9 Request from the Floor

Date of Council Meeting: August 3, 2010

Subject: Formula Used to Decrease Business Improvement District (BID) Funding

Motion for Council to Consider:

Staff provide the rationale for the manner in which the \$30,000.00 reduction in funding from HRM was distributed amongst the BID's. Further, no cuts be instituted until a report is brought back to Council because there appears to be inconsistencies in the allocation of these cuts.

Reason:

Some BID's are having cuts that are not proportional to their levy.

Outcome Sought:

That Council support the motion to re-examine the formula used and for staff to provide a report to Council.
