Item No. 10.1.1

Dear Halifax Regional Council,

I'm requesting your acknowledgment of a potential fly-by by the Canadian Air Forces for an event we're hosting on Tuesday October 5<sup>th</sup>, 2010. The event is a celebration of Alexander Keith's 215<sup>th</sup> Birthday; it will be located in the parking lot beside the Waterfront Warehouse (1549 Lower Water Street). We're expecting approximately 3,500 guests to enjoy a concert, the 78<sup>th</sup> Highlanders, authentic east coast hospitality and Alexander Keith's Fine Beers. The fly-by would help to bring military presence to our event and increase the overall impact. The timing of the event is 5:30pm-10:00pm, during which time the fly-by could occur.

If you could provide a letter acknowledging this request it would be greatly appreciated. Feel free to contact me if you have any questions. Thank you in advance.

Sincerely,

Jessica Renaud
