**MEMORANDUM**

On July 25, 2012 at approximately 3:56 pm, HRM Planning Staff received information from the Department of Natural Resources (DNR) regarding Case 15969. As a result, Staff are seeking additional time to review the information and consult with DNR officials. Once consultation has concluded, staff will provide a supplementary report to Marine Drive Valley and Canal Community Council (MDVCCC) regarding Case 15969.

Staff are requesting that MDVCCC not schedule a date for public hearing until such time that a supplementary report regarding Case 15969 is tabled with MDVCCC.
