Date of Council Meeting: January 22, 2008

Subject: HRMs Use of 15 Passenger Vans

Request:

I would like to add "HRMs Use of 15 Passenger Vans" to the Council Agenda on January 22, 2008. I am requesting that staff provide a report to Council indicating how many of these vans we use in HRM and recommend an alternative to the use of these vans.

Reason:

In light of the recent tragedy in New Brunswick and the fact that Public Schools in Nova Scotia have banned the use of these vans as they have been determined to be unsafe, I would like for Halifax Regional Council to take action to eliminate the use of these vans within HRM. I know there are some areas of HRM that are still using these vans to transport people.

I would like this response as:

- Email to Mayor, Council and Municipal Clerk's Office
 Memo to Mayor, Council and Municipal Clerk's Office
 Information Report to Community Council Regional Council
 Recommendation Report to Community Council Regional Council
