Chebucto Community Council
June 9, 2008

TO: Chair and Members of Chebucto Community Council

SUBMITTED BY:

Paul Dunphy, Director of Community Development

DATE: May 26, 2008

SUBJECT: **Case 01131: Amendment to Stage II Development Agreement Time Frames, Dunbrack Street, Halifax**

SUPPLEMENTARY REPORT

ORIGIN

Approval of the Amending Stage I Development Agreement on May 5, 2008, and conclusion of the appeal period on May 26, 2008, allowing consideration of the Amending Stage II Development Agreement to proceed.

RECOMMENDATION

It is recommended that Chebucto Community Council:

1. By resolution, amend Section 11 of the existing Stage II Development Agreement to extend the time limit for the completion of the agreement until May 5, 2010 (a public hearing is not required);
2. Approve the Amending Stage II Agreement as shown in Attachment "A" of this report; and
3. Require that the Amending Agreement be signed within 120 days or any extension thereof granted by Council on request of the applicant from the date of the motion approved by Council and any other bodies as necessary whichever approval is later, otherwise, this approval will be void and obligations arising hereunder shall be at an end.

BACKGROUND

The subject property, Block K, Dunbrack Street (PID 40516445) is a vacant parcel of land located at the northwest corner of Dunbrack Street and Radcliffe Drive in Halifax (see Map 1). The site is included in the Stage I and Stage II development agreements for Clayton Park West, Phase I. The Stage I Development Agreement required completion of Phase I by 1997. The Stage II Development Agreement required completion by 1991. The Stage II Development Agreement designates this parcel of land for church use, subject to the requirements of the P (Park and Institutional) Zone of the Halifax Mainland Land Use By-law. Harvey and MacKenzie Architects Limited, on behalf of the Roman Catholic Episcopal Corporation of Halifax, requested an extension to the existing Stage I and Stage II development agreements to allow for the construction of the Saint Benedict Parish church.

DISCUSSION

On May 5, 2008, Chebucto Community Council approved an amendment to the Stage I development agreement for Clayton Park West, Phase I, to allow for a church by extending the time limit to commence construction. The expiration of the 14 day appeal period on May 26, 2008, allows the Stage I amending agreement to come into effect and the amendment to the Stage II development agreement to be considered for approval.

Staff have revised the clause in the existing Stage II agreement which relates to the time limit for completion (Section 11) to require physical commencement of construction, including site excavation and the placement of the footings and foundation, by May 5, 2010 (refer to Attachment "A").

A decision to extend the time-frame does not require a public hearing. Staff has no objection to granting the requested time extension.

BUDGET IMPLICATIONS

There are no budget implications. The Developer will be responsible for all costs, expenses, liabilities, and obligations imposed under or incurred in order to satisfy the terms of this Agreement. The administration of the agreement can be carried out within the approved budget with existing resources.

FINANCIAL MANAGEMENT POLICIES / BUSINESS PLAN

This report complies with the Municipality's Multi-Year Financial Strategy, the approved Operating, Capital and Reserve budgets, policies and procedures regarding withdrawals from the utilization of Capital and Operating reserves, as well as any relevant legislation.

ALTERNATIVES

1. Council may choose to approve the amending development agreement (Attachment "A"). This is the recommended course of action.
2. Council may choose to approve the amending development agreement with modifications which are acceptable to the applicant. Such modifications may require further negotiations with the applicant and/or revisions to the attached amending agreement.
3. Council may refuse the extension, in which case the property could no longer be developed without approval of a new development agreement. This alternative is not recommended by staff.
