Date of Council Meeting: April 17, 2012

Subject: Hammonds Plains Community Centre

Motion for Council to Consider:

That Regional Council request that staff prepare a report to Council exploring options for the continued operation of the Hammonds Plains Community Center, whether to continue owning the facility and enter into a partnership agreement with the Hammonds Plains Community Centre Association for the continued operation of the facility or convey the ownership of the facility to the local community association who have been operating the facility for some time.

Reason:

The facility has been used by the local community for events and local groups for several decades. The local association has been covering operating costs through user fees and fundraisers for some time. As they do not own the facility they are ineligible for community grants. The building is in need of maintenance upgrades, hence this issue has become time sensitive.

Outcome Sought:

Staff report outlining options for the operation of the Hammonds Plains Community Centre.

Councillor *Peter Lund*

District 23
