By-law T-200, as per Schedules 26 to 30 shown in Attachment 1 of this report, for fiscal year 2006-07 be renewed for the fiscal year 2007-2008 for a combined total cost of \$1,968,587;
2. The HRM Grants Committee approve the addition of five (5) properties to By-law T-200 for fiscal year 2007-08. Namely, Supportive Housing for Young Mothers (Schedule 27), Affirmative Industries Association of Nova Scotia (Schedule 30), Ecology Action Centre (Schedule 29), Alexandra Children's Centre (Schedule 29), and Dartmouth Kinsmen Club (Schedule 29) for a combined total cost of \$36,566 as detailed in Attachment 2 of this report;
3. The HRM Grants Committee uphold staff's recommendations with respect to three (3) applications declined tax exemption (Attachment 3), the deferral of twenty-nine (29) applications to next fiscal year 2008-09 (Attachment 4), and the removal of seven (7) exemption recipients (Attachment 5), effective April 1, 2007, unless otherwise noted.

## BACKGROUND

The Municipal Government Act (1998), Section 71, permits municipalities, at their discretion, to provide partial or full tax exemption to non-profit organizations and charities who provide a service that might otherwise be a responsibility of Council. HRM has implemented such a program under By-law T-200. Legislation requires a public hearing.

Unless noted to the contrary in this report, the 182 organizations currently listed on the by-law for a total of 339 properties shall be renewed for the fiscal year 2007-2008. The cost of existing subsidies increased by \$160,379 over last year due to changes in assessment values and the commercial tax rate or changes in occupancy (eg. increase in rental space, building enhancements, or new construction). All figures are rounded. A complete listing of properties awarded an exemption is posted on the HRM web site.

## EXECUTIVE SUMMARY

- This report recommends the addition of five (5) properties and deletion of seven (7) properties for 2007-08 program, and the deferral of 29 properties to the 2008-09 program.
- The combined estimated cost of all requests deferred (29) totals \$135,390<sup>1</sup>. A program budget increase for the *Tax Exemption for Non-Profit Organizations Program* (M311-8006) will be required in 2008-09 or adjustments made in existing awards so as to create equitable access to opportunity.

## DISCUSSION

HRM has applied to the provincial government for amendments to the Municipal Government Act for the authority to implement a municipal non-profit tax rate. While we await a decision, staff are drafting a proposed program re-design that would include a new by-law (the municipal non-profit tax rate) and a new property tax grants program to respond to requests for assistance beyond that provided by a municipal non-profit tax rate.

## BUDGET IMPLICATIONS

The *Tax Exemption for Non-Profit Organizations Program* budget for 2007-2008 is \$1,991,800 an increase of \$145,000 as compared to last year's budget (\$1,846,800)<sup>2</sup>.

**Renewals:** Presently, there are 182 organizations (339 properties) on the by-law, excluding pre-commitments not on the 2007-08 tax roll. The renewals account for \$1,968,587 of capacity which leaves a balance of \$23,213 for new applications or revised exemption rates for 2007-08.

**By-law T-219 (Harbour City Homes):** In October, 2007, an additional 12 properties were added to By-law

---

<sup>1</sup>This value is based on 29 accounts on the current tax roll and excludes applicants not assessed and/or not on the current municipal tax roll. Therefore, the cost in 2008-09 fiscal year is likely to be higher based on assessment.

<sup>2</sup>The 2007-08 budget figure excludes a one-time allocation for the Harbour City Homes settlement agreement under By-law T-219 funded from Account# 2061 in the amount of \$105,581.

T-200 and 2 received a revised level of exemption at a combined cost of \$30,682 for 2007-08 (M311-8005). When deducted from the balance remaining after renewals (\$23,213 - \$30,682) there is an over-expenditure of -\$7,469.

**Removal:** If approved, the removal of seven (7) properties from By-law T-200 will create \$21,683 in capacity for fiscal year 2007-08, minus -\$7,469 for a balance of \$14,214 for deferred or new applicants.

The recommended additions to the by-law under this year's program (\$36,566) exceed budget capacity by -\$22,352. As a one-time interim measure, this year's program budget deficiency will be covered by using residual capacity in the *HRM Community Grants Program 2007-08 budget (M311-8004)*.

### FINANCIAL MANAGEMENT POLICIES / BUSINESS PLAN

This report complies with the Municipality's Multi-Year Financial Strategy, the approved Operating, Capital and Reserve budgets, policies and procedures regarding withdrawals from the utilization of Capital and Operating reserves, as well as any relevant legislation.

### ALTERNATIVES

1. The Grants Committee could overturn or amend a staff recommendation.

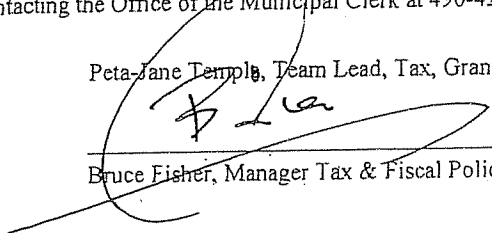

Under By-law T-213, October, 2004, Regional Council approved an appeal process whereby disputed awards are referred to the HRM Grants Committee to review additional information or for further investigation by staff. The Councillor making such an appeal is required to appear before the Grants Committee to provide details of the reason for the appeal. The committee reports on appeals to Regional Council through a Supplementary Report and, if required, a public hearing.

Attachment 2

APPLICATIONS RECOMMENDED FOR APPROVAL

The *Tax Exemption for Non-Profit Organizations Program* was awarded a budget increase of \$145,000 for 2007-08. However, the cost of renewing exemptions already on By-law T-200 increased by \$160,379. The higher cost of renewals is largely a function of increased assessment values and a higher commercial tax rate but also includes new construction or expanded occupancy (ie. an increase in rental space). HRM cannot control any of these factors unless the program criteria is amended<sup>3</sup>.

Given budget constraints, and subject to the approval of the HRM Grants Committee and/or Regional Council, the majority of applications for 2007-08 have been deferred. The criteria used to identify the five (5) applicants recommended for assistance in this fiscal year were (a) payment of Commercial taxes, and/or (b) a pre-commitment.

SUPPORTIVE HOUSING

**1. Supportive Housing for Young Mothers, 341 Pleasant Street, Dartmouth - Pre-Commitment**

In January, 2006, title to the property located at 341 Pleasant Street, Dartmouth, was transferred from HRM to Supportive Housing for Young Mothers conditional upon development approval for a multi-unit residence. The property is now assessed at the Residential tax rate (\$18,098). This application was deferred from 2006-2007 (By-law T-218) because the property was not listed on the municipal tax roll.

*Staff recommend 100% tax exempt (Schedule 26) during the holding and construction period April 1, 2007, to September 30<sup>th</sup>, 2007, at a cost of \$9,074 and partial tax exemption at 75% of the Residential tax rate (Schedule 27) effective October 1st, 2007, at a cost of \$2,378 for a combined total one-time cost of \$11,452.*

*The estimated annual cost (at 75% exempt at the Residential rate) is \$4,769.*

**2. Affirmative Industries Association, 64-66 Lakecrest Drive, Dartmouth - Pre-Commitment**

In 2004, title to the property located at 64-66 Lakecrest Drive was transferred from HRM to Affirmative Industries for the development of an affordable housing complex for persons with disabilities. In February, 2004, the property was added to Schedule 26 of By-law T-200 at 100% tax exempt during the holding and construction period. Once built, irrespective of occupancy, the property reverts to full tax status and the owner was to make application for any further tax subsidy. A tax assessment was conducted in 2006 and the property is on the 2007 tax roll at assessed at the Commercial tax rate (\$5,464). Note: this value is for land only and construction is now complete. Therefore, both the assessment classification and value will change in 2008-09.

---

<sup>3</sup> Changes could, for example, include limiting the \$-value of an award irrespective of any change in assessment value (the owner pays the increase pending an appeal of the assessment), the exclusion of any automatic tax increase as a consequence of expanded rental space, or a phased increase in any existing public subsidy for new construction or major enhancements that significantly impact assessment values.

*Staff recommend, as per current by-law listing (Schedule 26), the property be tax exempt for the period April 1, 2007, to June 30<sup>th</sup>, 2007, (\$5,464) and added to Schedule 30 at 25% of the Residential tax rate for the period July 1<sup>st</sup>, 2007, to March 31<sup>st</sup>, 2008, (\$2,557) and thereafter. The combined cost for the 2007-08 program is \$8,021 but will drop to ~\$3,409 in subsequent years subject to assessment value and tax rate.*

To effect a change in exemption level the organization must be removed from Schedule 26 and added to Schedule 30.

## ENVIRONMENT

### 3. Ecology Action Centre, 2705 Fern Street, Halifax - Deferred from 2006-07.

The Ecology Action Centre is a federally registered Canadian charity that advocates for environmental protection in issues related to coastal and wilderness protection, resource management, energy conservation and alternatives, food action, and sustainable transportation. In 2006, the Ecology Action Centre purchased the property on Fern Street to serve as an administrative centre and demonstration project. The property is assessed at the Commercial rate (\$6,111). The applicant has requested a Conversion to the Residential tax rate. This application was deferred from 2006-2007 (By-law T-218).

*Staff recommend a Conversion from the Commercial to the Residential tax rate (Schedule 29). The estimated annual cost is \$3,974.*

The prior year assessment included both a Residential and Commercial component based on prior use. The assessment has since been updated to reflect the new use and is now entirely Commercial.

## SERVICE CLUB

### 4. Dartmouth Kinsmen Club, Lot BF-2, 30 Caledonia Road, Dartmouth - New Application

The Dartmouth Kinsmen Club is a registered Canadian charity that raises funds for community ventures including local schools, health facilities, sports and recreation, and social benevolence. The HRM-owned land located at 30 Caledonia Road, Dartmouth, has been leased to the Kinsmen Club since 1976. A building was re-located to the site to serve as a clubhouse and rooms have been rented to a variety of local community organizations and projects (eg. East Dartmouth Boys & Girls Club, CAP site etc). A tax account was created in 1996 and assessed at the Commercial tax rate (\$4,111).

*Staff recommend a Conversion from the Commercial to the Residential tax rate (Schedule 29) effective April 1, 2007. The estimated annual cost is \$2,666.*

### 5. Alexandra Children's Centre, 3405 Devonshire Avenue, Halifax - Change in Level of Exemption

In 2003-04, HRM sold a portion of the property located at 3395 Devonshire Avenue, Halifax, for the development of a child care centre. In February, 2004, Alexandra Children's Centre was added to the by-law at 100% exempt, effective as of the closing date for the Agreement of Purchase and Sale. This level of exemption is in effect only during the holding and construction stage of development; once complete the property will be taxed at the Commercial tax rate and the owner must make application for an

adjusted level of tax assistance. Because the property was formerly owned by HRM the property was assessed as Exempt Commercial. The land sub-division is complete and the property now taxed at the Commercial rate (\$16,087). The applicant requested partial exemption at 75% exempt at the Residential rate. Due to budget constraints this level of exemption is not recommended in this fiscal year.

*Staff recommend a Conversion from the Commercial to the Residential tax rate (Schedule 29) effective as of the date construction was completed in 2007. The estimated cost for 2007-08 is \$10,453.*

To effect a change in exemption level the organization must be removed from Schedule 26 and added to Schedule 29. Any further increase in exemption rate would be subject to budget capacity in 2008-09 (ie. 75% exempt at the Residential rate, Schedule 27, would cost ~\$12,065 at this year's assessment value and tax rate and exceeds this year's program budget capacity).

The Church of God in Christ, Mennonite Canada, is a federally registered Canadian charity and that owns two properties located in Halifax and operated as of November, 2006, by Halifax Haven Guest Home Society a registered non-profit society. *Staff recommend decline. The property does not directly serve the general public and as such might be considered comparable to a manse. Albeit the occupants work for the church in a volunteer capacity, the provision of on-site supervision suggests that this facility serves as part of a mission program and is quasi institutional.*

In addition to title there are deferred taxes and accrued interest on arrears.

### 13. Dartmouth Non-Profit Housing Society, 53-55 Ochterloney Street, Dartmouth - Pre-Commitment

In March, 1988, HRM transferred title to the property located at 53-55 Ochterloney Street, Dartmouth, to Dartmouth Non-Profit Housing Society. The first floor accommodates the society's administration offices and the second floor is currently leased to a non-profit theatre company. In 2004, the association was added under By-law T-213 at 100% exempt, effective as of the closing date for the Agreement of Purchase and Sale. This level of exemption is based on the registered heritage status of the property. Because the property was formerly owned by HRM the tax account for the property was assessed as Exempt Commercial.

*Due to a delay in the execution of the Agreement of Purchase & Sale (January 24, 2007) there is no tax account on the 2007-08 tax roll. This award must therefore be included in the 2008-09 program budget.*

**39. Atlantic Raptor Rehabilitation Society, 38 Masons Point Road, Head of St. Margaret's Bay - Environment**

In 2001, a new lease agreement was approved between HRM and the Halifax Junior Bengal Lancers that amended the terms and duration of the lease to recognize major capital upgrades to the stable and related amenities in addition to on-going operating and re-capitalization costs. The new lease expires 2021. In 2006, the construction of the Citadel High School necessitated moving the riding paddock to a new location abutting the stable. A survey is required for the new lot which will then be submitted to Nova Scotia Assessment Services to amend the existing tax account to include the paddock and a revised assessment value.

*Under By-law T-218 100% tax exemption was approved (Schedule 26) but could not be cited on the by-law because there was no civic address or PID number. It is anticipated that a new tax account will not be required and that the paddock and related amenities will be included under the existing tax account (ie abutting the stables). HRM will request a revised assessment once the site survey has been completed.*

*For budget purposes, the program should anticipate a increase in either (a) the tax exempt property that houses the stables if the paddock is consolidated as one lot, or (b) the addition of a new property to the by-law if the paddock is a separate lot/lease agreement. HRM Real Estate to notify NS Assessment Services*

The property that served as the paddock must be removed from Schedule 26; the property is now part of the Citadel High School site. The estimated cost saving to the program in 2006-07 is estimated to be \$12,375.

RE: Tax Exemption for  
"Club 24"

Dear Ms. Temple:

There have always been people in 12 step programs who have sought a place to go for coffee and conversation; a spot where members could gather for lunch; a place where they could gather socially on weekends and holidays. Club 24 provides this for people in need and also provides a meeting place to hold special events for the community.

The Club provides several 12 step meetings per week and other social events such as Art Classes, Dart Tournaments, Friday night dinners and a Saturday night Jam Session. These events provide a safe -drug and alcohol free environment for people in recovery. It is also available to be rented out for other events for people in the community.

In an organization such as ours, which is non profit, we must rely on the contributions of others and fundraising events to remain viable.

Therefore, we are making an application for a full tax exemption.

We trust the above will be found in order. However, if more information is required, please contact me at 435-9967 or Holly Blackler at 429-7310 and/or go to our website at <http://www.club24dartmouth.org>
