Dear Mayor Kelly:

**RE: Touchdown Atlantic 2 – CFL Exhibition Game
June 3, 2006 at Husky Stadium**

Last June, Halifax witnessed a special event and part of history as the inaugural Touchdown Atlantic pre-season CFL football game was played before a capacity crowd at Husky Stadium. Over 400,000 Canadians tuned in to watch the game carried nationally on TSN. We have recently been selected to once again host this exciting event.

I write seeking your assistance with regard to the involvement of the Department of National Defence (DND) in the upcoming Touchdown Atlantic 2 scheduled for June 3rd at Husky Stadium. There is considerable Maritime Forces Atlantic staff support for the showcasing of their F-18's and the SkyHawk Parachute Team during game day festivities. However, formal requests for such involvement are required from the Military from your office as well as that of Saint Mary's University President, Colin Dodds.

As such, we respectfully request approval and endorsement by Halifax Regional Municipality council for this request in order to allow DND in securing the services of these two impressive units of the Canadian Forces to help showcase Touchdown Atlantic-2.

I wish to thank you and your council colleagues in advance for your anticipated cooperation with regard to this matter.

Yours truly,
