Your Worship,

Remembrance Day is a solemn occasion when we have the privilege to honour those men and women who have served our country in wartime and have paid the ultimate sacrifice. 12 Wing Shearwater will be supporting services being held at various locations in the Halifax Regional Municipality on 11 November 2010 by providing Cenotaph vigils, marching contingents and wreath laying parties.

In conjunction with these activities, it is planned to have a Sea King helicopter from 12 Wing conduct a fly-past of the Cenotaphs located at Halifax Grand Parade, Eastern Passage, Cole Harbour and Sullivan's Pond. It is requested that Halifax Regional Municipality grant permission for 12 Wing Shearwater to fly a Sea King over these four locations at an altitude of 500 feet above the highest obstacle. These fly-pasts would occur between 11:02 a.m. and 11:20 a.m. on 11 November 2010.

Sincerely,

S.M. Michaud
Colonel
Wing Commander
