Non Truck Routes - Crown Drive

INFORMATION REPORT

ORIGIN

Item 12.2 raised at the June 9, 2008 meeting of the Chebucto Community Council.

BACKGROUND

The former City of Halifax Truck Route By-Law was originally passed in 1972 and became effective in 1973. HRM adopted a consolidated version covering the core service area in 1998 with an amendment in 2000.

DISCUSSION

During the June 9, 2008 meeting of the Chebucto Community Council the following motion was passed: **MOVED BY Deputy Mayor Adams, seconded by Councillor Walker, that staff give consideration to making Crown Drive a non truck route.**

Under the Truck Route By-Law as it now exists, and as it has always been in force since 1973, Crown Drive is not a truck route. Any truck traffic using Crown Drive now must be in local service or else is in violation of the by-law.

Under the By-Law, the trucks subject to its provisions are those over 3,000 kilograms in weight.
