**TO:** Mayor Kelly and Members of Halifax Regional Council

**SUBMITTED BY:**   
George McLellan, Chief Administrative Officer

**DATE:** March 15, 2002

**SUBJECT:** **Tender 02-003 Supply of Containers and Collection of Refuse from Various HRM Facilities**

---

**ORIGIN**

The Halifax Regional Municipality called tenders for the supply of containers and the collection of refuse from various HRM facilities for a three (3) year period.

**RECOMMENDATION**

It is recommended that :

Regional Council authorize the award of Tender 02-003 for the supply of containers and the collection of refuse from various HRM facilities to Enviro Waste for a three (3) year period at a cost of \$89,803.94 for the first year effective May 1, 2002, with funding as outlined in the Budget Implications section of this report.

**Note: All prices include the non-refundable portion of the HST.**

## BACKGROUND

Tenders were called to supply containers and collect refuse from 47 HRM owned facilities as shown on the attachment.

36 of these locations have relatively predictable load content and corresponding weighting. Pricing for these locations are fixed at a monthly rate and are therefore specifically identified in this report. The remaining 11 locations have more unpredictable load content and corresponding weighting and are therefore priced on a unit price per ton for disposal which cannot be accurately priced on an annual basis. For this reason, this report does not specifically identify these prices.

## DISCUSSION

The following tenders were received, evaluated and recommended by Real Property Services.

<u>Name of Company</u>	<u>Bid (1st Year Only) - Tax in*</u>
Ed DeWolfe Trucking Limited.	\$ 44,253.18**
Leo J. Beazley 1996 Inc.	\$ 79,029.92**
<b>Enviro Waste Ltd.</b>	<b>\$ 89,803.94</b>
Canadian Waste Services Inc.	\$212,785.63

\* Year 2, Year 3 prices are subject to adjustment in accordance with landfill price increases.

\*\* Bidders could bid for a minimum of 15 locations. The bids from Ed DeWolfe and Leo J. Beazley were for 18 and 21 locations respectively.

Staff is recommending the bid of Enviro Waste Ltd which provides service for all locations at an annual cost to HRM of \$89,803.94 inclusive of the non-refundable portion of the HST for the first year of the contract. This represents a modest increase of 3.5 percent above the existing contract prices which have been in effect for the last three years.

## BUDGET IMPLICATIONS

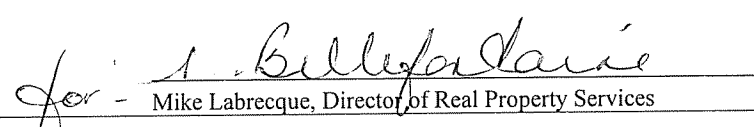

Funds are available from the respective business unit operating budgets for these services.
