**Added Item**  
(Submitted to Municipal Clerk's Office  
by Noon Monday)

**Date of Council Meeting:** March 7, 2006

**Subject:** Regional Rink Facility - Request for Inclusion in Capital Budget

**Request:**

Please add the above item to the March 7, 2006 Council agenda.

**Reason:**

I would like to request a staff report, referencing the Burke Oliver report, on the possibility of including in this year's capital budget, the construction of a regional rink facility.

Through the last three budgetary processes, the issue of ice surfaces has been raised. HRM staff have made references that if ice surfaces were not constructed through private enterprise (ie. triplex) that HRM would be looking at the possibility of budgeting funds for this purpose. Year after year, my residents, who make up a minimum of on-third of the hockey registration in Bedford, are asking when HRM is going to support the needs of the HRM by adding another ice surface. My question is, how many years are we going to tell our residents that someone else might be building one?

**I would like this response as:**
