

## **Project 01341: Cost of Servicing Study and Requests to Initiate Secondary Planning Strategies**

**The Municipality has received three requests to initiate secondary planning strategies which have been evaluated by staff and the Regional Plan Advisory Committee (RPAC). The RPAC heard from staff, the proponents and members of the public at four separate meetings.**

**The following document presents a compilation of reports and submissions received by RPAC, as well as the staff and RPAC reports to Council. For ease of reference, the page numbers presented in the table of contents correspond with hand written page numbering on the top right hand corner of the subsequent documents**
