| Da  | te of Council Meeting: October 28, 2008  |                                       |  |  |
| Subject: Impact of World Markets on Budget  |  |                                       |  |  |
| Re  | quest:   |                                       |  |  |
| Ple   | ease add the above item to the Agenda.   |                                       |  |  |
| Re  | ason:  |                                       |  |  |
| I would like staff to advise Council on what, if any, impact there is of world market collapse on HRM's budget. Understanding that HRM invests in the markets I would like Council to be advised on investment policy changes that may be required and if there is a budget impact, what rationalization may be required. |  |                                       |  |  |
| I w   | vould like this response as:   |                                       |  |  |
