
COUNCILLORS' OFFICE

MEMORANDUM

TO: Vi Carmichael, Municipal Clerk
FROM: Councillor Linda Mosher, District 17
DATE: May 2, 2002
SUBJECT: High School Volunteer Community Service

I would like a report from the Halifax Regional School Board and the Department of Education on incorporating a volunteer community service program into the education curriculum. This program would require forty hours of service to graduate with a high school diploma. Similar programs are currently operating in Vancouver and Toronto.
