Councillor Request for Information

✓ Included on Agenda

Date of Council Meeting: May 27, 2003

Subject: Off Leash Dog Parks in HRM

Request:

I am asking for a staff report to consider the need for designated off-leash dog parks in all parts of HRM.

Reason:

HRM has very few public areas where dog owners are permitted to take their dogs to run off-leash. Chebucto Community Council has been asking for a designated dog park to be identified for Mainland North; this has yet to be provided. Chebucto Community Council recently recommended that this issue be brought to Regional Council as the demand for these parks is region-wide.

I would like this response as:
