Subject: Reallocation of ice time due to closure of Shannon Park arena.		
Motion for Council to Consider: In light of the closure of the Shannon arena, it is moved: 1) That staff investigate a reallocation of this years' ice time to all users so as to lessen the burden on those users who had been allocated the bulk of Shannon ice time. 2) To investigate any and all other possible options to solve, in the short term, ice shortage on the Dartmouth side, until the opening of the new Dartmouth 4-Pad. Reason: This closure announcement came after all ice had been allocated to all user groups. 32 percent of the Dartmouth Whalers ice time is allocated at Shannon/Shearwater, and 23 percent of Cole Harbour ice. A reallocation would share this loss of essentially two ice pads evenly across user groups. There may also be other options staff could investigate that could lessen the unequal impact. Outcome Sought: Reallocation of ice time evenly across all user groups.
