Item No. 11.2.4

Halifax Regional Council
February 12, 2008
February 19, 2008

TO: Mayor Kelly and Members of the Halifax Regional Council

SUBMITTED BY: 
Councillor Russell Walker, Chair, HRM Grants Committee

DATE: February 4, 2008

SUBJECT: By-law T-222: An Amendment to By-law T-200 - Appeals 2007-2008

ORIGIN

Grants Committee meeting of February 4, 2008.

RECOMMENDATION

It is recommended that Regional Council approve:

1. Application from Club 24 for 100% tax exemption be declined but that the club be offered assistance through a payment plan, or a pre-authorized payment plan, whereby the club's proportional share of property tax could be paid in smaller, monthly installments;
2. The Dartmouth Kinsmen Club be removed from Schedule 29 (Conversion from Commercial to Residential tax), effective April 1, 2007;
3. The motion passed by Regional Council on January 8, 2008, that the effective date for the Kinsmen be July 1, 2008, be amended to the Dartmouth Kinsmen Club be awarded 100% tax exemption at the Residential rate (Schedule 26) for fiscal year 2007-2008, effective April 1, 2007.
4. Approve in principle By-Law T-222 and set a date for a public hearing.

BACKGROUND

See staff report dated January 10, 2008, Attachment 1 to this report.

BUDGET IMPLICATIONS

By-law T-221 was approved with a program budget over-expenditure of \$48,184.66. If approved by the Grants Committee and Regional Council, the recommendations set out in this report will increase the budget overrun by \$1,445 for a revised total of \$49,629.66. This increase would be the consequence of increasing the tax exemption award to the Dartmouth Kinsmen Club from a Conversion (cost \$2,666) to 100% exempt (cost \$4,111) for 2007-2008 only. As a one-time interim measure, this year's program budget deficiency will be covered by using residual capacity in the HRM Community Grants Program 2007-2008 budget (M311-8004).

FINANCIAL MANAGEMENT POLICIES/BUSINESS PLAN

This report complies with the Municipality's Multi-Year Financial Strategy, the approved Operating, Capital and Reserve budgets, policies and procedures regarding withdrawals from the utilization of Capital and Operating reserves, as well as any relevant legislation.

TO: Chair and Members of HRM Grants Committee

SUBMITTED BY: *Dale MacLennan*
Dale MacLennan, CA, Director of Finance

DATE: January 10, 2008

SUBJECT: By-law T-222: An Amendment to By-law T-200 - Appeals 2007-2008

ORIGIN

At the public hearing for By-law T-221 (January 8, 2008) an appeal from Club 24 was referred back to the Grants Committee for further review. Subsequent to the public hearing, Councillor Younger has also asked for an amendment to the motion regarding tax exemption for the Dartmouth Kinsmen Club.

RECOMMENDATION

It is recommended that:

1. Application from Club 24 for 100% tax exemption be declined but that the club be offered assistance through a payment plan, or a pre-authorized payment plan, whereby the club's proportional share of property tax could be paid in smaller, monthly installments;
2. The Dartmouth Kinsmen Club be removed from Schedule 29 (Conversion from Commercial to Residential tax), effective April 1, 2007.
3. The motion passed by Regional Council on January 8, 2008, that the effective date for the Kinsmen be July 1, 2008, be amended to the Dartmouth Kinsmen Club be awarded 100% tax exemption at the Residential rate (Schedule 26) for fiscal year 2007-2008, effective April 1st, 2007.

BACKGROUND

The 2007-2008 *Tax Exemption for Non-Profit Organizations Program* received three appeals: (1.) Club 24, Dartmouth, has requested an increase in the value of exemption. See: **Attachment 1.** (2.) The original motion regarding the Dartmouth Kinsmen Club needs to be amended to reflect the actual intent, and (3.) the appeal regarding Dartmouth Non-Profit Housing Society has been revoked based on new information. See: **Attachment 2.**

The call for application to the 2008-2009 program closed November 30th, 2007, and will be evaluated for next year's program subject to budget capacity. A review of By-law T-200 and the *Tax Exemption for Non-Profit Organizations Program* will be undertaken in 2008.

DISCUSSION

1. Club 24, 3 Dundas Street, Dartmouth

Club 24 is a membership-based club that owns and operates a property primarily serving Alcoholics Anonymous and related recovery groups (~50 members). Rental rates vary according to an ability to pay. Various peer support groups meet at this location during the day and host social events in the evening and weekends (darts, cards, supper club etc). Presently, the club receives 75% exemption at the Residential rate. HRM pays \$3,566 and the club pays \$307 (2007-08 rates).

In a letter dated October 31, 2007, the club requested an increase to 100% tax exempt on the basis of the club's reliance on member's contributions and fundraising. The Grants Committee recommendation to decline the request for full exemption was appealed by Councillor McCluskey and referred back to the committee for further review based upon access to the facility by other groups; in effect Club 24 subsidized the operations of these smaller peer support groups.

Staff have reviewed HRM's assistance to Club 24 within the context of assistance provided other addictions support organizations on By-law T-200. Specifically, the Society for the Rehabilitation of Addicted Persons, Halifax (50% exempt), Society for Women Healing from Addictions & Abuse, Lakeside (50% exempt), Freedom Foundation of Nova Scotia, Dartmouth (75% exempt)¹. These organizations receive core funding from the NS Department of Community Services based upon residential programs; some funding from the NS Department of Health is also provided for specific addictions treatment programming. Overall, it appears that the level of tax assistance provided to Club 24 is comparable to other community-owned addictions recovery facilities.

Staff recommend that application for 100% tax exemption be declined.

Staff recommend that Club 24 be assisted through the option of a payment plan arrangement whereby the club's proportional share of property tax could be paid in monthly installments. A payment plan, or pre-authorized payment plan, could assist with budgeting and cash flow.

In 2007-08, a payment plan would have resulted in monthly payments of \$25.50.

¹There is an AA group that meets at Sackville Heights Community Centre but this facility is 100% tax exempt. The centre is funded through an area rate. The tax status of tenant leasing in the premises is to be reviewed as agreements become due for renewal.

Staff note the variance in level of tax exemption awarded this category of community-based programming. Specifically, the Society for the Rehabilitation of Addicted Persons (50% exempt) and the Society for Women Healing from Addictions & Abuse (50% exempt) are residences. Arguably, residents are persons with special needs (some may be at risk of homelessness) yet they receive a lower level of exemption as compared to the Freedom Foundation of NS and residences serving mental health consumers, persons with disabilities, or emergency shelters (75% exempt). Staff recommend the variance in level of assistance to different forms of non-profit housing be examined under the review of By-law T-200 in 2008. Club 24's exemption level was increased from 50% to 75% in 2002; this level does seem appropriate given that the group is volunteer and self-supporting.

2. Dartmouth Kinsmen Club, Lot BF-2, 30 Caledonia Road, Dartmouth

At the public hearing of January 8, 2008, Regional Council overturned the Grants Committee recommendation to award a Conversion from the Commercial to the Residential rate (Schedule 29) and approved an amendment that stated "...the effective date for the Kinsmen Club be July 1, 2008". The intent of the motion was to award the Dartmouth Kinsmen Club 100% tax exemption until such time as the new East Dartmouth Recreation Centre was operational. The motion presumes a continuation of tax exempt status but in fact the club has never been added to the by-law and the motion would result in the club paying Commercial taxes for all of 2007-2008 and until July 1st of 2008-2009. To rectify this situation, the club must first be removed from Schedule 29 (Conversion) and then added to the by-law at fully tax exempt on Schedule 26 (Exempt).

Staff recommend removal of Dartmouth Kinsmen Club from Schedule 29, effective April 1, 2007.

Staff recommend the motion passed by Regional Council on January 8, 2008, that the effective date for the Dartmouth Kinsmen Club be July 1, 2008, be amended to the Dartmouth Kinsmen Club be awarded 100% tax exemption at the Residential rate (Schedule 26) for fiscal year 2007-2008, effective April 1st, 2007, at a cost of \$4,111.

Staff's initial recommendation to award a Conversion from the Commercial to the Residential tax rate did not account for the limitations of the site ie. a portion of public parking. As such, staff propose a partial tax exemption, at 50% of the Residential rate (Schedule 28), be considered for the 2008-2009 fiscal year, subject to approval through a public hearing process.

BUDGET IMPLICATIONS

By-law T-221 was approved with a program budget over-expenditure of \$48,184.66. If approved by the Grants Committee and Regional Council, the recommendations set out in this report will increase the budget overrun by \$1,445 for a revised total of \$49,629.66. This increase would be the consequence of increasing the tax exemption award to the Dartmouth Kinsmen Club from a Conversion (cost \$2,666) to 100% exempt (cost \$4,111) for 2007-2008 only. As a one-time interim measure, this year's program budget deficiency will be covered by using residual capacity in the *HRM Community Grants Program 2007-2008 budget (M311-8004)*.

RE: Tax Exemption for
"Club 24"

Dear Ms. Temple:

There have always been people in 12 step programs who have sought a place to go for coffee and conversation; a spot where members could gather for lunch; a place where they could gather socially on weekends and holidays. Club 24 provides this for people in need and also provides a meeting place to hold special events for the community.

The Club provides several 12 step meetings per week and other social events such as Art Classes, Dart Tournaments, Friday night dinners and a Saturday night Jam Session. These events provide a safe—drug and alcohol free environment for people in recovery. It is also available to be rented out for other events for people in the community.

In an organization such as ours, which is non profit, we must rely on the contributions of others and fundraising events to remain viable.

Therefore, we are making an application for a full tax exemption.

We trust the above will be found in order. However, if more information is required, please contact me at 435-9967 or Holly Blackler at 429-7310 and/or go to our website at <http://www.club24dartmouth.org>
