Date of Council Meeting: June 10, 2003

Subject: Location for Eastern Shore Ground Search and Rescue Vehicles and Equipment

Request:

I would like to have the location for Eastern Shore Ground Search and Rescue Vehicles and Equipment added to the agenda of June 10, 2003.

Reason:

There is an urgent requirement for the Eastern Shore Ground Search and Rescue to acquire a suitable location for their vehicles and equipment that will streamline and enhance the response time and maintain the high quality of equipment they presently own and have scattered in many locations throughout the municipality. I would like to have a location identified for this purpose.

I would like this response as:
