Mayor of Halifax Regional Municipality

PO Box 1749

Your Worship:

Maritime Forces Atlantic, on behalf of Maritime Command, will be conducting a ceremony to Consecrate and Present the Queen's Colour to Maritime Command on Saturday, 27 June 2009 at the Garrison Grounds in Halifax. The ceremony will consist of a parade on the Garrison Grounds and a 21-Gun Salute fired from the south-west facing section of the perimeter road on Citadel Hill. There will no marching contingents on the streets as part of this parade.

In conjunction with the ceremony, it is planned to have aircraft from 12 Wing Shearwater and 14 Wing Greenwood conduct a fly-past of the Garrison Grounds. As such, it is requested that the Halifax Regional Municipality grant permission for the Canadian Forces to fly fixed and rotary wing aircraft over the city (routed in a south to north direction) at an altitude of 500 feet above the highest obstacles. This event would occur at approximately 1:30 PM on 27 June 2009. The enclosed photographs illustrate the proposed flight-path. In support of this request and for Council's awareness, my staff would be pleased to provide an information briefing on the overall ceremony to a session of Council.

We very much appreciate the support we have received from the Municipality over the years and look forward to a continuation of our strong and positive relationship. Should you or your staff have any questions, please do not hesitate to contact the planning officer for the event, Captain(N) Craig Walkington, at 721-0221.

Yours truly,

John F. Newton
