Date of Council Meeting: April 15, 2003

Subject: Flooding - District 7

Request:

Please add Flooding - District 7 to the Council agenda for Tuesday, April 15, 2003.

Reason:

I am requesting a staff report and recommendations to solve basement and property flooding situations. Several properties on the lower section of Bellevista Drive and Wanda Lane are subject to basement and/or property floods on occasions when the amount of rainfall is not only severe, as was the case on March 31, but also when the rainfall conditions are more than average.

I would like this response as:
