ADDED ITEM:

TO: Mayor Kelly and Members of Halifax Regional Council

SUBMITTED BY: 
for Linda Mosher, Councillor, District 17

DATE: August 15, 2002

SUBJECT: Fairmount Subdivision - Butler Property - Subdivision Application

I would like a proviso to any subdivision approval that the Developer may be responsible for traffic infrastructure changes pending traffic gap counts that are to be conducted in September. This will provide more realistic data, as the schools will be in session and residents will be back from vacation and traveling to work.
