Dartmouth Harbourfront Trail Implementation Strategy

**DARTMOUTH
HARBOURFRONT
TRAILS ASSOCIATION**

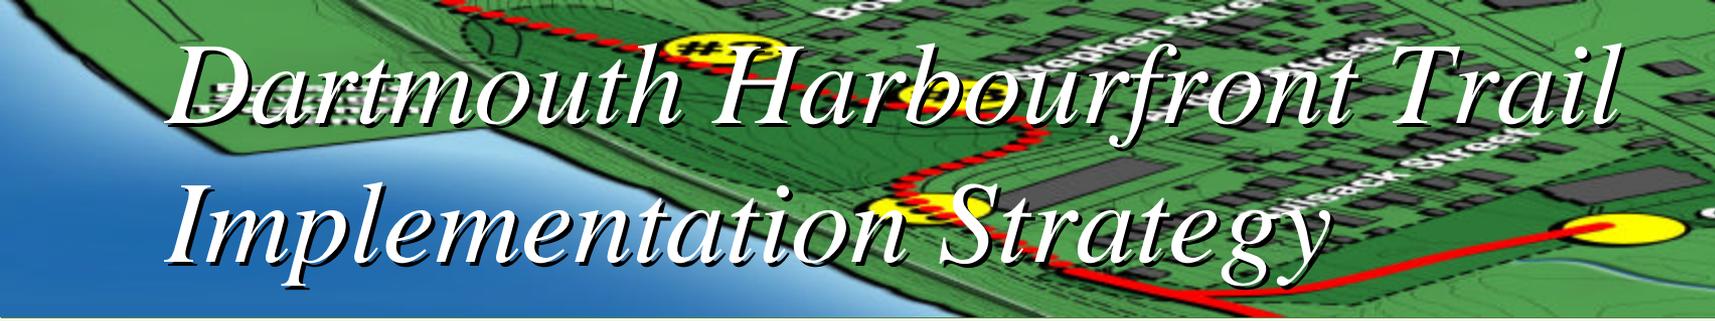

A community organization formed in January, 2002 to provide input and guidance to the planning, development and management of a safe, clean and informative non-motorized multi-use trail between the two ferry terminals, and maintain the environmental integrity of the existing green belt for all to enjoy

Dartmouth Harbourfront Trail Implementation Strategy

- Funded by grants from Halifax Regional Municipality and Sport Nova Scotia
- Support from:
 - Waterfront Development Corporation
 - Halifax Regional Municipality
 - Halifax Regional Trails Association
 - Nova Scotia Community College
 - Dartmouth Community Health Board
- Prepared by Ekistics Planning & Design
- Completed December 2004

Dartmouth Harbourfront Trail Implementation Strategy

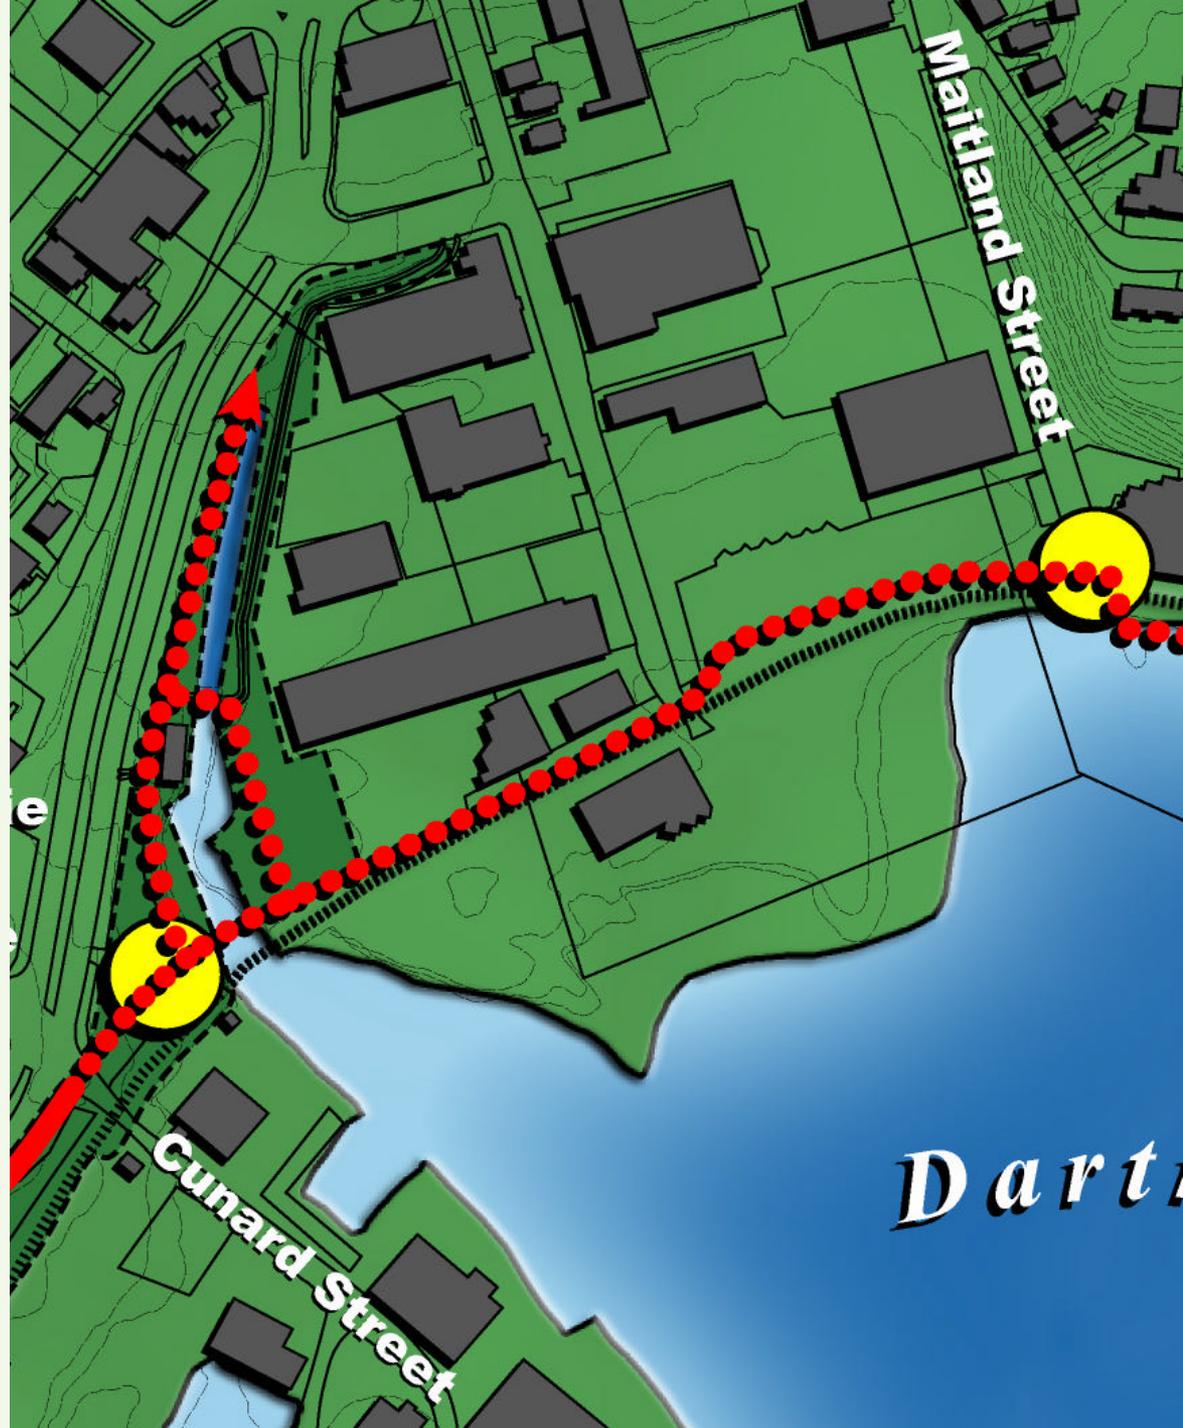

DARTMOUTH
HARBOURFRONT
TRAILS ASSOCIATION

- Objective
 - Document the opportunities & constraints associated with trail development
 - Present a strategy to guide DHTA in promoting & constructing the trail
 - Demonstrate trail viability
 - Confirm routing & estimate costs
 - Consider promotional themes and amenities
 - Further movement of the Trail from plan to reality
