by Noon Monday)

Date of Council Meeting: June 20, 2006

Subject: Pedestrian Signal Indicators

Request:

Please include the above item on the June 20, 2006 Regional Council agenda.

Reason:

At the meeting I will be asking that staff investigate and report back on so-called "intelligent pedestrian" signal indicators. These signal indicators display timing information which allows pedestrians to decide if they feel there is time to safely cross. I will also be asking that staff contact other municipalities about their experience with this equipment.

I would like this response as:

- Email to Mayor, Council and Municipal Clerk's Office
 Memo to Mayor, Council and Municipal Clerk's Office
 Recommendation Report to Community Council Regional Council
