Subject: Amendments to Parking By-Law/Municipal Parking Garage

Request:

Please add Amendments to Parking By-Law/Municipal Parking Garage to the Council Agenda for Tuesday, June 14, 2005.

Reason:

With the ever increasing number of smart cars/scooters in the city I would like staff to investigate changing regulations regarding parallel parking for above said vehicles in order to promote smart climate change in HRM.

I would also like Real Property and Asset Management to consider parking changes in our Municipal Garage that would promote spaces for smart car parking.

I would like this response as:

- ☐ Email to Mayor, Council and Municipal Clerk's Office
☐ Memo to Mayor, Council and Municipal Clerk's Office
☐ Information Report to ☐ Community Council ☐ Regional Council
