Subject: Request for Staff Report re extension of green bin during the month of September.		
Motion for Council to Consider: That Regional Council request a staff report to determine feasibility and budgetary implications in extending weekly green bin pick-up for the month of September, starting in 2016, commencing with the 2016/17 budget cycle. Reason: As warm, summer weather continues well into September in our region, residents continue to experience the same issues during the month of September as they do during the summer months. Outcome Sought: A staff report for Council consideration, commencing with the 2016/17 budget cycle.
